Arizona 4-H Centennial

In 2013, Arizona 4-H will be celebrating 100 years of working with and developing skills in young people. Arizona's first 4-H club was formed in Chandler in 1913 as a Boys Cotton Club with 18 members under volunteer leader George Peabody. The first Boys & Girls Club Contest was also held in 1913 in Maricopa County. Pima County got its first 4-H club in 1914, and Victor Ball of San Xavier Boys' Corn Club was the winner of the 1914 Corn Club Contest. Today, Arizona 4-H has more than 185,000 members ages 5-18, and more than 7,000 adult and youth volunteers. A lot has happened in 100 years.

Throughout the year there will be events, activities and opportunities to celebrate the centennial of Arizona 4-H. The celebrations will culminate during National 4-H week in October 2013, with a grand event at the San Marcos Hotel in Chandler. With the newsletter and the Pima County 4-H Facebook page, we will work to keep you up to date on the happenings and provide ways for each and every 4-H participant in Pima County to get involved. Below is the first way you can get involved...

Tell Us Your 4-H Story
Everyone has a story to tell. Maybe it’s funny, maybe it’s sad, maybe it was an “Aha!” moment, maybe it’s about someone special. Whatever the story, we want to hear it. Go to http://extension.arizona.edu/4h/webforms/centennial-stories and share your story and pictures. The first five people from Pima County that provides a story will receive a free copy of “4-H Stories from the Heart”, a collection of 4-H stories from around the country. Who knows, it might even be autographed by one of the contributors to the book.
JANUARY 15TH DEADLINE

4-H in Pima County has a few infamous dates one of those being January 15th. It is the last day that youth can enroll in the 4-H program to exhibit an animal project at the Pima County Fair and several animal projects require ownership paperwork to be turned in to project coordinators. Please see below a list of projects that have a January 15th deadline (*designates that you can get the form in the premium book*):

All animals must be owned and in the possession of the 4-H/FFA member by their respective project ownership date, but no later than January 15th of the current 4-H year. (Exception: Rabbit meat pen, Rabbit single fryer, Poultry fryer pen, Poultry roaster pen, and squab meat pen)

Is this your last newsletter?
Each year the 4-H Office is required to purge its mailing list of individuals who are no longer involved with the 4-H program. This will happen this by discarding the old mailing list developed in our former enrollment software and switching to the data in the new 4HOnline enrollment system. If you do not enroll in the 4HOnline system by January 15, this will be your last newsletter.
