YOUiversity

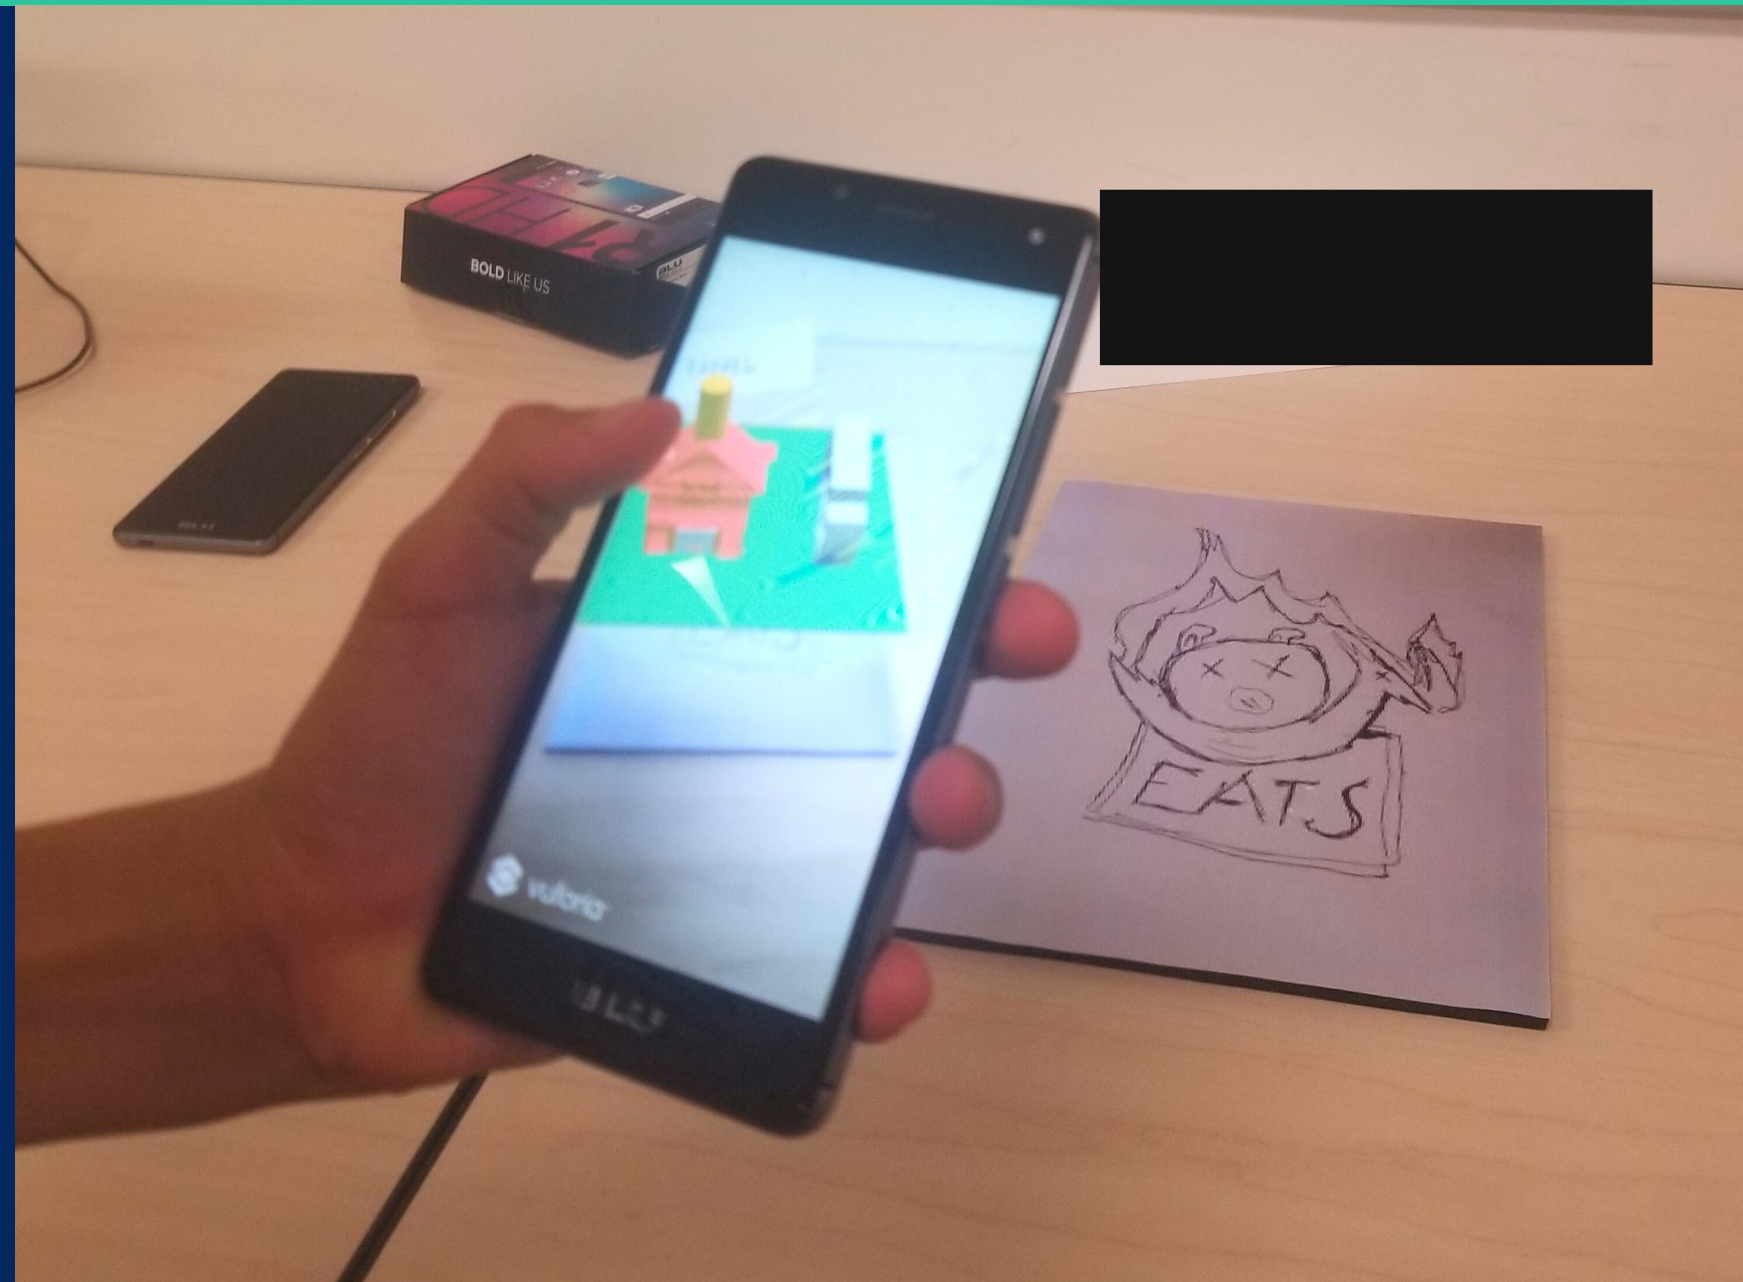

THE UNIVERSITY OF ARIZONA  
Cooperative Extension

# CROSS REALITY (XR) PROJECT SPRING 2022

January 13th - March 24th

**Open to Arizona Teachers, Educators, 4-H  
Volunteers and 6th-12th Grade Students**

Participants will work as a team to build and program a robot using Color Sensor, Touch Sensor, Ultrasonic Sensor, and Gyro Sensor. Teams will showcase what was learned with other teams across the state.
