PIMA COUNTY 4-H/FFA
GENERAL ANIMAL SCIENCE RULES & REGULATIONS
APPLICABLE TO ALL LARGE STOCK AND SMALL STOCK PROJECTS

I. EXHIBITOR REQUIREMENTS:
A. The 4-H/FFA member must be enrolled in the Pima County 4-H Youth Development Program or a Pima County FFA Chapter no later than January 15th of the current program year. Enrollments of member received or postmarked after this date will result in the member not being able to exhibit in the current year’s Pima County Fair. This is not reviewable by the Ethics Review Board.

B. Exhibitor must comply with all membership requirements. The exhibitor must be enrolled at the Pima County Extension Office or with their FFA chapter Advisor no later than January 15th of the current program year. Enrollments received or postmarked after this date may not exhibit in the 4-H/FFA Division of the current year’s Pima County Fair. Submitting an animal for tagging, testing, etc. or providing ownership papers to the project Coordinator will be accepted as evidence of intent to enroll in the project. Late paper work to the Project Coordinator will not be considered intent to enroll. This is not reviewable by the Ethics Review Board.

C. 4-H/FFA members must be in good standing with their local FFA Chapter or 4-H club. Members not in such standing show at the discretion of their Community Club Volunteer or Chapter Advisor. Any decision made by the FFA Chapter or 4-H Club is not reviewable by the Ethics Review Board.

D. 4-H/FFA members wishing to participate in breeding or market: beef, sheep, swine, breeding boer goats, meat goats, or dairy goats, dairy cattle, rabbit single fryer or meat pen, poultry fryer or roaster pen or squab pen must have participated in an AZ Youth for the Quality Care of Animals prior to tagging or ownership dates. The member must provide proof of certification and it must be valid through the current year’s Pima County Fair. Individuals who have not met this requirement will not be allowed to bring animals to the Pima County Fair. This is not reviewable by the Ethics Review Board.

E. An exhibitor may change their membership affiliation from either 4-H or FFA to the other with written approval from both the 4-H Agent and FFA Advisor involved. Such changes made after November 1st, of each year will not affect the current year’s exhibits.

F. Exhibitors must be present when weighing-in or checking their animal(s) in at the Pima County Fair. This is not reviewable by the Ethics Review Board.

G. All animals must be checked in by the latest time allowed by that species, but in any event, not later than 8:00 p.m. on check in day. No animals will be allowed to check in late.

H. Exhibitor must show his/her own animal(s) except in unusual circumstances such as sickness, family emergency, conflict in fair schedule or multiple animals in a class. Other activities will not be considered an exception. The member is responsible to obtain permission from the Project Coordinator for a substitute. Only Pima County 4-H/FFA members currently enrolled in that project may act as a substitute. Violation of this rule will result in the exhibitor being barred from participating for one (1) year in future Pima
County fair in 4-H/FFA divisions.
I. It is the exhibitor’s responsibilities to be aware of show schedules. No scheduling will be changed to accommodate exhibitors entered in conflicting classes.
J. Special Needs: exhibitors with mental/physical disabilities, which limit the exhibitor’s ability to show their project(s) by normal means. Special needs will be handled by either the 4-H Agent or FFA Advisor and 4-H/FFA members on an individual basis.
K. Repeated display of poor sportsmanship on the part of the exhibitor, parents, leader, or any abuse of an animal can result in dismissal from the Pima County Fair at the discretion of either the Project Coordinator, the show Superintendent, the 4-H Agent or the FFA Advisor in charge of the program.
L. Exhibitors who receive Pima County Fair sanctions that result in arrest, a citation or expulsion from the fairgrounds are subject to further disciplinary action by the Pima County 4-H Youth Development Program. Consequences that are a result of this sanction are not open to appeal through the Ethics Review Board.

II. EXHIBITOR DRESS:
A. 4-H members are expected to wear the following attire when exhibiting or performing at a Fair function: Dark solid colored pants or long skirt; collared and sleeved shirt or blouse and tie combination in 4-H colors. Club vests are optional.
B. FFA: Official Dress: black pants, white collared shirt, official jacket and national blue tie or scarf; or approved FFA Chapter attire (preferably agreed upon by the County FFA Advisors).
C. EXCEPTIONS are as follows: Dairy Goats and Dairy Cattle see specific rules, animal divisions.
D. Closed toed and heeled leather shoes are required for safety in all Projects.
E. 4-H and FFA Members are expected to observe the 4-H Dress Code at all times during the 2018 Pima County Fair, including close toed shoes within the barn at all times. To see the 4-H Dress code, visit: https://extension.arizona.edu/4h/sites/extension.arizona.edu.4h/files/resources/Dress_Code_text_picture.pdf

III. ANIMAL OWNERSHIP REQUIREMENTS
A. All animals to be shown must be owned by the exhibitor. The exhibitor must provide proof of ownership as per the Arizona State Livestock Board requirements. Ownership and registration papers must be in the exhibitor's name or proof of possession of same documents at the time of ear-tagging, tattooing, or registration. Exception: school programs where ownership is held by the instructor prior to weigh-in.
B. All requirements of the Arizona State Livestock Board must be met at the time of ear tagging, tattooing, or registration with the Project Coordinator. In all projects, NO SWITCHING FROM ONE CLASS TO ANOTHER WILL BE ALLOWED AFTER THE ENTRY FORM IS ACCEPTED. EXCEPTION: Dairy Goats having freshened; market animals to carcass animals (Sheep, Steer & Swine).
C. All animals must be owned and in the possession of the 4-H/FFA member by their respective project ownership date, but no later than January 15th of the current 4-H year. EXCEPTION: Rabbit meat pen (Mother of Meat Pen must be owned by January 15th of
the Current 4-H year), Rabbit single fryer (Mother of fryer must be owned by January 15th of the Current 4-H year), Poultry fryer pen, Poultry broiler pen, and squab meat pen.  
D. All animals being shown at the Pima County Fair that are required by the State of Arizona Department of Agriculture to have a seasonal pass must be in the possession of the exhibitor at the time of check-in at Pima County Fair.  

IV. ANIMAL LIABILITY  
A. Each exhibitor is responsible for proper security of his/her animals. Each section may have rules regarding security and safety. It is the exhibitor’s responsibility to know these rules and to follow them.  
B. Every effort will be made to protect and care for entries, but in no case will the Project Coordinator, Show Superintendent, or any Fair Official accept responsibility for damage, sickness or loss, which may occur.  

V. ANIMAL HEALTH AND CARE REQUIREMENTS:  
A. All exhibits are to display good health. Any animal showing evidence of disease, parasites, infestation, or deformation may be excused from the grounds immediately by either the Barn Superintendent, or the appropriate Project Coordinator, or the Show Superintendent, or the 4-H Agent or the FFA Advisor, jointly with a Veterinarian. Additionally, any exhibit that in the opinion of the above show officials is or is a hazard to spectators, members or volunteers will be removed from the fairgrounds immediately. This decision is not appealable.  
B. Exhibitors are expected to do daily chores both prior to and during the Pima County Fair. If an exhibitor does not take DAILY care of his/her animal(s), in the feeding, watering, or cleaning grooming or pen/stall cleaning, he/she will be required to remove the animal after the first written warning has been given to the exhibitor, leader, or advisor, and the exhibitor will be barred from participating in the 2018 Pima County Fair. Major cleaning of pens must be done by 10:00 a.m. each day.  
C. All Exhibitors must provide their own water and feed cups.  
D. Animal grooming/exercise: Each animal must be groomed and exercised in its own designated area as defined by the Project Coordinator or Show Superintendent.  
E. The Southwest Fair Commission requires a release slip from Project Coordinator or Show Superintendent, OR Show Management before any exhibit may be removed from the Fairgrounds. The Fair Commission requires all exhibits to be on display until 6:00 p.m. on the last Sunday of the fair, and may not be released unless otherwise notified.  
F. Any exhibitor removing animals without proper permission will be barred from participating for one year in the 4-H/FFA division of the Pima County Fair.  
EXCEPTION: Animals returned for Round Robin, Breeding Animals which are to be removed after the contest.  

VI. CONSEQUENCES AND PENALTIES:  
The consequences and penalties for violating these rules are stated in the Show Code of Ethics.  

VII. INTERPRETATION AND APPEAL:  
A. The interpretation of these general rules is the responsibility of the show management. Show Code of Ethics, C.
B. Anyone wishing to file an appeal of the enforcement or interpretation of a specific rule may do so by filing an appeal according to the Show Code of Ethics, C.

VIII. MISCELLANEOUS:
A. Dogs are not permitted in the Livestock Barn or Ramada, with the exception of 4-H project animals for the express purpose of exhibiting on that day and service dogs (Guide Dogs, Seeing Eye or Hearing Ear dogs, etc.)
B. Only licensed drivers are permitted to operate motorized vehicles on the Pima County Fairgrounds. Only Southwest Fair Commission employees and Department of Public Security officers may operate All-Terrain Vehicles, golf carts, or motorcycles on the Pima County Fairgrounds.
C. No bikes, skates, skateboards, roller blades, scooters, etc. allowed in the livestock areas.
PIMA COUNTY 4-H/FFA
LARGE LIVESTOCK RULES AND REGULATIONS

BEEF, BREEDING DOES, DAIRY CATTLE, DAIRY GOATS,
MARKET GOATS, SHEEP AND SWINE

4-H/FFA members exhibiting the above species must follow both the
General Animal Science Rules and these Large Animal Rules

I. EXHIBITOR AGE:
A. Junior members 9 years but not 14 years old by January 1 of current 4-H year (Oct. 1-Sept. 31.)
B. Senior members 14 years but not 19 years before January 1 of the current 4-H year (Oct. 1-Sept 31.)
C. If it is an exhibitor's first year in that project, he/she may show as a novice in either junior or senior showmanship depending upon age. Any second year or more experienced member will show as a junior or a senior in showmanship depending upon age class.

II. ENTRY DEADLINES:  SEE INDIVIDUAL DEPARTMENTS

III. ANIMAL IDENTIFICATION
A. All exhibits must have been either ear-tagged or tattooed or microchiped and recorded with Project Coordinator and correspond to an entry form. No substitutions will be allowed.
B. If an animal loses its ear-tag, the owner must contact the Project Coordinator via email or telephone within ten days of loss of the tag. If the Project Coordinator is not made aware of the loss of a tag within ten days of loss, the exhibitor will not be allowed to exhibit the animal in question at the current year Pima County Fair.
C. Exhibitors will be required to display a stall card as directed by the Project Coordinator or Show Superintendent. The card is to show the animal’s ear-tag number. Cards must be up by 10:00 a.m., the first Saturday of the Pima County Fair for Breeding and Carcass Swine, Breeding Sheep, Boer Does and Carcass Sheep, and by 10:00 a.m., the first Tuesday of the Pima County Fair for all others.

IV. ANIMAL LIABILITY
A. Each exhibitor is responsible for proper security of his/her animals. All beef and dairy cattle must be tied with a neck rope or chain IN ADDITION to a cattle type halter—to be on animal by 8:00 p.m. on weigh-in day at the Fair. Any animal not properly bound by this time may be refused participation in the Fair and may be dismissed by either the Project Coordinator, Show Superintendent, or other fair official. All goats including kids are required to wear a neck collar or chain AT ALL TIMES but need not be tied.

V. ANIMAL HEALTH AND CARE REQUIREMENTS: - See General Animal Science Rules and Regulations

V. ANIMAL MEDICATION:
A. It is the exhibitor’s responsibility to submit a Market animal with 1) residue tolerances within guidelines established by USDA/FDA and 2) free of the presence of any substance not approved by the USDA/FDA for residues in animals intended for human
consumption. Exhibitors and their families should exercise special care when administering any products to or on their animals. DO NOT use over the counter products made for human consumption or use. Use only products labeled as acceptable for species-specific market animal use. Other products may produce a residue in the meat and render the carcass unacceptable by the USDA/FDA.

B. The exhibitor or his/her immediate family must submit an AZ Youth Livestock Animal Care and Management Statement (drugs, medicated feeds, feed or water additive, growth stimulants, etc.) to the Project Coordinator before unloading any animal at the Pima County Fair. The process record will include the designated withdrawal date for each product. Animals without complete process records will be sent home. The Project Coordinator will notify PCJLSI regarding any withdrawal dates falling within or beyond the Pima County Fair dates.

C. If it is necessary to administer any USDA/FDA approved drug/medication approved for species specific market animal (drug/medication, or feed water additive) during the time 4-H/FFA projects are housed at the Pima County Fair, Project Coordinator must be notified in writing prior to any administrations. If situations warrant, such as medical emergency, that a Project Coordinator cannot be notified prior to administration of drug, medication, or feed or water additive, either the exhibitor or his/ her immediate family must notify the Project Coordinator within ten (10) hours of administration of drug/medication, or feed/water additive except in cases immediately prior to the auction, when notification must take place prior to the animal entering the sale ring.

D. If an animal has received or tests positive for the presence of drugs, medication, or feed or water additive(s) not approved by the USDA, FDA; or if the animal tests positive for residue levels above the USDA, FDA guideline or are not in compliance with the USDA Wholesome Meat Act, that animal will be disqualified.

E. If an animal is disqualified no changes will be made in the placing of other animals.

F. If substances or residues, including drugs, medications, or feed or water additives are found in the tissue or carcass of animals sold through the PCJLSI sale, Pima County 4-H, Cooperative Extension, and the University of Arizona will in no way be responsible for condition of carcass or sale price of animal.

VI. CLASSES AND JUDGING:

A. Animals can be shown as market or breeding, but they cannot be shown as both.

B. Breeding Boer Goats, Breeding Sheep, Dairy Goats, Dairy Cattle and Meat Goats may be entered in the 4-H/FFA Division and Open Division.

C. Each exhibitor will be allowed to show a total of four (4) market animals, but no more than 2 of any species, i.e. 2 lambs, 1 hog and 1 market goat OR 1 hog, 1 lamb, 1 market goat and 1 steer, OR 1 market goat, 2 hogs and 1 steer, etc.. Any market animals shown in excess of the limit of four will be disqualified and any placing of that animal will be null and void. The fifth or later market animal shown by the same exhibitor will automatically be disqualified. This is not open to an appeal to the Ethics Review Board decision. THOSE EXHIBITORS BRINGING IN TWO HOGS OR TWO LAMBS MAY PEN THEIR ANIMALS IN THE SAME PEN.

