Tina Johnson
Cochise County

Tina Johnson Tina jumped into 4-H with both feet and hasn’t stopped since in the 14 years since she started as a 4-H volunteer. She has served as a project leader for horse, community service, leadership, hiking, and performing arts; community club leader; on multiple county committees - Livestock Council, Horse Advisory Committee, Small Stock Committee, and County 4-H Council; and on the State 4-H Horse Advisory Committee. For the past several years she has been encouraging teens and leaders to attend the Western Regional Leaders Forum, usually coordinating transportation to get them all there. Tina is always looking for ways to involve and motivate youth, their parents, and other leaders to take advantage of all the opportunities within the 4-H program. She is generous in sharing her knowledge and time with everyone. During county fair you will see Tina everywhere lending a helping hand and always asking what more she can do. Even though her children are no longer in 4-H, she continues to work just as hard for all the youth in Cochise County to help develop our future leaders.  Note: I will get good photo at county fair in a couple of weeks.
