

The page is framed by a decorative border of various green leaves and plants. The leaves include simple oval shapes, serrated edges, and more complex shapes like clovers and ferns. Some leaves are shown with stems and roots. The border is arranged in a grid-like pattern around the central text.

Master Gardener Association 2012 History

Yavapai County – Master Gardener Program

Master Gardeners are trained volunteers who provide educational information to Cooperative Extension clients.

Annual Report for 2012
Public Relations Committee
Yavapai County Master Gardener Association

Committee: Angela Mazella, Chair; Steve McIntyre, Co-Chair; Nora Graf, Newsletter Editor; Judy Mannen, Artwork; Susan Brook.

Accomplishments:

Our major accomplishment was the informational bookmark which outlines our goals, locations and, websites. We printed 5000 for local distribution. Judy Mannen was instrumental in bringing this goal to reality.

We were able to profile 4 master gardeners in the newsletter "Meet a Master Gardener" column thanks to Susan Brooks.

This was a "business as usual" year, which was our ultimate goal. The Monsoon Madness PR was our major effort.

Steve McIntyre will be chairing the PR Committee beginning January 1, 2013 as I will be moving to the Speaker's Bureau.

.

11 Yavapai Garden Newsletters.

The PR Committee covered all MGA events for the newsletter with pictures including the MGA Conference, Monsoon Madness and the MGA Recognition Picnic. Thanks to Nora Graf, we produced 11 issues of the newsletter in 2012.

Lastly, Nora Graf continues to maintain the MG blog and our Facebook page has increased in popularity.

.

Angela Mazella

2012 Speakers Bureau Presentations Completed

Organization	Topic	Pres. Date	Area	Speaker	Attendance
PV Community Garden	Seed Propagation	1/28/2012	Prescott Valley	Sandy Lundgren	25