D. Each project animal must be groomed and exercised in its own designated area as defined by the Project Coordinator.

E. Each project animal on the fairgrounds will have their preliminary fitting prior to check-in at Fairgrounds. ALL GROOMING AT FAIR MUST BE DONE BY A CURRENT YEAR PIMA COUNTY 4-H/FFA MEMBER ONLY. Adults may assist exhibitor in
holding, moving and penning animals. Failure to abide by this rule will result in disqualification by either the Project Coordinator or Show Superintendent of that project.

F. In classes requiring breed determination, the breed will be determined by predominant breed characteristics of the animal. Animals do not have to be registered. Each breed will be judged separately. **Exception: Goats-See Special Rules-Dairy Goats.**

G. All market animals will be weighed on scales at the Pima County Fairgrounds. These scales are certified by the state. This weight will be used to determine exhibit class.

H. Upon arrival at Fairgrounds, market animals must be unloaded at designated area for immediate weighing. Unloading at any other area without permission of either the Project Coordinator or the Show Superintendent may be cause for disqualification. Weight lots not previously determined will be set by the Project Coordinator and Show Superintendent jointly after all animals are weighed. Each animal will be weighed only once.

I. A member may keep an underweight or overweight animal or lambs that have lost their milk teeth, on the fairgrounds until the last Friday of Fair to exhibit in their respective Showmanship Class, if that member has no other animal eligible for showmanship. Animals being shown in showmanship but not going through the sale must be removed from the fairgrounds on the last Friday of Fair between 7 a.m. and 9 a.m. and 4 p.m. and 6 p.m. Those animals not being shown in a Showmanship class, that are underweight or overweight, or lambs or market goats that have lost their milk teeth must be removed immediately.

J. In all classes, the judge’s decision shall be final. In cases of fraud, misrepresentation, error, or collusion discovered after awards have been given, the animal will be disqualified and no changes will be made in the final placement of other animals.

K. Where there is no competition, judges may award one ribbon or no ribbon according to merit. Danish system ribbons will be awarded, BLUE, RED, and WHITE. Numerical ribbons will be awarded first, second, third, etc.  

**BEEF** - MARKET, CARCASS, BREEDING AND FEEDER-Danish  
**SHEEP** - MARKET, CARCASS AND BREEDING- Danish  
**SWINE** - MARKET, CARCASS AND BREEDING- Danish  
**DAIRY CATTLE** - Danish  
**DAIRY GOATS** - Participation ribbons will be awarded to all exhibitors not receiving numerical awards.  
**UDDERS** - Will be judged in each individual class by numerical system, to the first three places only.  
**MEAT GOATS** – Market and Breeding – Danish  
**BOER GOATS** - Danish

L. "FOR SALE" signs, PROVIDED BY PROJECT COORDINATOR OR SHOW SUPERINTENDENT, may be posted on breeding animals after their judging. No "FOR SALE" signs will be posted on market animals. EXCEPTION: "FOR SALE" signs provided by Dairy Superintendent, may be posted on dairy breeding animals for duration of show. Animals sold will not be released before check-out on Sunday at 6:00 p.m.

**VII. ARRIVAL AND RELEASE:**

A. The Southwest Fair Commission requires a release slip from Project Coordinator or Superintendent before any exhibit may be removed from the Fairgrounds before 6:00 p.m. the last Sunday of the Fair. In addition, the Fair Commission requires all animal
exhibits to be on display until 6:00 p.m. the last day of the Fair. Animals may not be released before that time, unless otherwise notified.

B. ANY EXHIBITOR INDIVIDUAL REMOVING ANIMALS WITHOUT PROPER PERMISSION MAY BE BARRED FROM PARTICIPATING IN FUTURE PIMA COUNTY FAIRS IN THE 4-H/FFA DIVISION FOR ONE YEAR.

EXCEPTION: Health and Care Requirements Rule V D 1; Round Robin Rule VIII E; Livestock Division Specific Rule VI E; and Breeding Animals which are to be removed between 5:00 p.m. and 6:00 p.m. the last Sunday of the fair.

VIII. SHOWMANSHIP:
A. There will be showmanship in the following departments: Alpaca, Beef, Sheep, Swine, Dairy Cattle, Dairy Goat and Meat Goat. The Danish system of judging will be used.
B. Each showmanship division will select a Champion and Reserve Champion Showman.
C. Novice means not previously enrolled in 4-H or FFA in a particular project area (i.e. a member has been enrolled in 4-H in the swine project for three years, but this is his/her first year enrolled in beef...the member is a novice in the beef project only). An exhibitor that meets the criteria for novice may compete in junior or senior division rather than novice if he/she so chooses.
D. Exhibitors who wish to participate in showmanship must register for the contest on the entry form submitted prior to the Fair—Beef, Market Goat, Sheep, and Swine at the time of ear-tagging. Dairy Cattle, Dairy Goats, and Alpacas on the entry form by March, 15th of the current program year.
E. If the exhibitor is showing in Showmanship, the exhibitor must use his/her own market animal unless the exhibitor has only breeding animals at the Fair.
F. Exhibitors will be judged on the appearance of animal and exhibitor. Appearance of the animal will include condition of feet, hair, and hide. The animal should be groomed according to approved breed standards. Exhibitors will be judged on ability to move or stand animal as directed by the judge. The judge may also ask questions pertaining to the project.

IX. HERDSMANSHIP CONTEST:
A. Herdsmanship awards will be awarded to each 4-H Club or FFA Chapter having at least one member exhibiting at the Fair. The awards will be presented at the Exhibitors Meeting on the last Sunday of the fair. Herdsmanship will be judged daily from Tuesday morning through the last Sunday morning.
B. Herdsmanship will be judged on the following:
   - Appearance of pens, stalls and general, 50 pts per day (See new score sheet)
   - Promotional and educational exhibits, 100 pts (Will be judged once, on Tuesday.)
   - Exhibitors cooperation and behavior, 100 pts (Determined by the Project Coordinator. Based on participation in project booth)
   - Workday participation, 100 pts. (as a % of total club project)
C. Educational Displays:
   - The following rules shall apply to promotional educational displays.
     - display will be suspended above pens, stalls, or on walls allotted to this exhibitor or club
     - display must be made by exhibitors and clearly exhibit club name

IX. ROUND ROBIN SHOWMANSHIP - LIVESTOCK:
A. Winners of the Junior and Senior showmanship contest for Beef, Sheep, Swine, Dairy Cattle,
Dairy Goats, Market Goat and Horse are required to participate in Round Robin Showmanship.

B. The Round Robin contest is open to the Champions of their respective showmanship division in Beef, Sheep, Swine, Dairy Cattle, Dairy Goat, Market Goat and Horse.
   a. As soon as possible after each show, the Champion Showman (junior and senior) must notify the Project Coordinator whether he/she will be able to participate in the Round Robin contest.
   b. Only Champion or the Reserve Champion (if Champion declines) showmanship winners are eligible. If the Champion is unable to participate due to various reasons, the Reserve Champion will represent the project in the Round Robin contest and receive points along with any awards.
   c. In the event that one exhibitor is the winner of a showmanship contest in more than one species, that showman must select the project they want to represent in the Round Robin Showmanship Contest within 30 minutes of the last division won. The Reserve Champion of the remaining species will represent those areas in the Round Robin Showmanship contest. If both showmen cannot participate in the Round Robin contest that species respective age group (Jr. or Sr.) will not be represented.
   d. The Project Coordinator must notify the Reserve Showman of his/her eligibility and sign the 4-H/FFA member up for the Round Robin contest.

C. Animal Selection
   a. Animals deemed suitable for the Round Robin show will be selected by the Project Coordinator/Project Superintendents.
   b. Project Coordinators/Project Superintendents reserve the right to not allow a certain animal to participate in the Round Robin contest.
   c. No matter the species, no animals of the Round Robin contestants will be used for the Round Robin contest.
   d. All animals brought to the fair and are shown in the 4-H/FFA show will be considered potential candidates for the Round Robin contest.
   e. Project Coordinators/Project Superintendents are responsible for notifying the Round Robin Committee Chair of the animals selected by noon on Friday.
   f. Project Coordinators/Project Superintendents are responsible for notifying the animal’s owner that their animal will be used in the Round Robin contest.
   g. Notwithstanding rule VI N, livestock exhibited in Round Robin contest but not consigned to the livestock sale will be released at the conclusion of the Round Robin contest.

D. Round Robin Contest
   a. There will be 7 species of animals shown: Beef, Sheep, Swine, Dairy Cattle, Dairy Goat, Market Goat and Horse.
   b. All 7 Junior contestants will compete together.
   c. All 7 Senior contestants will compete together.
   d. When the Junior or Senior contestants come into the ring for each species they will draw a number which will indicate the animal they will show during that section of the Round Robin contest. When each animal handler brings their animal into the ring they will draw a number to signify the animals’ number for the Round Robin contest.
e. Animal handlers will wear a number which will correlate with the animal they are handling.

f. Junior and Senior contestants will not be scored or participate in the species they are representing in the Round Robin contest. However, they will be asked to act as the ring steward for their species.

g. Each class/round will be 8 minutes long.

h. Between every class/round will be a 4 minute rotation period.

i. The show order will be determined by the Round Robin contest committee or Chair.

j. At the end of the contest, awards will be presented to the Junior and Senior contestants.

E. Rule Variations

a. In the rare instance during the Pima County fair, if any variation or exceptions to the rules stated above needs to occur due to a special circumstance, the Round Robin Committee Chair will be the one to address the situation.

b. All other changes to the Round Robin contest during non-fair days will be addressed by the Round Robin committee.

F. Contestants

a. Each exhibitor will wear his or her assigned Round Robin show number visibly for identification.

b. The respective Showmanship Dress Code will apply.

c. It is the responsibility of the contestant to use the informational notebook provided and to seek out the expertise of their 4-H peers in how to properly handle and show animals.

d. All Round Robin contestants must be present with an animal of their species on the last Friday morning of Fair at 9am. Participants will be allowed to practice with each species and ask questions.

G. Project Coordinator/Project Superintendent is responsible for:

a. Notify the Champion or Reserve Showman of his/her eligibility and sign the 4-H/FFA member up for the class.

b. Selection of animals for the Round Robin contest.

c. Notifying the Round Robin Committee Chair of the animals selected.

d. Notifying the animals’ owner that their animal will be used in the Round Robin contest.

e. Making sure animals are prepared for the Round Robin contest.

f. Providing 6 animal handlers (preferably the youth that own the animal) to bring the animals and any necessary show equipment into the assigned ring.

i. Animal handlers will turn the handling of the animal and equipment over to the Junior or Senior contestant that draws the animal’s number.

ii. After the Judge has finished with the class the contestant will turn the handling of the animal and equipment back over to the same animal handler.

iii. After both Juniors and Seniors have shown the class, animal handlers will take the animals out of the ring.
The Pima County 4-H/FFA Beef Division is subject to all rules of the following:

- Pima County 4-H/FFA General Animal Science Rules & Regulations
- Pima County 4-H/FFA Large Livestock Rules and Regulations
- Pima County Junior Livestock Sales, Inc. Auction Rules
- Pima County 4-H/FFA Department “A” Beef

OWNERSHIP DEADLINE: January 15, 2018. Ownership must be recorded with the current Project Coordinator. In order to exhibit in fair classes, the exhibitor must provide proof of ownership of the steer, heifer, cow, or bull calf on or before the ownership deadline. The exhibitor must also provide proof of ownership as per the Arizona State Livestock Board requirements for Seasonal Pass Self Inspection Certificate. Ownership and registration papers must be in the exhibitor’s name or family herd name at the time of registration. Grade (non-registered) animals must have at least one of the following: ear tags, tattoos, or photo identification of all 4 sides of the animal and any distinguishing marks noted. Copies of registration papers and livestock inspection papers and at least 1 of the previous listed identifications must accompany ownership forms submitted by club project or community leaders. Calves born after the January 15, 2018 but before April 1, 2018, from cows owned by the exhibitor (and with ownership paperwork on file), can be shown by the exhibitor at fair. Exhibitor needs to turn in documentation by midnight April 1st on newborn calves and all animals showing at fair. Check schedule of classes for age requirements of animals eligible to be entered in the Pima County Fair.

CHECK-IN:   
Monday, April 23, 2018 10:00 am – 8:00 pm. No Exceptions for early or late arrivals. All Animals must be inspected by Coordinator prior to tying in the barn. All seasonal pass self-inspection certificates and supporting documents must be provided to coordinator to verify animals identification upon inspection. Arizona State Livestock Seasonal Passes and ownership paperwork must be verified as well as animal inspections will be documented upon check-in at fair by Project Coordinator. All clubs will be entered into herdsmanship automatically and are strongly encouraged to display educational posters and information related to the fair theme. Individual club areas will be assigned by the project coordinator club leaders must verify club location prior to setting any displays or barriers, no exceptions. Judging of herdsmanship will occur daily beginning Tuesday April 24, 2018 and ending Sunday April 29, 2018, judging times and officials will vary throughout the week. Herdsmanship is judged on several categories including participation, interaction with others, care of project animals, cleanliness of stalls and barn aisles, display appearances and educational value. Members with milking animals will be required to provide all of their own milking equipment including a cattle stand or restraint for their animals. To prevent over bagging of udder, milking cows must be milked out between 5:00 p.m. and 8:00 p.m. on Tuesday, April 24, 2018, milk out inspection by project coordinator is mandatory to be eligible to show!

SHOW DATE:   
Wednesday, April 25, 2018 at 11:00 a.m. Order of show will be determined by project coordinator and number of entries in each division.
TAKE PRIDE IN YOUR PROJECT. PLEASE CLEAN UP THE BLEACHER AND ARENA AREAS AFTER YOUR SHOW.

The Pima County 4-H and FFA Dairy Cattle Division is subject to all rules of the 4-H/FFA Livestock Division and the following special rules specifically for the Dairy Cattle Project.

SPECIAL RULES (based on The Purebred Dairy Cattle Association (PDCA) Show Ring Code of Ethics):

Dairy cattle exhibitions are conducted under standards for evaluating conformation established by the PDCA Unified Score Card (2015), with specific breed characteristics taken into consideration by the show judge. The Purebred Dairy Cattle Association, Inc. is a federation of the national dairy breed registry associations serving breeders and owners of Ayrshire, Brown Swiss, Guernsey, Holsteins, Jersey, Milking Shorthorn and Red and White dairy cattle. Miniature Dairy Breeds are also included in our county 4-H show and will follow the same rules as standard breeds. PDCA and its member organizations promote the added value and profitability registered dairy cattle offer all dairy business owners.

In this project, animals will be groomed and prepared for the judge’s evaluation in order to display the animal’s natural contour, conformation, performance and mobility.

