GREENLEE COUNTY MERITORIOUS LEADER NOMINATION FORM

Date:_____

One meritorious leader may be chosen from each community club. This is the highest leader award in Greenlee County. If no member is truly meritorious a club may pass and have no nominations for that year.

Please discuss with your child if any leaders have stood out to them. Each child in your household should have the opportunity to make separate nominations. We are looking for a leader that has gone above and beyond the minimum requirements. Maybe they have worked hard to help your children succeed in mastering or belonging in your 4H club. Maybe they have generously given extra time to help your child gain independence or in some other way. Please tell us who you and your child agree to nominate.

I nominate(leade	er's name).
