

# BQA LIVESTOCK/EQUINE RESOURCE

## Workshop

## WHEN

**February 2, 2024**

## WHERE

**Cattle Association**  
**1 San Carlos Ave, San Carlos, AZ 85550**

Topics • Biosecurity Resources • Simulator hands-on •  
Future Workshop Topics • Working group with partners

Beef Quality Assurance (BQA) is a program that raises consumer confidence by offering proper management techniques and a commitment to quality within every segment of the beef industry. Training will focus on Arizona producers and examples such as the Native beef program, record keeping, and basic management practices.