Specifically:

1. **All Dairy Cattle must have complete body clipping prior to arrival at Fairgrounds or they will not be shown.** Note: The maximum allowable length of naturally growing hair anywhere on the topline is not to exceed 1” if a “topline clip” is being done; everywhere else is to be completely shaved. Once animals are inspected by the project coordinator and tied in the barn at check in, no further clipping of body hair is allowed. Exempt from this rule is close clipping of the udder for lactating cows.
2. Addition of foreign objects or cosmetics, including but not limited to hair or hair substitutes, cloth or fiber, to change the natural contour or appearance of the animal’s body is forbidden.
3. No horns or scurs over 1 inch long.
4. All Dairy Cattle must be of Dairy Breeding and show dairy breed characteristics. No beef cross breeds allowed. Registered animals and grade animals will be shown together according to breed representation and age. Crossbred Dairy Breeds are allowed and will show with the most prominent breed characteristics.
5. Heifers must calve **prior to reaching 30 months of age** in order to be exhibited in any class.
6. Animals must have appropriate papers, clearly describing the animal, in the name of the exhibitor. As well as **Arizona Livestock Seasonal pass**, on file with coordinator as well as original documents for check in.
7. All bull calves must be born **after October 15, 2017** to be shown in the 4-H/FFA Division, proper documentation of birth date must be provided to coordinator (self-inspection papers from purchase or birth place, ear tag, etc) Any bulls with behavioral issues, must wear a permanent nose ring at any 4-H function.
8. All exhibitors must have a barrier at least 48” in height surrounding their animals. This may be fencing or corral panels with straw bales or other form of barrier preventing spectators from injury; however fencing is preferred for safety reasons.
9. All animals must be double tied, with a halter and neck rope, except calves less than 3 months old which can be penned in secure fencing. No enclosed stalls will be available for 4-H dairy animals, only tack can be kept in stalls unless barn superintendent and project coordinator agree the use of a stall is warranted. Animals must be exercised outside of the barn at least twice a day by exhibitors.
10. It is an established and recommended practice for dairy cattle exhibitors to wear white shirts and white pants, and a 4-H tie in the show ring. (Black pants may be worn under special circumstances,
with Coordinator's permission) Club vests are optional and must not have club or member names visible.

Exhibitor Responsibility

The act of entering an animal in a 4-H livestock show is the giving the 4-H owner/exhibitor absolute responsibility for the wellness and care of that animal(s) for the duration of the fair. Parental assistance is limited to heavy lifting of equipment or supplies and intervention for safety of the animals, exhibitors, and the public. In cases where the 4-H child is not able to lift, properly handle equipment, or complete caretaking in a safe manner an adult is allowed to assist if there are no other 4-H members available to help. For example, members with milking animals may need assistance with making sure the cow is properly milked out and equipment is handled properly. However, the child should be able to complete the task on their own with supervision of a parent or leader. Preparations for show need to be completed ENTIRELY by the exhibitor, parents may hold the towels or brushes, even the animal if there is not a safe place to tie or secure them, but the member shall complete all the grooming on their own. In instances where a child may have other obligations, events or illness that prevent them from taking care of their animals themselves, another 4-H member must be asked to assist in feeding, water and cleaning stalls these tasks are not to be done by a parent or leader. On dairy cattle show day parents may be seen picking up manure from aisles, stalls, and arena side while their child is preparing for show which is acceptable but not on a regular basis throughout the fair nor in volume that requires wheel barrow assistance to dispose of. Asking an older or stronger 4-H member for assistance with an animal that is misbehaving is acceptable 4-H etiquette and only in instances there are no 4-H members available, shall parents and leaders intervene as safety always comes first for members, the public, and animals.

This rule book provides for absolute responsibility for an animal’s condition by an owner, exhibitor, or parent whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in infringement of this quality assurance. At all times, exhibition livestock shall be treated in a humane manner and in accordance with dairy quality assurance practices so as to protect the health, safety and welfare of the livestock and the consuming public. No person shall present for exhibition or exhibit an animal which he or she knows, or has reason to suspect, is affected with or has been exposed to a dangerously contagious or infectious disease, or illegal or non-approved use of drugs, medication and/or prohibited substance nor animals showing signs of malnutrition. The position of the PDCA and 4-H is that all animals presented for exhibition shall be in their natural conformation and structure, free of any alteration or modification by injection or internal or external administration of any substance or by any involvement in unethical fitting.

Dairy cattle exhibitors shall at all times display themselves with honesty and good sportsmanship. Remember, “If you can’t loose with a smile, don’t enter the show ring”.

Violations: False, Deceptive or Unacceptable Practices

Complaints of alleged violations can be reported to the Project Coordinator, and/or the County Extension agents. Complaints that are made about excessive parental involvement to the project coordinator will be taken seriously. The family in question will receive one (1) warning with instruction to change the practice, if no changes are made and the practice is continued they will receive a discipline as outlined in the Violations sanctions* below.

The following practices are violations of the Show Ring Code of Ethics and will be reported to show management and may be reported to the respective fair officials:
1. Misrepresenting the age and/or milking status of the animal for the class in which it is shown.
2. Balancing the udder by any means other than by naturally produced milk in any or all quarters of the udder. Using any device to artificially create or enhance the udder crease, plugging of teat canal with foreign substances, setting teats to alter their normal position or length are also unacceptable practices.

3. Striking the animal to cause swelling in any area.

4. Surgical or unethical insertion of any matter under the skin or into body cavities, performed to change the natural contour or appearance of the animal’s body (e.g., administration of fluid via a stomach tube or other similar apparatus to fill the rumen), though not to preclude practices required or involved in normal management. Not included is the removal of warts, teats and horns, clipping and dressing of hair and trimming of hooves.

5. The Coordinator must be notified of administration of a drug of any kind or description, internally or externally, to any animal on the grounds during the fair.

6. Criticizing, challenging or interfering with the judge, show management or other exhibitors while in the show ring or other conduct detrimental to the breed or the show. Challenging, threatening or interfering with an ethics committee appointed by show management to monitor the animals on exhibit on the show grounds.

7. All animals are subject to examination during judging. If an animal is exhibited and a violation of the Show Ring Code of Ethics is subsequently suspected, investigated, and determined to have occurred, the violation will be reported to the 4-H Ethics Committee and show management for action. The Exhibitor will be notified of the violation and the supporting evidence and invited to defend or explain the allegations.

*Violations are subject to the disciplinary provisions of show management, 4-H General Rules, and the state law if necessary. Sanctions may include any one, or combination of the following:

a.) Forfeiture or return of awards and prizes
b.) Written letter of reprimand to the owner, exhibitor, and family
c.) Disqualification of the exhibition livestock from an exhibition
d.) Disqualification of the Exhibitor from the show. Disqualification may include any or all shows and classes and may be for any number of years.
e.) Publication of offense

**Pima County Dairy Steer Project**

The dairy steer project is designed to provide an opportunity for 4-H and FFA members to develop an understanding of the dairy cattle project as a whole by bottle raising a dairy bull calf (that must be castrated to become a steer) from shortly after birth through weaning. Members are responsible for feeding the calf to a marketable weight and making their own buyer/seller arrangements. This is a 'terminal livestock project' (not a pet project) intended to teach participants about the commercial production of meat animals. “Fed dairy steers make up about 15-20 percent of all fed cattle sent to market for beef production.”(Wardynski, Frank, Michigan State University Extension, 2012) All calves will need to be sold or processed on owner’s terms they will not sell in the 4-H livestock auction. This project offers a lesser expense, than raising a beef bred steer, as dairy bulls are sold for significantly less at young ages than beef breeds. Purchase price of dairy steers can range from $10 to several hundred dollars depending on age and health, cost of feed and care can range as well but, families should expect
a minimum of $400 if the calf is purchased in Dec./Jan. and properly fed quality milk replacer or milk until a minimum of 8 weeks old and proper amounts of quality hay and grain, given proper vaccinations and deworming, dehorning and castration (these costs increase significantly more if the animal is purchased earlier in the 4-H year).

In order to participate in the Pima County Dairy Steer Project youth must be eligible 4-H or FFA members, complete Quality Assurance course, and provide proof of ownership including self-inspection papers, tattoo and/or ear tag information as well as photos of both sides of the dairy steer calf including a face shot in at least one of the photos. Participants must provide a suitable environment for raising their calf. An enclosed area is needed to keep the calf safe from predators; a fenced pen with a large dog kennel can work for the first month depending on the size of the dairy steer calf you purchase. It is extremely important to keep calves warm and dry in winter months and provide shade in warmer months. Members must have the commitment to keep dairy calves healthy and growing by feeding milk or replacer at body temperature 100 degrees Fahrenheit at least twice a day at a rate of 8% of the calves body weight the first week and at least 10% of its body weight starting the second week. Start calves eating hay and grain by putting a small amount out for them at a time as it is consumed increase the amount and provide fresh clean water at all times. At each feeding calves need to be closely inspected for signs of illness (reluctance to eat, watery eyes and nose, diarrhea and standing hunched over are all signs a calf is becoming ill). Bottle feeding calves can be a lot of fun however it is of utmost importance that all equipment be kept clean and sanitary. When a calf has had time to adjust to their new living environment and is eating well it will be time to halter break the calf. This requires time and patience. Youth will need adult supervision and encouragement, but will only learn life skills by doing this work themselves. Youth must be willing and able to contribute significant amounts of time and attention to their animal. There is little equipment expense required as dairy steer participants will need a rope halter and neck rope for tying steer at the fair and a dairy show halter with a chain on the lead that properly fits at fair show time. Dairy steers will be show clipped as all other dairy bull calves or heifers which is up to the participant to provide the clippers and groom the animal prior to fair. Hoof care will also be the participant’s responsibility and expense.

All steers must adhere to all General livestock and dairy cattle project rules that apply with the addition of the following project requirements:

1. In order to participate in the Pima County Dairy Steer Project, youth must be eligible 4-H or FFA members.
2. Exhibitor must complete Quality Assurance and be validly certified.
3. Steer must be properly castrated as a calf by some form of banding device or by a veterinarian.
4. All Steer must be of recognizable dairy breed with no Beef crosses being allowed, mixed dairy breeds are acceptable.
5. Steer must not reach an age over 2 years at fair weigh-in (verifiable by checking teeth eruptions). Steers must be an appropriate weight for their age and breed (dairy calves should weigh approximately 425 pounds at six months of age) Please refer to the Dairy Calf and Heifer Gold Standards at: http://www.calfandheifer.org/?page=GoldStandards.
6. Steer must be either ear tagged or tattooed with their date of birth in the Right ear and Left ear with their self-inspection ID number and be photographed from both sides with at least one photo having a face shot, photos must be turned into the dairy cattle coordinator with ownership paperwork and quality assurance certification on or before January 15th of the project year.

7. Self-inspection and seasonal passes will be required for fair check in.

8. Weigh in of steers will take place by Tuesday, April 24, 2018 at 10:00 a.m. (or at the discretion of the project coordinator and/or extension agent)

9. Steers classes will be determined based on the weight range of the project animals at fair.

10. The Dairy Cattle Project Coordinator reserves the right to make any changes or split any class or classes as is deemed necessary.

11. Members who own more than one dairy animal whether a cow, heifer, or steer shall declare at ownership deadline which animal will be selected for use in their age appropriate showmanship class. Bull calves will not be allowed in showmanship, unless the member only has ownership of a bull calf.

Classes will be divided according to breed (Holstein, Jersey, Milking Shorthorn, Guernsey, Ayrshire, Miniature Jersey, and Crossbred Dairy Breeds), age, gender, and number of entries. All animals must be eligible to be shown in breed Classes in order to be shown in Showmanship. Exhibitors must show their own animal in Showmanship in order to participate.

Thursday, April 19th, 2018

CHECK-IN TIME: START TIME:
8:00 a.m. – 9:00 a.m. 9:00 a.m.

SHOWMANSHIP DATE:
Friday, April 20th, 2018

CHECK-IN: START TIME:
4:00 p.m. – 5:00 p.m. 5:00 p.m.

AGILITY AND RALLY SHOW DATE:
Saturday, April 27th, 2018

CHECK-IN: START TIME:
8:00 a.m. – 9:00 a.m. 9:00 a.m.
A. Members and dogs must be actively enrolled in the 4-H Dog Care and Training Project ninety (90) days to participate in 4-H County Fair Dog Show. Exception: Guide Dog Puppies.

B. All dogs brought to the Fairgrounds must be licensed with Pima County Animal Control, and be current on their annual vaccinations.

C. Aggressive dogs are not permitted in 4-H Dog competition. Dogs that have shown some aggression but have been worked can be shown, permitted they have the following: 3 leaders sign off on the dog and these three leaders have seen the dog’s behavior, tested the dog and the behavior is no longer aggressive.

D. Under no circumstances is anyone allowed to approach the judge or stewards with a dispute or problem during the show. It must be taken to the Dog Project Coordinator, whose decision will be considered final for that day. Any grievance will be discussed at the next dog leader meeting.

E. Exhibitors are responsible to be ready at ringside when their class is called or they miss the class. If an exhibitor is exhibiting in another project or class which conflict with the dog show, member should notify the dog project coordinator for all projects involved in case there is flexibility in show order.

F. Dogs receiving a qualifying score of 170 or above may move up to the next level in pre-novice, pre-graduate novice. Dogs are not allowed to move down levels. Please refer to class descriptions.

