Welcome to our 2020 Pinal County 4-H Fair!

The Pinal County Cooperative Extension staff would like to extend a warm county fair welcome to our 4-H exhibitors and families. We hope you find the fair to be an excellent educational opportunity for growing and sharing as you participate in our many activities during the week of fair.

We would like to send special thanks to our 4-H Project Directors, Contest Coordinators, Certified Volunteers, Parents, and Members who contribute time and collaborative efforts toward a rewarding and successful Pinal County Fair experience. Your kind assistance and numerous hours of dedicated service provide 4-H youth with memorable opportunities that last a life time. **THANK YOU** for all you do for the 4-H youth of Pinal County!

We hope your club will share what you do during the 4-H club year by **reserving a club booth space in the 4-H building**. Each community club can reserve ONE club booth space before **March 13th**. Each space is approximately 8'x8'. You can use banners, project equipment, signs, educational displays, and more to show the visiting public what your club loves about 4-H. Each booth will be judged and awards will be presented at the 4-H awards program. We hope all 4-H clubs will want to be a part of it!

See you at the fair!

Sincerely,

JUDGING

4-H judges will be selected by the Project Directors for each species. Judges' information will be made available prior to the Fair. It is expressly prohibited for any exhibitor, exhibitor's parents, or anyone acting on behalf of the exhibitor to have any direct contact with a judge after the announcement and prior to the arrival at Fair. Violators of this rule may be subject to removal from the Fair. Breed classes will be judged by specific breeds. If the classes have low entries the classes will be combined as the Project Director deems appropriate. Ideal standards for each breed will be considered. Where there is no competition, judges may award one ribbon, or no ribbon according to merit.

Grand Champions from the 4-H Junior Novice, Junior, Senior Novice, and Senior showmanship classes from each species are eligible to compete in the Round Robin Showmanship Contest. In the event that there is no competition in a class, it is up to the discretion of the judge to award a Grand Champion or not.

Judges decisions are final. Please see each specie area for specific details for your show.

AWARDS

Danish System will be used, which is based on raising and exhibiting a quality project as determined by the judge. Some special awards will be presented for outstanding performance by the exhibitor and/or animal at the 4-H awards presentation.

SALES

If the exhibitor intends to sell an animal, it will be the sole responsibility of the exhibitor. A bill of sale must be presented at release by the new owner. Signs may not be posted prior to its breed show. **NO** adults will be allowed to sell animals during the fair.

MEAT PEN AUCTION
