Annual Report for 2011
Public Relations Committee
Yavapai County Master Gardener Association

Committee: Angela Mazella, Chair; Steve McIntyre, Co-Chair; Nora Graf, Newsletter Editor; Judy Mannen, Artwork; Susan Brook.

Accomplishments:

Changes to the responsibilities of the PR committee were approved by the MGA board.

Our new media contacts list has worked really well resulting in more inclusions of press releases in the local newspapers.

We were able to profile 6 master gardeners in the newsletter "Meet a Master Gardener" column thanks to Susan Brooks.

This was a "business as usual" year, which was our ultimate goal.

We were unable to produce a bookmark for the Arizona Centennial because our artist had many family issues in 2011. I hope to introduce the idea again for a permanent MGA ad piece when circumstances allow.

11 Yavapai Garden Newsletters.

The PR Committee covered all MGA events for the newsletter with pictures including the MGA Conference, Monsoon Madness and the MGA Recognition Picnic. Thanks to Nora Graf, we produced 11 issues of the newsletter in 2011.

We issued one press release for the Native Plant database which appeared in 2 local newspapers.

Lastly, Nora Graf continues to maintain the MG blog she initiated two years ago.