G. Dogs not entered in the show may not be brought to the show grounds.

H. The following pertain to Ownership, Show & Training:
   a. Dogs must be trained and shown exclusively in obedience, showmanship and/or agility by the 4-H member during the project year beginning October 1, 2017 and ending September 30, 2018. Dogs must be 1 year old by fair. For the Agility Classes Levels 2 and 3, the dog must be at least 18 months old. Dogs must be owned by youth or immediate family member. Other situations will be reviewed on a case by case basis.
   b. A 4-H member may show as many dogs as wished in Obedience classes, however, all 4-H members are limited to one regular obedience class per dog and one dog per class. These dogs may be entered in either or both of the non-regular obedience classes.
   c. A 4-H member may show one dog in the appropriate regular (Novice or Open) showmanship class.
   d. Classes may be combined in an effort to expedite the show providing that it maintains the 12-dog limit for long sits and downs. Changes will be announced and members will be given a five-minute warning. Classes will be scored separately.
   e. All classes will be judged by the Pima County Obedience Guidelines and Judging Guidelines.
   f. All Pre-novice members will hold their leashes in their hands.
   g. TEAM: At least two (2) of the four (4) dogs must be trained no higher than at the level at which the team is entered and no dog may be entered in a class more than 1 step below what they are being shown at. All teams will be a minimum of three members.
h. Posters and other educational displays will be shown in accordance with the Old Pueblo Hall Building Rules and Guidelines. Exhibits must be of an original idea and must be original work to be eligible for competition. Others may be entered for exhibition only. Posters and displays entered in Old Pueblo Hall must be picked up on the last day of the Fair at check-out time by the exhibitor. **Any posters, etc. not claimed may be lost.** All posters to be judged MUST be entered on Fair entry form. Posters must be turned in by deadline (See Old Pueblo Hall Rules)

I. The following pertain to Elimination Guidelines:

a. Female dogs in season, must be reported to the leader and to the project coordinator. Females in season must be kept away from other dogs in marked area and crated. Accommodation will be made for these females as much as possible. Pregnant, within four weeks of due date, or bitches with litter four weeks of age or older but still lactating (producing milk) must have veterinarian approval before being shown. Letter must be submitted at time of check-in.

b. For the protection of the other project dogs, the project coordinator or county extension agent, jointly with a veterinarian, if available, have the right to reject any exhibit showing evidence of disease or parasites and to include lameness, disease or improperly cared for dog.

c. For the protection of the 4-H members, their dogs and spectators, aggressive behavior by the dog will eliminate the dog from further competition at the current Pima County Fair. This decision will be made by the Project Coordinator or county agent. Aggressive behavior will be considered as a dog that continues to show aggression when removed or isolated from other dogs.

d. Any display of poor sportsmanship on the part of the handlers will eliminate the handler from further competition at the current Pima County Fair Dog show. **This decision will be made by the Project Coordinator.**

e. Dogs must be on leash and crated and attended at all times. **Any loose dog or one which is tied and left unattended may be excused from any further competition that day.** This decision will be made by the Project Coordinator. For all shows, an area away from the immediate show area or barn will be designated as a warm up and exercise area where dogs may be outside of their crate. Dogs may also be out of the crate for regular bathroom breaks, grooming sessions, exercise breaks, and warm ups as long as they are away from the immediate show vicinity and practice proper spacing around other dogs.

f. The Pima County Fair, Pima County Cooperative Extension and their representatives will not be responsible for loss of, damage by, or accidents to dogs, exhibitors, or spectators.

g. Exhibitors may not accept coaching or training while in the show ring. Acceptance will result in disqualification from that class. This decision will be made by the judge, Project Coordinator and County Agent.

J. The following pertain to Equipment & Care:

a. All grooming the day of the show must be done by the 4-H member.

b. All dogs must be brought to the show on a six (6) foot training leash and either a flat buckle collar, travel or training collar. Dogs must be shown only on a show lead or training collar with a 6 foot leash. Nothing except the leash may be
attached to the collar in the ring. Dog licenses should be attached to a flat buckle collar and removed prior to entering the ring. All equipment including collars must be quality approved and signed off on by your project leaders at show check-in by your project leaders prior to any show. Only leader approved collars and chains will be allowed to enter the show. No pronged collars will be accepted at the Pima County Fair.

c. Exhibitors are responsible for bringing their own shade, water, and feed for the dogs. Additionally, exhibitors are responsible for allowing adequate time for their dogs to relieve themselves prior to entering the ring. ALL MEMBERS MUST CLEAN UP AFTER THEIR DOGS.

d. Rings should be no less than 40 feet by 50 feet, with at least a 4-foot buffer.

K. The following pertain to Dress of the Exhibitor:
   a. 4-H members are expected to wear the following attire when exhibiting or performing Obedience and Showmanship at a Fair function:
      i. Dark solid colored pants or skirts (jeans are fine).
      ii. Collared and long or short sleeved shirt or blouse and tie combination in 4-H colors.
      iii. Club vests are optional.
      iv. Belt, if loops are provided.
   b. Agility and Rally:
      i. 4-H members may wear 4-H dress or club t-shirt (unaltered, sleeved) and long pants/skirt.
      ii. Closed toe shoes.
      iii. Dogs may not wear clothing or other adornments.

L. The following pertain to Agility:
   a. 4-H members and their dogs must qualify by:
      i. Being entered in Obedience.
      ii. Leader must submit certificate of readiness.
   b. All exhibitors enter at their dog's own risk.
   c. All exhibitors must agree to abide by all rules and regulations, as outlined in the agility guidelines.
   d. There is a two dog limit for Agility Levels Two and Three.

M. The following pertain to Obedience Class Descriptions (If you are unsure about what class you should be in, check with your leader, show superintendent or the project director):
   a. Pre-Novice A: (Junior and Senior) This class is for first year members with first year dogs only.
   b. Pre-Novice B Open: This class is for any exhibitor that has:
      i. Trained a dog, any dog, in 4-H at that level.
      ii. A dog that has not received a qualifying score of 170 at the Pima County Fair.
      iii. Experienced dog with new handler.
   c. Pre-Novice C Open: This competitive class is for an exhibitor that has shown a dog in 4-H and that dog has received a qualifying score of 170 at the Pre-Novice level at the Pima County Fair but cannot/does not want to show at the Novice level. There is a two year maximum for participation in this class.
d. Novice A: (Junior and Senior) This class is for members who have never shown a
dog (any dog) at the Novice level ONLY.
e. Novice B: This class is for any exhibitor that has:
   i. trained a dog, any dog, in 4-H at that level.
   ii. a dog that has not received a qualifying score of 170 at the Pima County
       Fair.
f. Pre-Graduate Novice: This class is for any dog that has not received a qualifying
    score of 170 points at a Pima County Fair at the Pre-Graduate Novice level.
g. Graduate Novice, Open & Utility: Are open to any age, any experience handler or
dog.

SMALL STOCK AUCTION:
Sunday, April 29th, 2018

FAIR CHECK OUT DATE:
Sunday April 29th, 2018, 6:00 p.m.
A. Each exhibitor is limited to 20 animals unless there is a shortage of space/cages, excluding meat pens, posters/displays, and eggs. Exhibitors will be notified in advance of check-in if there is a shortage of cages.

B. Exhibitors are encouraged to show only their best exhibits. All animals exhibited must be in good health. Each animal will be visually inspected by the Project Coordinator or designee prior to cage assignment. Any animal showing evidence of disease, parasites (i.e. lice, nits), infestation, or deformation may be excused from the grounds at the Project Coordinator/ Superintendents discretion.

C. Any exhibitor having more than one entry in a class or lot called to the show tables may have assistance from other 4-H/FFA members (in show dress) only.

D. For all judged shows, 4-H/FFA members must be in show dress as defined in the General Animal Science Rules & Regulations under Exhibitor Dress.

E. All breeds accepted by the American Poultry Association, and the American Bantam Association, as stated in the Standard of Perfection, may be exhibited by 4-H/FFA Small Stock exhibitors.

F. Chicks may be brought with mothers only as part of an educational display with prior approval of Project Coordinator.

G. Exhibits (including meat pen animals) must have been banded and correspond to entry form. Only exhibits to be judged may be brought to the Fair unless prior arrangements have been made with the Project Coordinator. NOTE: Bands must include a number, colored bands (i.e. bands without numbers) are not acceptable.

H. Exhibits may also be entered in Open Division Show; however, Open exhibits must be removed from the barn until check-in time the following day. Exhibits not removed from the Open Division show will be disqualified from exhibiting in the current Small Stock 4-H/FFA Division.

I. Under no circumstances will eggs be removed from exhibitors cage by anyone, except those authorized by the Project Coordinator.

J. NO GAME COCKS WILL BE ALLOWED ON THE FAIRGROUNDS. This does not include Old English Bantams and American Game Bantams

K. The following rules apply to all Meat Pen classes:
   a. Exhibitors in Meat Pen classes are limited to four entries of chickens. One (1) entry in broiler, one (1) entry in fryer, and two (2) in heritage pens.
   b. Meat pens should show the 4-H/FFA member's ability to produce high quality meat for the table. The time required varies with each project.
   c. Poultry Meat Pens: Raise three (3) live chicks from day-old chicks to 6 to 8 weeks old (for fryer or broiler) or 18 to 22 weeks (for heritage pens). Meat pen should be uniform in appearance and size. Entries must be banded and number(s) must correspond to the entry form. Fryers must weigh 3 ½ to 5 pounds each. Broilers must weight over 5 pounds each. Heritage pens must be uniform in size, but since the heritage project does not consist of one breed, weights are not limited. Heritage pens will have a recorded weight and the judge will base his/her choice on uniformity and overall production quality.
   d. All meat pens must have their band numbers assigned and be listed on the Poultry Show Entry Form at entry form deadline, March 15, 2018.
   e. See general small stock requirements.

L. The following rules apply to the Laying Hen class:
   a. Only one entry per exhibitor is allowed. Exhibitors do not need to specify the breed or variety of the hen on their entry form.
b. Hens will be judged on their current production characteristics only without regard to breed or beauty.
c. Laying hen class will be judged in their pens by the judge.

M. The following rules apply to the Egg class:
   a. One-half dozen (6) eggs will constitute an entry. **Entries with fewer or more than six eggs will be disqualified.**
   b. Only one (1) entry per exhibitor per lot allowed: white, cream, brown, blue or green chicken, duck or any other eggs.
   c. On entry form, place egg entries under lot and class number using the word "EGG" under "Breed", and "COLOR" of the egg entry under "Variety". Use different line for each egg entry.
   d. Eggs must be clean.
   e. All eggs in an entry must be of a single size group (small, medium or large).
   f. Eggs will be judged for internal and external quality.
   g. Eggs must be entered in egg cartons only.

N. The following rules apply to Showmanship classes:
   a. Poultry showmanship will be divided into chicken, waterfowl and turkey showmanship. When a class is broken into two or more sections, special blue awards will be given to outstanding showmen and asked to come back to compete for the Round Robin. Callbacks are at the judge’s discretion.
   b. Showmanship winners from previous years are eligible to compete.
   c. **Exhibitors must use their own exhibit in the showmanship competition. Showmanship exhibits must also be entered in the breed show, or in another judged lot.** If a showmanship animal dies, the exhibitor must obtain special permission from the Project Coordinator to use another bird.
   d. Exhibitors who wish to participate in Showmanship must register for the contest on their Fair entry forms at the top of the form. Note: those who wish to participate in the Small Stock Auction must participate in Showmanship.
   e. Showmanship will be judged on the exhibitor's ability to show their own animal to its advantage and their knowledge in handling, fitting and selecting animals for production and show. The judge may also ask questions pertaining to the project.

O. The following rules apply to Judging, Show, and Awards:
   a. Each breed will be judged separately. **EXCEPTION:** Laying hens of various breeds will be judged as one class. Where there is no competition, judges may award one ribbon or no ribbon, according to merit. Danish system ribbons of blue/red/white will be awarded if exhibit merits such award. The judge may disqualify birds at his/her discretion.
   b. **"OLD" Fowl** are birds hatched **BEFORE** January 1 of previous year and **"Young" Fowl** are birds hatched **AFTER** January 1 of previous year.
   c. Awards will be presented as follows (only if exhibit merits such award):
      i. **Best of Breed**
         1. Standard Chickens
         2. Bantam Chickens
         3. Ducks
         4. Geese

P. The following rules apply to the Commercial Laying Hen class:
   a. Exhibitors in the Commercial Laying Hen class are limited to one entry of three
      chickens, which constitutes one lot.
   b. Birds should show the 4-H/FFA member's ability to produce high quality laying
      stock. The time required for this project is variable.
   c. Commercial Laying Hen Pens: Raise a minimum of three (3) live chicks from
day-old chicks to 21+ weeks old. Stock must be ordered from a commercial
hatchery; only White Leghorns, large fowl (no bantams) may be entered. The
Commercial Laying Hen Pen exhibitors choose to enter should be uniform in size
and appearance and need to be producing eggs by the time of arrival at the
fairgrounds. Entries must be banded and numbers must correspond to the entry
form.
   d. The judge will base his/her choice based on the following qualities: uniformity,
overall vigor/health of the birds, wing feather quality, vent shape/size, body
width, leg pigment, egg quality (shape/size) and overall production quality. The
judge may also choose to judge the Commercial Laying Hen birds based on
qualities not listed here, but which are within their purview of their expertise.
   e. All Commercial Laying Hens must have their band numbers assigned and be
listed on the Poultry Show Entry Form at entry form deadline, March 15, 2017.
   f. This class is separate from the Class 9 individual Laying Hens.
   g. See general small stock requirements.

Q. Only blue ribbon animals are eligible for sale at the Small Stock Auction. See Small
Stock Auction Rules for more information.

SHOWMANSHIP:
Tuesday, April 24th 2018, 2:00 p.m.

BREED SHOW:
Wednesday, April 25th 2018, 9:00 a.m.

AUCTION PAPERWORK DUE TO PROJECT COORDINATOR:
Wednesday, April 25th 2018, 5:00 p.m.

GOAT AGILITY COURSE:
Wednesday, April 25th 2018, Following Breed Show

SMALL STOCK AUCTION:
Sunday, April 29th, 2018
A. Exhibitors are limited to showing no more than three (3) animals per class.
B. Only goats being shown will be housed in the barn.
C. Only purebreds pygmy goats will be shown, although unregistered animals may be shown if they clearly meet the pygmy goat breed standards. Base date for age of animal is April 18, 2018.
D. Arizona State Livestock Seasonal Passes (ARS 3-1346 Section R3-2-703) and ownership paperwork must be completed and will be verified at check-in. Any animal without paperwork will be removed from Fairgrounds.
E. Ownership papers must consist of one of the following: For registered does, the original NPGA “Certificate of Registry” must be available (no photocopies accepted). For registered Wethers, the original NPGA Certificate of Recorded Ancestry” will be used. For unregistered goats, a dated Bill Of Sale that contains seller’s name, address, phone number, tattoo/microchip, and birth date of goat can be used. For unregistered goats less than 2 months old shown in the Prospect class, the NPGA Breeding Memorandum shall be used to verify ownership. All papers must be in the name of the member. Paperwork must also be available at the Breed Show.
F. Either a Microchip or Tattoo is required for all goats two (2) months and older (prior to check-in). If microchipped, the microchip number must be printed on the original NPGA registration certificate or certificate of recorded ancestry; it cannot be handwritten or a sticker affixed. If a microchip is registered on the certificate, but is not readable, the tattoo will be used. If the judge cannot read the microchip or tattoo to get a positive identification, the animal will not record the win.
G. No horned goats will be permitted. Scurs are allowed if less than one (1) inch long. Longer scurs may be permitted if they are curled back or shaped in such a manner that they do not pose a hazard in the opinion of the Project Coordinator.
H. No Bucks two (2) months of age or older will be shown: only those under TWO months will be allowed to be penned and/or shown.
I. All Pygmy Goats should be current on the CDT vaccination within six (6) months, plus other precautions as recommended by the Project Coordinator, Project Superintendent, or Fair Veterinarian.
J. Any goat with skin ailments and/or parasites at check-in will be removed from the fairgrounds immediately.
K. All goats including kids are required to wear a neck collar AT ALL TIMES. Collars (for shows) should be gray, tan, brown or black with matching leads for the show.
L. Goats must be washed at designated racks only.
M. All grooming and Herdsmanship duties at the fair must be done by current year Pima County 4-H/FFA exhibitors only. An adult may assist in holding animals only. Failure to abide by this rule may result in disqualification by the Project Coordinator and/or Superintendent.
N. All pregnant does must be 138 days pregnant or less on the day of check-in (4/23/2018). No does 138 days or more pregnant may be housed or exhibited at the Fair.
O. Club pens will be assigned based on the number of pens assigned by the Barn Superintendent, the animal entries received by Fair Entry Deadline, March 15, 2018. No extra pens will be allotted for additional animals.

