Arizona Viticulture Symposium & Growing Season in Review Workshop

Attention Arizona winegrowers! The University of Arizona Cooperative Extension is hosting a Viticulture Symposium & Workshop for the Arizona Wine Industry. The purpose of the event is to deliver educational programming for the vineyard as well as a “Growing Season in Review” workshop where growers can discuss what went right, what could be improved, and how University Extension can provide support for challenges and priorities.

When: Wednesday, December 4th, 2024

7:30am to 4pm

Where: University of Arizona Controlled Environment Agriculture Center

1951 E Roger Rd, Tucson, AZ 85719

Presenters and Topics to Include:

Dr Al Fournier & Jack Peterson: Integrated Pest Management

Matt Halldorson: Sour Rot Management in the Vineyard

Dr Alex Hu: Pathology

Tom Pitts & Dr Feifei Zhang: Arizona Wine & Impact on Tourism

Dr Debankur Sanyal: Soils and Fertility

Dr Jeremy Weiss: Weather and Climate

Growing Season in Review Workshop
