The official 4-H emblem is a green four-leaf clover with a white H on each leaf standing for Head, Heart, Hands, and Health. The stem of the clover is always to the right. There is little doubt that the 4-H emblem is one of the most highly recognized logos in the world.

The 4-H name and emblem have United States federal protection under federal code 18 U.S.C. 707, passed in 1939, slightly revised in 1948. This federal protection makes it a mark unto and of itself with protection that supersedes the limited authorities of both a trademark and a copyright. The Secretary of Agriculture is given responsibility and stewardship for the 4-H name and emblem, at the direct request of the U.S. Congress. These protections place the 4-H emblem in a unique category of protected emblems, along with the U.S. Presidential Seal, Red Cross, Smokey Bear and the Olympic rings.