P. **Barn duty** by exhibitor’s parents or leaders is mandatory per schedule of the Project Coordinator, with each club taking hours commensurate with the number of youth and goats in the project. It is imperative an adult is present in the pygmy goat area during all hours the barn is open to the public. **Herdsmanship judging** is conducted in the morning between 7:00 & 9:00 a.m. and in the afternoon between 5:00 & 7:00 p.m., and the adult on barn duty must inspect the areas and sign off on the Herdsmanship forms for the Exhibitors.

Q. **Herdsmanship/Animal Care**: Exhibitors must take care of their animals and area (feeding/watering, aisles raked, trash picked up, etc.), which is a major part of each Club’s Herdsmanship score under the Small Stock Rules. Herdsmanship judging will be conducted in the morning between 7:00 & 9:00 a.m. and in the afternoon between 5:00 & 7:00 p.m.. Exhibitors and Clubs can work together to help each other, but must plan and adhere to their own schedules.

R. **Education**: Club Educational displays must be 8' X 4'. Individual educational displays are to be poster size. Additionally, clubs will earn extra **Herdsmanship** points by doing an Educational Presentation for the public.

S. **Showmanship**: Each Exhibitor entering must enroll in showmanship on the Fair entry form by March 15, 2017 using own exhibit in the competition and said exhibit must be entered in the breed judging.

T. Large showmanship classes may be divided per the Judge’s discretion.

U. Champion showmanship winners in the Junior and Senior Classes must participate in the Small Stock Round Robin.

V. Showmanship and all other classes will be judged according to Danish system (blue/red/white). Awards if exhibit merits such, will be presented as follows:
   a. Each Showmanship division:
      i. Junior Novice
      ii. Junior
      iii. Senior Novice
      iv. Senior
   b. Best/Reserve Champion Wether
   c. Prospect Doeling/Prospect Buckling
   d. Grand/Reserve Champion Junior Doe
   e. Grand/Reserve Champion Senior Doe
   f. Grand/Reserve Champion Doe
   g. Each Class

W. Only Blue Ribbon pygmy goats may be eligible for sale at the **Small Stock Auction**. Exhibitors selling in the Auction MUST have Quality Assurance Certificate and Auction paperwork submitted by 5pm Wednesday, April 25th, 2018.

X. Goats sold at auction must be weaned, disbudded, and at least six (6) weeks old by Fair Check-in.

Y. See Small Stock Auction Rules for complete information and rules.

Z. The following rules apply to the all pygmy goat breeding classes:
a. **All classes will be judged by National Pygmy Goat Association Standard and the Judge's decision will be final.** NPGA rules govern and take precedence over all others.

b. Unregistered Doe: open ONLY to does, of any age, sold as unregistered without papers and not eligible for registration at a later date. Does must meet pygmy goat standards and not be crossbreeds.

c. Prospect Doeling and Prospect Buckling Class: Open ONLY to kids, under two (2) months not registered. This class is open to all baby does and bucks regardless of registration eligibility. SPECIAL Note: Entries for Registered Baby Doe Kids, (3 mos. Or younger), and not yet registered prospect doeling and prospect buckling kids will be taken on Fair Check-In day. Entry Forms MUST be completed by 8:00 p.m., April 23rd, 2018.

d. Exhibitors in registered Jr. Doe & Sr. Doe classes must bring Original NPGA Registration Certificates. Wethers do not have a NPGA Certificate of Recorded Ancestry to be shown in the wether classes, but if they do not have the NPGA certificate, the judge cannot record the win of Best Wether under NPGA rules. Ownership papers for all goats, registered and unregistered, are required. To be eligible for Group Classes, animals must be shown in individual breed classes and may be borrowed from a Pima County 4-H/FFA member to make Get of Sire or Produce of Dam or Breeder’s Trio classes only.

SMALL STOCK AUCTION:
Sunday, April 29th, 2018

A. First year project members, only, will be able to exhibit one (1) animal in the Pet Class, provided this is the member’s only animal in this project, and this animal does not meet any breed or variety classification or have a known disqualification.

B. Each exhibitor is limited to twenty (20) entries of rabbits, excluding meat pen, single fryer, education poster or display or advanced project.
   a. All substitutions after the ownership deadline must be approved by the Project Coordinator.
   b. The Project Coordinator reserves the right to further limit the number of animals exhibited per individual depending on enrollment, space, and cages available.

C. Exhibitors are responsible for the care of their animals on exhibit.
   a. If an exhibitor is not taking care of their exhibits, the Project Coordinator may issue a warning to the Exhibitor.
   b. If Exhibitor still does not provide proper care of their animals, the Project Coordinator may require the Exhibitor to remove all of their animals and/or forfeit any awards and/or ban Exhibitor from showing in the next year’s Fair.

D. Treatment of animals exhibiting signs of disease including the use of topical anti-parasitic drugs is not permitted within the livestock barn or fairgrounds. It is the responsibility of the exhibitor to ensure all animals have been inspected and properly treated for disease prior to check-in. (Please also see the General Animal Science Rules & Regulations, Section V, Part A)

E. All breeds of rabbits accepted for show by the American Rabbit Breeders Association (ARBA) may be exhibited by 4-H/FFA Rabbit Exhibitors. All animals must be LEGIBLY marked with a tattoo in the animal’s left ear.

F. Rabbit exhibits may also be entered in Open Division. (See Open Show Rules/ Entry Forms)

G. All rabbits, with the exception of meat pens and fryers, must be a minimum of twelve weeks old at check-in and show maturity of handling the stress of fair.

H. All rabbits will be checked for disease at time of check-in. Animals showing any signs of disease as determined by the Project Coordinator will be immediately removed from the Fairgrounds.

I. See exhibitor dress requirements in the General Animal Science Rules.
b. Breed Show: Long sleeve shirts required for safety reasons. Project Coordinator may allow club shirts for the BREED SHOW only. (Will be announced after showmanship contest)

J. There will be showmanship in the Rabbit Project.

K. The Danish system of judging will be used. Special Awards will be given to outstanding showmanship members.

L. Showmanship winners from previous years are eligible to compete, if currently enrolled in 4-H or FFA.

M. Each Exhibitor entering must participate in showmanship using their own exhibit in the showmanship competition and said exhibit must also be entered in the BREED SHOW.
   a. If an exhibitor has only one (1) rabbit that is then removed from check-in they may participate in Showmanship with a borrowed animal from another exhibitor.
   b. This must be approved by the Project Coordinator during the Check-in period.

N. Exhibitors must register for the Showmanship contest on their entry form prior to the Fair and must include Exhibitor’s birth date on entry form.

O. The showmanship contest will be judged only on the Exhibitor’s ability to show their knowledge in handling, fitting and selecting animals for production and show. The Judge may also ask questions pertaining to the Project.

P. Exhibitors in Junior and Senior Showmanship must show a rabbit that is one of the breeds recognized by the ARBA. No pet class rabbits may be used because exhibitors who receive callbacks may be required to exchange rabbits with other exhibitors.

Q. The following pertain to Meat Pens and Fryers:
   a. All Exhibitors entering Meat Pens and or Fryers must complete the Quality Assurance Class prior to the Fair.
   b. Exhibitors in Meat Classes are limited to two (2) meat pens and/or two (2) fryers.
   c. Rabbit Meat Pens (per ARBA rules) will consist of three (3) rabbits, all the same breed and variety. The Meat Pen will be disqualified if more than one (1) breed and/or variety is in the same Meat Pen.
      i. Age limit will be a minimum of 6 weeks but not over 10 weeks at time of check-in. See ARBA Standard of Perfection for current weight limits. https://www.arba.net/breeds.htm
      ii. All rabbits in a Meat Pen must have a permanent tattoo mark in their left ears and must be the same as the recorded entry form.
      iii. Mother of the Meat Pen must be owned by the Exhibitor by January 15, 2018 prior to kindling. Mother of Meat Pen must have EAR TATTOO listed on Ownership Form in order for Meat Pen to be accepted at check in.
   d. Rabbit Single Fryers will consist of one (1) live fryer.
      i. Age limit will be a minimum of 6 weeks but not over 10 weeks at time of check-in.
      ii. Weight limit based on current ARBA rules
      iii. Fryers must have a permanent tattoo mark in their left ears and must be the same as the recorded entry form.
      iv. Mother of the Fryer must be owned by the Exhibitor by January 15, 2018 prior to kindling. Mother of Fryer must have EAR TATTOO listed on Ownership Form in order for Meat Pen to be accepted at check in.
e. Grand Champion and Reserve Champion Blue Ribbon Meat Pens and Fryers must sell in the Small Stock Auction.

R. The following pertain to Breed Show:
   a. All classes will be judged by American Rabbit Breeders Association (ARBA) Standards and the judges decisions will be final.
   b. Each Breed will be judged separately. Where there is no competition, judges may award one ribbon or no ribbon according to merit. The Danish system of ribbons, blue/red/white, will be used for those rabbits wanting to be considered for sale at auction. Only Blue ribbon winners will be allowed to auction.
   c. Awards will be presented as follows (only if exhibit merits such award):

PIMA COUNTY 4-H AND FFA
LARGE AND SMALL LIVESTOCK
SHOW CODE OF ETHICS & FAIR REVIEW BOARD

I. INTRODUCTION:

The Pima County 4-H and FFA Livestock Show Code of Ethics was developed as a document to direct Pima County 4-H and FFA exhibitors in the raising, grooming, feeding, and exhibiting of their livestock projects. To accomplish this, a committee composed of one youth and one adult from each of the following areas: 4-H Beef Project, 4-H Swine Project, 4-H Sheep Project, Amphi FFA, and Marana FFA was formed. Additionally, a representative from the Pima County Fair as well as the U of A Cooperative Extension 4-H Program was on the committee.

Since 1993, it has become increasingly evident that there is a nationwide need for fairs, shows, and exhibits to address and stop all forms of cheating and forms of animal abuse. In this vein, the following document drew heavily from the National Show Code of Ethics supported by the leaders of the National 4-H and FFA programs, who drew heavily from like documents from the American Livestock Show and Rodeo Managers Association, International Association of Fairs and Expositions, and the Purebred Dairy Cattle Association.

It is imperative that all individuals involved with 4-H and FFA understand and support the importance of the ethical treatment of animals and the adherence to principles of fair play. 4-H and FFA are first and foremost, youth development organizations. The exhibition of projects is only the final stage of a process that is designed to develop responsibility, goal setting, and leadership skills in the individual. It is the hope of the committee that this document serves to guide members in determining what is acceptable treatment of animals and what are acceptable practices in the feeding, grooming and showing of livestock project animals.

II. PREAMBLE:

This code of ethics applies to anyone exhibiting animals at the Pima County Fair, any Pima County 4-H member exhibiting livestock as a 4-H member at any livestock show in the state of Arizona, any Pima County FFA member exhibiting livestock as a FFA member at any livestock show in which 4-H/FFA membership is required, and any 4-H/FFA volunteer, parent, guardian, agent and advisor who may be involved with the 4-H/FFA program. All classes of livestock and small stock offered at the event are included. This code of ethics may be supplemented by other, additional rules imposed by local organizations conducting a particular show, but they may not be displaced by local show rules.

The following practices or procedures are unacceptable and are defined as deceptive, fraudulent, unethical, and inhumane in the care, fitting, preparation and showing of all classes of livestock. The use of any illegal drugs is prohibited. Legal or illegal substances used to phenotypically alter the appearance of an animal entered in livestock events are prohibited. Use of illegal drugs is considered an intentional act, and any instance will result in disciplinary action.
THIS IS A ONE STRIKE AND YOU ARE OUT POLICY!
Adults or exhibitors who violate the code of conduct demean the integrity of all livestock exhibitors and places the livestock industry and livestock and small animals in jeopardy.
Additionally, violators may be banned from either the 4-H or FFA program, or both.

III. GUIDELINES FOR PARTICIPATION
1. Livestock will not be exhibited if the drugs administered in accordance with federal, state, and local statutes, regulations, and rules affect the animal’s performance or appearance at the event, except as provided by these guidelines. Animals entered in shows, which are intended to evaluate the animal for human consumption, shall meet FDA/USDA standards for drugs and drug residues. Animals not entered in an event which culminates with the animals entering the food chain will not be administered drugs other than in accordance with applicable federal, state, and local statutes, regulations, and rules.
2. Prior to fair check-in all exhibitors will advise Project Coordinator in writing of any drugs or medications administered to an animal including the name of the drug, its purpose, the person who administered the drug, time, and date of administration. All animals entered in livestock competition are subject to drug testing.
3. If the laboratory report of the chemical analysis of saliva, blood, or other samples taken from livestock indicates the presence of unapproved or unacceptable levels of drugs or medication, it will be prima-facie evidence such substance has been administered to the animal either internally or externally. The burden to prove otherwise is upon the exhibitor.
4. Treating an animal internally or externally, with any irritant, counter-irritant, or other substance used to artificially change the conformation, function or appearance of an animal for show is considered unethical, inhumane, and is prohibited. This includes, but is not limited to the use of graphite, powders, hemp, artificial hair coloring and common products such as fly spray, ointment or liniment used to the point that they become irritating, (unless required to reduce edema at time of calving).
5. Any surgical procedure or injection of any substance or drug or the external application of any substance (irritant, counter-irritant, or similar substance) which could affect the animal’s performance or alter its natural contour, conformation, or appearance are prohibited, except as otherwise provided by these guidelines. Exceptions are external applications of substances to the hoofs or horns of animals which affect appearance only or surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal. Changing the original color of the hair, skin, etc. is prohibited. Adding false hair to hair-like material, fleece or skin at any point, spot or area of the animal’s body is illegal using vegetable oil, silicon, or any other substance used to alter the shape of the animal. Any of these acts is also banned and will result in immediate disqualification. Acceptable practices of physical preparation, which are allowed, include clipping of hair, trimming of hooves, dehorning, or removal of ancillary teats. Animal diets shall consist of wholesome and nutritious food suitable for the species. The diet will not be manipulated to artificially enhance the desired characteristics of the animal and such practices are prohibited. For example, the use of alcoholic or carbonated beverages as a drench or filler, etc.
6. Drenching (with water, electrolytes, and supplements only) to protect the health of the animal will be allowed ONLY with the prior written consent and supervision of a Veterinarian, Project Coordinator, Project Superintendent, Barn Manager, or U of A Extension 4-H Agent or FFA Advisor.
7. Any physical procedure, practice, device, handling or contact (such as striking) done to an animal, which is solely and primarily intended to improve the desired characteristics of the animal, is prohibited. The use of tranquilizers, sedatives, or depressants, which alter the physical or physiological state of the animal, is illegal. The use of calf calm, pig calm or other similar products is permitted with the prior written consent of a Veterinarian, Project Coordinator, Project Superintendent, Barn Manager, or U of A Extension 4-H Agent or FFA Advisor. Any such drugs must be approved by the Food and Drug Administration for use in meat animals.

