

GARDEN CROP SUCCESSION PLANNING WORKSHOP

**KEEP YOUR GARDEN BEDS FULL
AND YOUR HARVESTS CONSISTENT**

<https://tinyurl.com/GardenCrops>

Join the University of Arizona Cooperative Extension for a **FREE** workshop on crop succession planning designed for small-scale and commercial food growers. Learn how to maximize output from limited space by aligning your crop choices with seasonal timing, market demand, and profitability. This hands-on session includes an interactive exercise where participants will map out a planting plan for a theoretical farm. **SIGN UP ONLINE:** <https://tinyurl.com/GardenCrops>
