

THIS IS 4-H

4-H IS A COMMUNITY FOR ALL

Our Mission is to encourage and support young people and the caring adults who are participating in the 4-H Youth Development programs throughout Arizona.

4-H PROGRAMMING

Based on their interests and guided by adult mentors, youth develop their own pathway in 4-H. They select from a broad menu of local 4-H programs. These hands-on, learn-by-doing, opportunities take the form of in-school and after-school programs, school and community clubs and 4-H camps.

4-H EMPOWERS YOUTH WITH THE SKILLS TO LEAD FOR A LIFETIME.

For over 112 years, AZ 4-H has welcomed young people of all beliefs and backgrounds, giving kids a voice to express who they are and how they make their lives and communities better.

In 4-H programs, kids and teens learn by doing. Adult mentors lead positive learning environments where 4-H youth are guided and encouraged to take on proactive leadership roles.