8. Direct argument, confrontation or interference with judges, show managers, other exhibitors, breed representatives, or show officials by exhibitors, parents, or fair goers at any time is prohibited. To facilitate the performance of their official duties, all judges, fair and livestock show managers, or other show officials will be treated with courtesy, cooperation, and respect. Any violation of this guideline is subject to the same sanctions as provided herein.

9. No adult or exhibitor will conspire with another person or persons to intentionally violate this code of ethics and show rules or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics and show rules. Violation of this rule will subject such individual to disciplinary action as provided herein.

IV. CONSEQUENCES AND PENALTIES:

General Introduction

This show Code of Ethics and Show Rules, as well as any consequences apply to 4-H/FFA volunteers, leaders, parents, guardians, agents and advisors who may be involved with those programs. The term exhibitor as stated below is all encompassing of both youth and adults. By entering a livestock show or event, the exhibitor is verifying that he or she has read this document, agrees to be bound by its provisions and understands the consequences and penalties for violation herein.

1. The exhibitor further understands and agrees that he or she may be prohibited from future participation in organized fairs and livestock shows in this county, the State of Arizona, and in some cases, the United States.

2. Additionally, the exhibitor further understands and agrees that his or her future participation in 4-H or FFA or both may be limited, or prohibited. In addition, the exhibitor may be subject to criminal prosecution or civil penalties, or both.

3. Any animal which is determined to have been given any substance not approved by FDA or that exceeds FDA approved residue for any drug for that species will be disqualified from competition. Veterinarians may provide written script for drugs or medication, as per FDA/USDA Guidelines, but the exhibitor is responsible to meet the residue tolerance for such applications.

4. Exhibitors of animals that have been disqualified will forfeit any awards and recognition earned by the animal or exhibitor. No changes will be made in class or champion placements if an animal is disqualified from competition.

5. The Project Coordinator, the Barn Manager, U of A Extension 4-H Agent or FFA Advisor has the right, responsibility, and authority to disqualify or discipline any exhibitor for violating any of the Guidelines for Participation.
V. ETHICS REVIEW BOARD

1. The Ethics Review Board is established for the purpose of reviewing disqualifications, discipline done or imposed by the Project Coordinator, the Barn Manager, U of A Extension 4-H Agent or FFA Advisor, or to review instances of non-action by show managers.

2. The Ethics Review Board shall act as the final arbiter for an individual accused of violating these rules and guidelines. It shall serve as the appeal for the interpretation of rules and guidelines as applied by the show management.

3. The Ethics Review Board shall act as the final arbiter in challenges regarding non-enforcement of these guidelines by show managers. The committee will request either The Project Coordinator, Barn Manager, U of A Extension 4-H Agent or FFA Advisor to investigate the non-action and report findings to the committee.

4. In any situation, those members of the Ethics Review Board present shall constitute a quorum and all decisions must be rendered by a majority of those present. The Board shall consist of the following members:

The Barn Manager, One (1) U of A Extension 4-H Agent, One (1) FFA Advisor, and the Project Coordinator shall sit on the board, without a vote. The voting members will consist of:

- Two (2) parent/volunteer shall be appointed by the Extension 4-H Agent.
- One (1) parent/volunteer shall be appointed by the FFA Advisor.
- There shall be one (1) FFA youth appointed by the FFA Advisor from each chapter.
- There shall be one (1) 4-H youth appointed by each Livestock Project Coordinator and each Small Stock Project Coordinator.

5. Appointments to the committee will be made by 4-H Project Coordinators, U of A Extension 4-H Agents and FFA Advisors prior to the County Fair each year. “Board members will serve for a two year rotation in the following manner:

   Even years – swine, beef, poultry, rabbit, dairy cattle, FFA youth, 4-H adult;
   Odd years – sheep/meat goats, dairy goats, pigeon, cavy, pygmy goats, FFA youth, FFA adult, and a 4-H adult.”

6. In the event the person accused of a violation is related in any degree to anyone on the board, an appropriate replacement will be named and shall sit on the board, for that issue only. The U of A Extension 4-H Agent of FFA Advisor shall name the replacements.

APPEAL PROCESS:

1. The “Ethics Review Board” will review appeals from individuals who have been disqualified, disciplined by show managers, or who desire a review of non-action by show managers when the appeal is in writing and accompanied by a non-refundable $50.00 fee, and received by the U of A Extension 4-H Agent or FFA Advisor as soon as possible, but in no event more than three (3) business days after the action being appealed or after the incident has taken place. The fee will be returned if he Ethics Review Board finds in favor of the person appealing.

2. The board shall decide matters properly before it, as soon as possible, but in any event no later than three (3) business days after the receipt of matter.

3. The board will review facts and actions taken by the disciplining officer. Each side may present written arguments and evidence to the committee. The board may request an oral presentation from either side. The disciplining
agent will submit records and evidence upon which disciplinary or disqualifying action or non-action was determined
AUCTION RULES
Pima County Junior Livestock Sales, Inc.

These rules give an overview of the auction and exhibitor requirements. An exhibitor's entry into the livestock or the small stock auction represents an explicit agreement by the exhibitor and the exhibitor's parent, or guardian if necessary, with all of the following rules and penalties. All animals intended for human consumption offered for sale in the auctions must 1) meet reside tolerances established by USDA/FDA and 2) be free of any substances not approved of by the USDA/FDA. Every exhibitor wishing to participate in the Pima County Junior Livestock Auctions (large and/or small) must submit a completed United States of America W-9 form at weigh in/check in at the Pima County Fair. Failure to complete a W-9 may result in exhibitor not receiving sale proceeds. Every exhibitor must be currently Quality Assurance Certified and a member in good standing with 4H and/or FFA and complied with all 4-H and FFA rules and requirements at the time of the auction to be eligible to sell their project. Information and updates may be posted on www.pcjlsi.org from time to time.

PCJLSI is not part of 4H, FFA or the Southwestern Fair Commission. These rules and their enforcement are totally separate from 4H and FFA. All concerns about the following auction and exhibitor requirements for the sales should be addressed to PCJLSI.

1. GENERAL RULES:
These rules apply to both the Livestock (Steers, Lambs, Hogs, Meat Goats) Auction and the Small Stock (Rabbits, Cavies, Poultry, Pigeons, Pygmy Goats) Auction which are under the supervision of Pima County Junior Livestock Sales, Inc. (hereafter referred to as PCJLSI) in addition to the specific rules listed below for these Auctions. The Livestock Auction is limited to Steers, Lambs, Hogs and Meat Goats. Market Wether Goats must be from meat type breeds. PCJLSI has the sole authority in the interpretation and enforcement of the Auction rules.

A. NOTIFICATION:
1. PCJLSI reserves the right to test any animal officially entered in any division eligible to sell in either the Livestock Sale or the Small Stock Sale, for any substances including drugs/medications or feed additives.

2. For the 2018 Pima County Fair, at a minimum, the Grand and Reserve Champion livestock animals (beef, sheep, swine, meat goat) will be tested. Tissue, blood and urine samples may be collected. Blood and urine samples will be collected as soon as possible after the Grand and Reserve Champions are selected and/or as required. This will be a terminal sale for the Livestock Grand and Reserve Champion animals. Other animals entered in the market shows may be tested. Tissue, blood and urine samples may be collected.

3. Directors will submit all livestock weight slips to PCJLSI within thirty minutes after the scales have closed. Only the Livestock that have been weighed in a timely manner and had the form similarly submitted will be maintained in the PCJLSI files.

4. Animals are not the responsibility of PCJLSI. Each exhibitor is responsible for the care and feeding of all project animals until they are released by the Project Director on Sunday, April 29, 2018, at 6:00 p.m. or sometime thereafter.

5. PCJLSI reserves the right to make deductions from any exhibitor's sale to cover outstanding balances that have been generated by other family or household members associated with the exhibitor.

B. NUMBER OF ANIMALS TO BE SOLD:
Exhibitors will be allowed to sell only one lot or animal in either the Livestock Auction or the Small Stock Auction, with the following exceptions:
1. If an exhibitor has a Grand and/or Reserve Champion steer, lamb, hog or meat goat, and a Grand and/or Reserve Champion meat pen or fryer, they will sell in both auctions.
2. If an exhibitor has a Grand and/or Reserve Champion meat pen or fryer and an animal eligible for the Livestock Auction, they may sell in both auctions.
3. If an exhibitor has a Grand and/or Reserve Champion steer, lamb, hog or meat goat and an animal eligible for the Small Stock Auction, they may sell in both auctions.

C. EXHIBITOR DRESS CODE:
Exhibitor Dress Code for entry in the sale ring shall be as follows: Pants in a solid dark color, a shirt of green and/or white that is long or short sleeved with a collar, an optional green and/or white tie or scarf and vests in 4-H colors. FFA exhibitors are to dress as approved by FFA Chapter. No hats or caps etc. are to be worn. Exceptions for religious reasons will be considered. In the event of the inability to meet the dress code, an exhibitor may request assistance from PCJLSI, Inc at least 48 hours prior to sale. Animals and/or exhibitors may not be decorated (bows, glitter, graffiti, costumes, etc.). Failure to comply with the standard of presentation may result in a financial penalty being assessed up to the difference between the floor price and the sale price.

D. EXHIBITOR AUCTION RESPONSIBILITIES:
1. Exhibitors must take their own animal through the auction ring except in unusual circumstances, such as sickness, family emergency or conflict in Fair schedule. Extra curricular activities will not be considered an exception. Exceptionally unique activities may be considered, provided written request is made ten (10) days prior to the auction. Permission for a substitute in the Livestock Auction must be obtained from the Project Director who will consult with the other Livestock Directors. Permission for a substitute in the Small Stock Auction must be obtained from the Project Director who will consult with the other Small Stock Directors. Only currently Quality Assurance Certified enrolled members of Pima County 4-H or FFA in good standing, exhibiting at the current Pima County Fair may substitute with the approval of the Project Director. Any exhibitor violating this rule will receive floor price (less commissions and fees) only, as determined by PCJLSI.

2. Exhibitors who fail to be at the auction ring in the proper sequence will not be allowed to sell their animals through the auction and must remove their animals from the fairgrounds on Sunday, April 30th, after 6:00 p.m.; or personally consign them to packer through the PCJLSI. Commission will be charged for all animals consigned. Animals left on the fairgrounds after 10 p.m. on Sunday, April 29, 2018, may be forfeited to PCJLSI to be disposed of at the organization's discretion. The exhibitor will not be entitled to monetary compensation for the forfeited animal(s) and may be liable for costs incurred.

3. Exhibitors selling in the auction(s) must mail a Thank You letter to their buyer. The stamped and addressed envelope is to be verified by the project leader prior to distributing the auction check.

II. LIVESTOCK AUCTION RULES:
1. All General Auction rules will apply in addition to the following rules.
2. All exhibitors must submit a Junior Animal Certification Form (see the attached form at the end of these rules) with the appropriate signatures to be eligible for the Livestock Auction. The text of this form will be incorporated into the Fair check-in weight slips. Failing to sign the form at weigh-in/check-in will result in the exhibitor’s Livestock entry being purged from the Pima County Fair PCJLSI files.

A. SALE PROCEDURE/RIBBON:
Market steers, lambs, hogs and meat goats will be sold at auction on Saturday, April 28, 2018. The Livestock Auction may be limited to 350 lots, at the discretion of PCJLSI.

BLUE award animals will sell individually.

RED award animals will sell individually or in group lots.

WHITE award animals will not sell through the auction. It is the exhibitor’s responsibility to make the necessary arrangements for removal of these animals from the fairgrounds prior to 6 p.m. on Friday, April 27th, 2018.

1. Exhibitors will be paid for the maximum sale weight of:
   - Hogs: 280 pounds
   - Lambs: 150 pounds
   - Steers: 1250 pounds
   - Meat Goats: 120 pounds

2. Auctioneers will be provided by PCJLSI.

3. Sale order will be determined by PCJLSI.

4. Donated animals will be consigned to the packer at market price or processed for donation to the charity of buyers’ choice at buyers’ expense.

5. All sales through the auctions are FINAL and will be processed by PCJLSI. No one should harass the buyer(s) with buy back requests.

6. Checks will be released to the project-club leader, community leader or FFA advisor when adequate funds are available. Adequate funds are defined here as enough money collected to cover all exhibitors’ checks and other liabilities incurred by the PCJLSI in administering the Livestock and Small Stock Sales.

7. There will be a 5% commission charge on all animals that sell. Funds received from said commission shall be used by PCJLSI. In addition, a fee will be deducted from each exhibitor’s check for any national beef/sheep/swine check-off program, livestock inspections (as required) and the purchase of picture(s) for the buyer(s). The photograph fee will be collected for each market animal shown. Unused photographs will be available for exhibitor pickup prior to the end of the fair from the photographer’s staff. Every exhibitor wishing to participate in the Pima County Junior Livestock Auctions (large or small) must submit a completed United States of America W-9 form at weigh in/check in at the Pima County Fair. Failure to complete a W-9 may result in exhibitor not receiving sale proceeds. In the event that a sale check needs to be re-issued because it was lost, the exhibitor will be charged the stop payment fee for the original check.

8. Exhibitors with more than one market animal at the Fair must fill out a withdrawal slip for each animal not consigned to the sale, including white ribbons and second animals. Withdrawal slips must be turned in to the Auction Clerk, Pima County Junior Livestock Sales, Inc. by 2:30 p.m., Thursday, April 26th, 2018. If the withdrawal slip(s) is/are not turned in by 2:30 p.m., the PCJLSI will decide which animal(s) will be withdrawn.

