

## **2026 Cochise County BeefBuilder™ Program Guidelines**

Riverview, LLP is excited to announce in partnership with Purina Feeds we will be offering the BeefBuilder™ Program once again this year at Cochise County Fair. The BeefBuilder™ project is an excellent opportunity for youth involved in a livestock club to learn about raising a beef animal. There is a limited number of calves in the program, so this year, we will be continuing the application process to determine eligibility. In addition, there will be scoring done on site visits. Below is a list of mandatory dates. The youth member that is participating must be present at **ALL** of the meeting dates.

Please Note: There is a \$125 project fee associated with this project. The fee will be used to purchase supplies for the project and a project t-shirt.

### **Mandatory Dates:**
