# Project Goals

At the beginning of your 4-H project, list goals— what do you want to make, learn, or do in this 4-H project?

What steps are needed to reach your goals?

A large empty rectangular box for writing project goals and steps.

# Project Activities

During the year, describe project activities completed and meetings attended.

Date	Description

# Project Accomplishments

To be completed as goals are completed.

**Did you accomplish your goals? Why or why not? (include skills learned)**

**Recognition received in this project**

**Will you take this project next year? Why?**

**If you answered "Yes," What would you like to learn next year?**

# Project Income and Expense Record

List animals, feed, equipment, materials, tools or supplies that you bought for your project. List any income you made if you sold project animals, items made, premium money earned in your project, etc.

# Thinking back on your year in this 4-H project...

At the end of your 4-H year, use this form to see what you might learned along the way. For example, as a result of your work in this project this year, did you learn how to use your time better? If so, you would indicate this in answer to question #3 below.

Follow the instructions below to complete this section.

**Think back on your past year in this 4-H project. Below are listed some skills that you may have developed as a result of your 4-H involvement. Over in the columns to the right, rate yourself on these skills at the beginning of the 4-H year, and then now at the end of the year.**

**Back . . . at the beginning of the 4-H year when I first enrolled in this 4-H project**

**Now . . . after I have participated in this 4-H project for the year**
