

UA Soil & Evaluation for Onsite Wastewater Systems

This is a 3-day, **ADEQ-approved** course covering soil and site evaluation for onsite wastewater treatment systems. Successful completion of the course completion exam will result in your name being listed as a Registered Soil & Site Evaluator for ADEQ. The course will be conducted both in the classroom and in the field. COVID-19 safety restrictions will be communicated to you via email upon registering. Topics to be covered include: water movement and acceptance; soil treatment; soil evaluation including description of texture, color, structure, and consistence; and site evaluation procedures. **Prerequisite:** You must have participated in a NAWT Inspection Training class to attend this course. *Attending this class qualifies for 8 CEU hours towards maintaining your NAWT certificate of completion.*

When: October 21-23, 2024

Where: Holiday Inn Express, Conference room (151 W Deuce of Clubs, Show Low, AZ 85901)

Meting Time: 8:00 a.m.-5:00 pm, all three days

Instructors: David Gustafson, P.E. and Dan Wheeler

Cost: \$400 for early registration (until October 11) and \$450 for late registration (after October 11).

Registration will be confirmed upon receipt of fees. Cancellations within one week of workshop will result in half refund of payment. Registration includes class instruction and materials, breaks, and lunch on all three days.

Policies: Preregistration and prepayment is required. No onsite registrations accepted.

Certification: This workshop qualifies for 24 Professional Development Hours (PDHs), 20.0 hours of contact for AZ Registered Sanitarians, and 8 CEU hours for NAWT (**\$75 credentialing fee applies separately**).

Hotel Information: Room block at discounted rate available at he same location. For more information, please contact Aaron Tevik at atevik@arizona.edu.
