COMPOST & NUTRIENT PLANNING WORKSHOP

FEED YOUR SOIL. FUEL YOUR FARM.

<https://tinyurl.com/YavapaiCompost>

Join us for a workshop focused on compost and soil nutrient management for small-acreage farms. **Annie Baker** from the **Prescott Farmers Market** will share how they produce high-quality compost locally, including materials, methods, and troubleshooting tips. **Michael Pierce**, from **Cooperative Extension**, will guide participants through understanding compost and soil lab analysis reports and how to calculate compost application rates to meet soil nutrient goals.