9. Exhibitors with market animals not qualifying for the auction, except those animals previously consigned to PCJLSI must remove them from the Fairgrounds on Friday, April 27, 2018, from 7:00 a.m. to 10:00 a.m. or 4:00 p.m. to 6:00 p.m. The required release slip must be obtained from the Project Director and/or Project Superintendent before leaving the Fairgrounds. Exhibitors with beef and sheep must also obtain inspection papers prior to leaving. Non-sale animals (white ribbon animals, showmanship animals, under/over weight animals, and second animals) left on the fairgrounds after 6 p.m. on Friday, April 27, 2018, will be forfeited to PCJLSI to be disposed of at the organization’s discretion. The exhibitor will not be entitled to monetary compensation for the forfeited animal(s) and may be liable for costs incurred. Exception: Round Robin Rule F.

B. EXHIBITOR’S RESPONSIBILITIES: FOREIGN SUBSTANCE

1. It is the exhibitor’s responsibility to submit a market animal intended for human consumption with 1) residue tolerances within guidelines established by USDA/FDA and 2) be free of any substance not approved of by the USDA/FDA. Exhibitors and their families should exercise special care when administering any products to or on their animals. DO NOT use over the counter products made for human consumption or use. Use only products labeled as acceptable for species-specific market animal use. Other products may produce a residue in the meat and render the carcass unacceptable by the USDA/FDA. PCJLSI reserves the right to require the exhibitor to submit the appropriate documentation proving that the animal is residue free or pay for the required testing.

2. The exhibitor and/or immediate family must notify Project Director of ANY substance which was administered to the animal prior to arrival at the Pima County Fair and which has not met the required withdrawal period for that substance. These include but are not limited to: growth stimulants, drugs/medication, and/or feed/water additives (i.e. antibiotics, wormers). Notification must be made in writing prior to check-in/weigh-in/pennig of animal at the Pima County Fair. Project Director will notify the President or Auction Chairman of PCJLSI of the declaration.

3. If it is necessary to administer any USDA/FDA approved species-specific market animal drug/medication, or feed/water additive during the time 4-H/FFA projects are housed at the Pima County Fair, Project Director must be notified in writing prior to any administrations. If situations warrant, such as medical emergency, that a Project Director can not be notified prior to administration of drug/medication, or feed/water additive, the exhibitor and/or his/her immediate family must notify the Project Director within ten (10) hours of administration of drug/medication, or feed/water additive except in cases immediately prior to the auction, when notification must take place prior to the animal entering the sale ring. Project Director will notify the President or Auction Chairman of PCJLSI of the declaration.

4. If any animal is being treated with USDA/FDA approved species-specific market animal drug/medication and a delayed market date is needed to ensure a residue free carcass, it is the exhibitor’s responsibility to ensure that the required announcement of the delayed market requirement is submitted in writing with the prescribed requirement to PCJLSI prior to entering the sale ring. The exhibitor will then be responsible for maintaining the animal until it is residue free and then delivering the animal to the designated location (packer, buyer etc.). Grand and Reserve Grand Champion animals requiring a delayed slaughter date will be treated on an individual basis with special handling as required.

5. Sale money will be withheld until tests are complete.

6. Exhibit Sale Disposition: If it is proven that an animal has received or tests report the positive presence of drugs/medication, or feed/water additive(s) not approved by the USDA,
FDA, or above the USDA guideline residue levels and/or not in compliance with the USDA Wholesome Meat Act, in any test or procedure, that animal will be disqualified and the exhibitor declared ineligible to receive sale proceeds or packer monies (if applicable). The carcasses of a disqualified animal will be disposed of per instructions from USDA or FDA or the State of Arizona. The Buyer will be given the option to void the purchase or accept a replacement carcass of equal value. However, in either event the exhibitor will not receive any of the proceeds.

7. If an entry is disqualified, the owner/exhibitor will not be eligible to sell in future Pima County Junior Livestock Sales (Livestock or Small Stock Sales). All disqualifications can be appealed to PCJLSI.

8. If substances or residues, including drugs/medications, or feed/water additives, as defined above, are found in the tissue of the carcasses of animals entered/sold through the PCJLSI sale, PCJLSI will in no way be held liable or responsible for condition of carcass or sale price of animal. Further, the exhibitor and his/her family will indemnify and hold harmless PCJLSI and all of its sponsors and assisting organizations, their employees and agents, against all legal or other proceedings in connection with said drug testing. The exhibitor and his/her family will indemnify and hold harmless the show and its sponsors and assisting organizations against all claims for injury to any person or property caused by any animal and/or its meat.

9. If the exhibitor’s animal is condemned for anything other than illegal drug use, the Buyer has the option to refuse the product and void the purchase or accept a replacement carcass of equal value at the exhibitor’s expense. If buyer voids the sale and refuses a replacement carcass, the exhibitor receives no compensation and may be liable for costs incurred.

C. EXHIBITOR’S PENALTIES:
If animals intended for human consumption are found with 1) residue tolerances not within guidelines established by USDA/FDA, 2) substances not approved of by the USDA/FDA and/or 3) if the substance is approved and the exhibitor fails to meet the requirements of withdrawal times and/or 4) fails to declare any medication and/or feed/water additives that have not met USDA/FDA withdrawal times at check in:

1. Exhibitor will be barred from consigning any/all animals to the PCJLSI Livestock and Small Stock sales FOREVER.
2. Exhibitor will forfeit all auction sale money associated with the contaminated animal and be subject to all disposal charges.
3. Anyone caught tampering per the above substance abuse violation with their own or another animal will be prohibited from the sale FOREVER and will be referred to the appropriate authorities.
4. Anyone caught altering, changing and/or misrepresenting animal(s) will be barred from consigning any/all animals to the PCJLSI Livestock and Small Stock sales FOREVER. This includes switching animal identification papers, tags, brands etc. or the substitution of a different animal for the one originally issued the identification. All parties involved in the activity will be reported the appropriate legal and national fair associations.
5. A written request for an appeal of the lifetime ban from the sale can be submitted to PCJLSI.

III. SMALL STOCK AUCTION RULES:
All General Rules apply in addition to the following rules, specific to Small Stock. The Junior Animal Certification submittal will be incorporated into the Small Stock entry. For the 2017 Pima County Fair random blood, urine and tissue samples may be collected. The following specific rules for Small Stock also apply.

A. SALE PROCEDURES:
1. Animals in the Rabbit, Cavy, Poultry, Pigeon, and Pygmy Goat projects will be sold at auction on Sunday, April 29, 2018. Blue ribbon breed animals (of recognized breeds) may sell. Blue ribbon meat pens and blue ribbon fryers may sell provided the exhibitor complied with all 4-H and FFA rules and requirements. Pet class animals will not sell.
2. Auctioneers will be provided by PCJLSI.
3. Sale order will be determined by PCJLSI.
4. Donated animals will be consigned to the packer at market price or processed for donation to the charity of buyers’ choice at buyers’ expense.
5. All sales through the auctions are FINAL and will be processed by PCJLSI. No one should harass the buyer(s) with buy back requests.
6. Checks will be released to the project-club leader, community leader or FFA advisor when adequate funds are available. Adequate funds are defined here as enough money collected to cover all exhibitors’ checks and other liabilities incurred by the PCJLSI in administering the Livestock and Small Stock Sales.
7. There will be a 10% commission charge on all animals that sell. Funds received from this commission shall be used by PCJLSI. In addition, a fee will be deducted from each exhibitor’s check for the purchase of picture(s) for the buyer(s). The photograph fee will be collected for each Small Stock animal shown. Unused photographs will be available for exhibitor pickup prior to the end of the fair from the photographer’s staff. Every exhibitor wishing to participate in the Pima County Junior Small stock Auctions must submit a completed United States of America W-9 form at weigh in/check in at the Pima County Fair. Failure to complete a W-9 may result in exhibitor not receiving sale proceeds. In the event that a sale check needs to be re-issued because it was lost, the exhibitor will be charged the stop payment fee for the original check.

B. EXHIBITOR’S RESPONSIBILITIES: FOREIGN SUBSTANCE:
If the exhibitor’s responsibility to submit an animal intended for human consumption with 1) residue tolerances within guidelines established by USDA/FDA and 2) free of any substance not approved of by the USDA/FDA. Project Director will notify the President or Auction Chairman of PCJLSI of the declaration.

If it is necessary to administer any USDA/FDA approved species-specific animal drug/medication, or feed/water additive during the time 4-H/FFA projects are housed at the Pima County Fair, Project Director must be notified in writing prior to any administrations. If
situations warrant, such as medical emergency, that a Project Director can not be notified prior to administration of drug/medication, or feed/water additive, the exhibitor and/or his/her immediate family must notify the Project Director within ten (10) hours of administration of drug/medication, or feed/water additive except in cases immediately prior to the auction, when notification must take place prior to the animal entering the sale ring. Project Director will notify the President or Auction Chairman of PCJLSI of the declaration.

If any animal is being treated with USDA/FDA approved species specific animal drug/medication and a delayed processing date is needed to ensure a residue free carcass, it is the exhibitor’s responsibility to ensure that appropriate announcement of the delayed processing requirement is submitted in writing with the prescribed requirement to PCJLSI prior to entering the sale ring. The exhibitor will then be responsible for maintaining the animal until it is residue free and then delivering the animal to the designated location (packer, buyer etc.). Grand and Reserve Grand Champion animals requiring a delayed slaughter date will be treated on an individual basis with special handling as required.

Sale money will be withheld until tests are complete.

Exhibit Sale Disposition: If it is proven that an animal has received or tests report the positive presence of drugs/medication, or feed/water additive(s) not approved by the USDA, FDA, or above the USDA guideline residue levels and/or not in compliance with the USDA Wholesome Meat Act, in any test or procedure, that animal will be disqualified and the exhibitor declared ineligible to receive sale proceeds or packer monies (if applicable). The carcass of a disqualified animal will be disposed of per instructions from USDA or FDA or the State of Arizona. The Buyer will be given the option to void the purchase or accept a replacement carcass of equal value. However, in either event the exhibitor will not receive any of the proceeds.

If an entry is disqualified, the owner/exhibitor will not be eligible to sell in future Pima County Junior Livestock Sales (Livestock or Small Stock Sales). All disqualifications can be appealed to PCJLSI.

If substances or residues, including drugs/medications, or feed/water additives, as defined above, are found in the tissue of the carcasses of animals entered/sold through the PCJLSI sale, PCJLSI will in no way be held liable or responsible for condition of carcass or sale price of animal. Further, the exhibitor and his/her family will indemnify and hold harmless PCJLSI and all of its sponsors and assisting organizations, their employees and agents, against all legal or other proceedings in connection with said drug testing. The exhibitor and his/her family will indemnify and hold harmless the show and its sponsors and assisting organizations against all claims for injury to any person or property caused by any animal and/or its meat.

If the exhibitor’s animal is condemned for anything other than illegal drug use, the Buyer has the option to refuse the product and void the purchase or accept a replacement carcass of equal value at the exhibitor’s expense. If buyer voids the sale and refuses a replacement carcass, the exhibitor receives no compensation and may be liable for costs incurred.

C. EXHIBITOR’S PENALTIES:
If animals intended for human consumption are found with 1) residue tolerances not within guidelines established by USDA/FDA, 2) substances not approved of by the USDA/FDA and/or 3) if the substance is approved and the exhibitor fails to meet the requirements of withdrawal times and/or 4) fails to declare any medication and/or feed/water additives that have not met USDA/FDA withdrawal times at check in:

Exhibitor will be barred from consigning any/all animals to the PCJLSI Livestock and Small Stock sales FOREVER.

Exhibitor will forfeit all auction sale money associated with the contaminated animal and be subject to all disposal charges.

Anyone caught tampering per the above substance abuse violation with their own or another animal will be prohibited from the sale FOREVER and will be referred to the appropriate authorities.

Anyone caught altering, changing and/or misrepresenting animal(s) will be barred from consigning any/all animals to the PCJLSI Livestock and Small Stock sales FOREVER. This includes switching animal identification papers, tags, tattoos etc. or the substitution of a different animal for the one originally issued the identification. All parties involved in the activity will be reported the appropriate legal and national fair associations.

A written request for an appeal of the lifetime ban from the sale can be submitted to PCJLSI.

D. EXHIBITOR RESPONSIBILITIES:
1. Exhibitors may sign up for the auction following the close of Small Stock judging events. All sales agreements must be signed by the exhibitor’s parent or guardian and turned in by 4:00 p.m. Wednesday, April 25, 2018. THIS INCLUDES MUST SELL LOTS SUCH AS ANY/ALL MEAT PENS. IF THE DEADLINE HAS NOT BEEN MET, THEN THEY WILL BE SCRATCHED FROM THE SALE. If a pedigree is available, it must be turned in with the sales agreement. At the time of sign-up exhibitors will receive a “For Sale at the Auction” sign to be placed on their animal’s cage.

2. Exhibitors may withdraw an animal from the auction by having the Small Stock Chairperson void all copies of the sales agreement before 4:00 p.m. Wednesday April 25, 2018.

3. Any sick or injured animal will be withdrawn from the auction by the auction officials. Show officials may allow substitution of another blue ribbon animal, provided the animal meets exhibitor ownership requirements.

4. Any entry with missing, incorrect or illegible tattoos, ear tags, or leg bands must be withdrawn from the auction immediately. No exceptions and/or substitutions will be allowed in these cases.

IV. NEW PROJECTS:
To be accepted as a new project into the Pima County Small Stock Auction the project must meet the following requirements:

a. Newly established projects must have been a recognized FFA or 4-H animal project in Pima County for three consecutive years, showing increased growth over the three years. The project may sell in the auction the fourth year of its existence if application is accepted.

b. Project Directors must submit completed applications for consideration to the PCJLSI no later than May 1 of the third year.

c. The animal must be judged at the Pima County Fair by an accredited judge and receive a blue ribbon.

d. The animal must be on exhibit during the 4-H Week of the Fair.

e. As part of the application, a market study must be submitted to verify a local market for the project. Pet type projects are not eligible for the sale.

