Pima County 4-H Program Policy 2.01

A. Project Coordinator Elections:

Project Coordinators will be elected at the Project Critique Meetings. Each club that has 4-H members enrolled in the project will have two votes, one adult and one youth. The adult vote may be a project leader or community club leader, which is a certified 4-H Volunteer enrolled in the 4honline enrollment system in their respective club. The youth member voting must be enrolled in the project and respective club in the current year. All adults voting and youth voting must be present to vote.

An individual nominated for a project coordinator position must be

• a certified Arizona 4-H Volunteer
• currently enrolled in the 4honline enrollment system in Pima County
• a volunteer in good standing with the Pima County 4-H Office

Elected project coordinators can select Project Superintendent(s) that meet the following:

• a certified Arizona 4-H Volunteer
• currently enrolled in the 4honline enrollment system in Pima County
• a volunteer in good standing with the Pima County 4-H Office