We understand and agree to the following:

1. Club and Showmanship designations are correct.
2. The weight listed above will be the Official weight for shows and sale.
3. 5% (Livestock) or 10% (Smallstock) will be deducted by PCJLS, Inc. from the sale proceeds.
4. A $10 photograph fee will be collected from the exhibitor’s check by PCJLS, Inc. for each market animal shown. Unused photographs will be available for exhibitor pickup prior to the end of the fair from the photographer’s staff. Exhibitors may be charged an additional $25 if a special session is required to take the photograph.
5. All sales will have all animal specific fees reduced from the sale proceeds.
   These funds will be remitted to Brand Inspector, The National Swine Board, etc.
   Every exhibitor wishing to participate in the Pima County Junior Livestock Auctions (large or small) must submit a completed United States of America W-9 form at weigh in/check in at the Pima County Fair. Failure to complete a W-9 may result in exhibitor not receiving sale proceeds.
6. Non-sale animals left on the fairgrounds after 6 pm, 4/28/2017 will be forfeited to PCJLS, Inc. to be disposed of at the organization’s discretion with all associated costs billed & deducted from any exhibitor proceeds.
7. Exhibitor and parent/guardian acknowledge and give permission for photographs of the exhibitor and/or the entry to be used for promotion of the Livestock Sale as PCJLSI determines necessary.

We, the junior exhibitor and parent/guardian, certify that we have read, acknowledge and will abide by all the rules of Pima County Junior Livestock Sales, Inc. (PCJLSI). We further certify that we have not administered to this animal entry, nor has it received, nor will we administer, any substance not species specifically approved by the United States Food and Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for animals intended for human consumption. This includes, but is not limited to, diuretics, steroids and tranquilizers.

☐ We also certify that, with respect to any drug, chemical or feed additive approved by the FDA and USDA for market animals (i.e. animals intended for human consumption), the withdrawal period applicable thereto as recognized by the FDA has expired by the last Sunday of the Pima County Fair (PCF).

☐ We certify that, ______________ has been given to this animal and is approved by the FDA and USDA for this species market animal (i.e. animals intended for human consumption), the withdrawal period applicable thereto as recognized by the FDA is ____ days after the Pima County Fair.

We acknowledge and accept the fact that all animals entered in the PCF are subject to blood, urine and/or tissue tests. We further acknowledge and accept that the PCJLSI reserves the right to disqualify any animal found in violation of the use of drugs, chemicals or feed additives as described above and in the PCF Premium/Rule Book. Disqualification will result in the forfeiture of all sale monies and other awards as distributed by PCJLSI. We will allow any designated veterinarian to draw any and all samples deemed appropriate from our animal(s).

We will indemnify and hold harmless PCJLSI and all of its sponsors and assisting organizations, their employees and agents, against all legal or other proceedings in connection with said drug testing. We will also indemnify and hold harmless the show and its sponsors and assisting organizations against all claims for injury to any person or property caused by any animal.

We agree to pay all costs associated with testing, including but not limited to, veterinarian, laboratory, slaughter and postage or airfreight if any animal is in violation of the provision of this certificate.

IMPORTANT INFORMATION:
The projects displayed in Old Pueblo Hall represent a wide variety of projects available to young people through the Pima County 4-H Youth Development Program. Not all available projects are used during any given year. If you are a 4-H member in Pima County and you cannot find your project represented in these rules, be assured that every effort will be made to accommodate your projects need. Please contact the Building Superintendent for more information. The 4-H Program reserves the right at any time to add classes and lots to ensure that ALL MEMBERS have the opportunity to show their work.

A. Exhibitors in this division must be bona fide Pima County 4-H Club Members for the Club year, and must be enrolled in the project they are exhibiting, except the Family and Consumer Sciences Division. Junior members are those who have reached their 9th birthday but not their 14th birthday by January 1, 2018. Senior members are those who are 14 but have not reached their 19th birthday by January 1, 2018.

B. Entry forms must be fully made out and SIGNED by parent and member. Send completed entry forms to the Cooperative Extension Office, 4210 N. Campbell Ave., Tucson, AZ 85719 by Friday, March 9th 2018. List all entries you might possibly enter. Look for forms on the 4-H Website. NOTE: Enter separate forms for each class.

C. Each club member may make only one entry per lot in the specific project and year in which he/she is enrolled, unless otherwise specified. Sub-lots may be established by Department Superintendent, if deemed necessary.

D. All exhibits for this division except “Decorative Food” must be checked in with the Department Clerk between 9:00 a.m. and 2:00 p.m. on Saturday, April 14th 2018.

E. Club members may exhibit articles and products made since the 2017 Fair, provided they meet the enrollment requirement (Rule 1). Leaders must be able to certify the articles were made since the 2017 Fair. Articles previously exhibited at the Fair are ineligible.

F. All exhibits and contests will be judged by the Danish System of Judging (Blue, Red, White). Participation Ribbons will be awarded according to the decision of the judges. In all cases the judge's placing will be final. A Purple Rosette MAY BE awarded if the judge determines the entry is SUPERIOR. A Purple Rosette need not be awarded in a class or lot. Special sponsored awards may be given in lieu of trophies for outstanding exhibits.
G. ALL POSTERS IN ALL CLASSES WILL BE 28” X 22” (full size).
H. It will be the responsibility of the exhibitor for any maintenance that is necessary on his/her exhibits.
I. Every effort will be made to protect entries, but in no case will the Project Director, Superintendent, or any Fair Official be responsible for damage or loss which may occur. In some cases, the Project Director may send home exhibits which would be difficult to exhibit. In these cases, the item will be judged and a photo of the article will be displayed.
J. The Superintendent and Project Directors jointly have the right to reject any unsightly or inappropriate exhibit or exhibit not pre-registered by March 9th 2018 due date.
K. THE FAIR COMMISSION REQUIRES ALL EXHIBITS TO BE ON DISPLAY UNTIL 6:00 p.m., Sunday, April 29th 2018. Exhibits will be released at 6:00 p.m., Sunday, April 29th, 2018 only to the ADULT LEADER OR HIS/HER REPRESENTATIVE (ONE PER CLUB, ONE PER DEPARTMENT). INDIVIDUAL MEMBERS MAY NOT CHECK OUT ITEMS. Make arrangements with your leaders to pick up your items.
L. Any infraction of Southwest Fair Commission or 4-H/FFA Rules will result in disqualification for exhibitor the following year in the Old Pueblo Building. This will be determined by the Old Pueblo Building Superintendent and Department Superintendent. A letter concerning this infraction must be sent to Exhibitor, 4-H Board of Directors, and Executive Director of Pima County Fair.
M. Unlicensed drivers are not permitted to operate any motorized vehicle (ATV's, Motorcycles, golf carts, etc.) on the Pima County Fairgrounds.
N. The following pertain to the judging of entries in the Old Pueblo Building:
   a. There are four different types of judging which may be done on any entries exhibited in Old Pueblo Hall:
      i. Static judging is the judging of items made by 4-H members. Standard sheets are used to compare the item with the standard established by that project. These sheets are usually returned to the 4-H member with the ribbon. Ribbons are awarded to all items according to the Danish system-blue, red, and white. Participation may also be awarded in special cases.
      ii. Interview judging involves a discussion with the member about his or her project. This process requires the member to evaluate his/her project and to suggest ways in which the project could be improved.
      iii. Open Interview judging may take place when a judge reviews the work of a number of members at one time and has discussions and interviews with the member. This method gives members an opportunity to learn from each other and to ask questions about how they can improve their projects.
      iv. Project review requires the 4-H member to come to an interview with a goal/record sheet complete. With a judge, he/she evaluates his/her project and his/her items for judging. This activity may be conducted at a pre-fair or a special project related activity. We encourage all youth in the Home Economics areas of the 4-H program to participate in this activity. Project goal/record sheets will be available to all Clubs by December.
GENERAL RULES

A. Old Pueblo Building Rules also apply to this division.
B. All posters in all classes will be 22” X 28”.
C. An exhibit that had more than one person work on it will be considered a club display. Club displays will receive one ribbon on the display.
D. All articles must be completed and ready for use.
E. The various skills, craftsmanship, and designs will be the basis for evaluation on judging; size of article will not be considered unless it is applicable.
F. Judges will determine ribbons and rosettes. A panel of three individuals (determined by the project director and superintendents) will determine trophy winners from the rosette winners.
G. Judging times will be announced as soon as they are available.
H. Any item may be sold by the exhibitor with consent of the Engineering and Science Project Director or Superintendents.
I. Work done and articles made in 4-H Must not be the same as the work and projects completed in vocational agriculture/home economics classes or other youth groups.

DEPARTMENT “S”
ENVIRONMENTAL AND SHOOTING EDUCATION

Project Coordinator
Alan Young
Phone: 690-0932
Email: Pima4HShooting@aol.com

GENERAL RULES:
The Pima County Shooting Sports Education Coordinator has the option to hold competitions at
the Fair or at other venues. All leaders and youth will be notified of the date, location and time
of the competitions. The Coordinator is the final decision making authority for any questions
arising during the competitions.
The Pima County Shooting Sports Event is designed to be as similar as practical to the state and
national events. Events for juniors and sub-juniors are tailored to the capabilities of the age
groups.
Competitors must be capable of safely and competently completing an event within the time
allotted with minimal supervision or coaching. Competitors are responsible for providing their
own equipment, safety items, arrows, pellets, and ammunition. Competitions will start promptly,
late starts by competitors will not be allowed. Safe behavior is mandatory; infractions will be
cause for a penalty to be deducted from the competition score up to immediate removal from the
event.

REQUIREMENTS:
REGISTRATION: Individual and team registration is due at the extension office no later than
March 7th, 2018.
ENROLLMENT: 4-H members must be actively enrolled in the Shooting Education project
under the direction of a currently certified Shooting Education leader by Fair registration
deadline.

EXHIBITORS:
Sub-Juniors (9-11) must be 9 years old but not 12 years old by January 1 of the current 4-H year.
Juniors (12-13) must be 12 years old but not 14 years old by January 1 of the current 4-H year.
Seniors (14-18) must be 14 years old but not 19 years old by January 1 of the current 4-H year.

SCORING:
The sum of the equalized event competition scores and the poster score will determine the event
score. Safety deductions will be applied to the competition scores.
TEAMS:
Teams will consist of three or four members from one club. Sub-juniors and juniors may compete in their next older age classification to complete a team; however individual scores will be ranked within the actual age group. The top three event scores for a team will count for the team score; if there are four members on a team the lowest score is dropped. Clubs do not have to send complete teams to compete.

POSTER:
Individuals may enter shooting sports related posters to be displayed at Old Pueblo Hall. The posters will be judged and scored with a maximum value of 100 points. More than one poster may be submitted by an individual, the highest score will be used as the poster score for each event entered. 4-H Old Pueblo Building Rules apply. Individual awards will be given for posters. The maximum poster size is 22 x 28 inches.

AWARDS:
For each event, team and individual awards will be given.

EVENTS:
These following synopses are provided for information only. The individual events and competitions described herein are governed solely by the 2016-2017 Pima County Shooting Sports rules and the contest guidelines as described by the national governing bodies for each discipline.

ARCHERY:
Traditional and compound archery are different events with different teams, but will shoot the same competitions. Competitors must select only one archery event (traditional or compound archery). Target distances are comparable to the state and national events; the use of sights is highly recommended. The archery event will consist of competitions in the 3-D (FITA rules), Olympic (FITA), and Field (NFAA) disciplines.

AIR GUN:
The air gun event will consist of competitions in the air rifle 3-position bullseye, air rifle silhouette, and air pistol bullseye disciplines.

SHOTGUN:
The shotgun event will consist of competitions in the skeet and trap disciplines.

MUZZLE LOADING:
The muzzle loading event will consist of competitions using novelty and bullseye targets.
SMALLBORE RIFLE:
The smallbore (.22) rifle event will consist of selected stages from the Civilian Marksmanship Program (CMP) rimfire sporter match.
GENERAL RULES

A. Each food item entered should be of High Quality Standards and attractively prepared.
B. The judges can disqualify any product in this division that does not reach 4-H food standards. Any product not meeting specifications will be for exhibit only.
C. Foods containing perishable fillings or toppings such as: creams, eggs, custard, meat and vegetable combinations, fresh fruits, etc. will be judged and a photo will be taken to exhibit.
D. All 4-H food members are encouraged to participate in interview or open interview judging. All food entries with the exception of Decorative Foods must have their items turned in by Saturday, April 14th 2018, between 8:30 a.m. to 12:30 p.m. interview judging will be done at that time.
E. Recipes for products must be included with fair entry. Points will be deducted if recipe is not included with entry.
F. All cakes (decorated and other) should be brought on a firm cardboard base. Base should not be any larger than 2” from the edge of the cake. All other food entries will be displayed by project coordinator. Plates should be covered with plastic bags or plastic wrap. The fair will not return plates or platters. Wedding cakes may be constructed of Styrofoam. All decorative foods must be turned in Monday, April 16th 2018, between 4:00 p.m. to 8:00 p.m.

Project Leader
Because of the nature of shooting sports, the club’s certified project leader has to sign off on every 4-H member (exhibitor) who competes in the Pima County Fair 4-H Shooting Sports Competition. By signing this form you agree that this 4-H member is in good standing with your club, is qualified to participate in this event and is qualified to use the equipment in a safe and responsible manner. This event is not a training class and you will not coach or allow other adult members of your club to coach this 4-H member during the competition, other than allowed by the rules. Coaching not allowed in the rules will result in the 4-H member being disqualified.

Club Shooting Sports Project Leader’s Signature ___________________________

Parent/Exhibitor
Bureau of Alcohol, Tobacco and Firearms (BATF) requires a signed permission slip with the 4-H member at all times if they are under 18 years old and come in contact with a pistol. By signing this form you are consenting to allow this 4-H member to possess a firearm (including pistol) while participating in the Pima County Fair Event as a part of Pima County 4-H Youth Development. The person who signs this form must not be prohibited by federal, state or local law from possessing a firearm.

Pima County Fair, the Southwestern Fair Commission, Pima County Parks and Recreation, Tucson Trap and Skeet Club, and the University of Arizona including its officers, directors, servants, agents, and/or employees and Pima County, a body politic, including its supervisors, officers, directors, servants, agents, and/or employees, hereinafter collectively called “Fair” and the owner and/or exhibitor, including parents and/or legal representatives, herein called “Exhibitor” agree that “Fair” will in no case be responsible for any loss, damage, or injury to the person, animals, or property of Exhibitor, or Exhibitor’s agents, servants, family, and/or employees, regardless of how such loss, damage or injury is occasioned and by whom.

“Fair” assumes no responsibility for the correctness of any description given in the Premium Book or Handbook.
“Exhibitor” agrees to abide by all Rules and Regulations of the State of Arizona, Pima County, Pima County Fair, Tucson Trap and Skeet, Southeast Regional Park Shooting Range and the Pima County 4-H Shooting Sports Committee.

I have reviewed the 2017-18 revised rules.
