SAVE THE DATES!!

University of Arizona College of Agriculture & Life Sciences Co-sponsored 2020 Onsite Wastewater Education Program Classes:

**NAWT Inspection Training**  
January 27-28  
Riverside Resort & Casino – Laughlin, NV

**August 27-28**  
Holiday Inn – Casa Grande, AZ

**Intro to Design of Onsite Wastewater Treatment Systems**  
April 8-9  
Public Works Conference Room B – Prescott, AZ

**Advanced Design of Onsite Wastewater Treatment Systems**  
April 10  
Public Works Conference Room B – Prescott, AZ

**Soil & Site Evaluation for Onsite Wastewater Systems**  
March 30-31, & April 1 (3 Days)  
University of Arizona at Sierra Vista, Public Meeting Room – Sierra Vista, AZ

**October 21-23**  
TBD

NAWT Inspection Training

Did you know that you are now required to attend an ADEQ-approved course before initiating the real estate inspection? Your successful completion of the 2-day ADEQ-approved course and certification test will result in your name being listed as a certified inspector with both NAWT and ADEQ. This list is posted on the NAWT website [www.nawt.org](http://www.nawt.org) and visited by property owners and real estate agents engaged in the Arizona Transfer of Property Inspection Program under AAC R18-9-A316. This course is a pre-requisite for all University of Arizona Onsite Wastewater Treatment courses. Other Certification: This workshop qualifies for 16 professional development hours (PDHs) and 13.5 contact hours for Arizona Registered Sanitarians.

**Intro to Design of Onsite Wastewater Treatment Systems**

This is a 2-day course on designing onsite wastewater treatment and dispersal systems using Arizona regulations primarily for gravity distribution and residential applications. A homework assignment will be used to provide practical application of material learned in the workshop. Please bring a calculator and writing implement. Prerequisite: All participants will need to have completed both the NAWT Inspection Training & Certification and Soils & Site Evaluation courses. Other Certification: This class qualifies for 16 CEU hours for maintaining NAWT certification, 16 Professional Development hours (PDHs), and 16 contact hours for Arizona Registered Sanitarians.

**Advanced Design of Onsite Wastewater Treatment Systems: Topic**

ATU & Textile Filters & Evapotranspiration Beds

This one-day course in advanced design of onsite wastewater treatment systems will cover ATU & Textile Filters & Evapotranspiration Beds. Prerequisite: All participants will need to have completed both the NAWT Inspection Training and Soils & Site Evaluation courses. Other Certification: This class qualifies for 8 CEU hours for renewing your NAWT certificate.

**Soil & Site Evaluation for Onsite Wastewater Treatment Systems**

This is a 3-day, ADEQ-approved course covering soil and site evaluation for onsite wastewater treatment systems. Successful completion of the course completion exam will result in your name being listed as a Registered Soil & Site Evaluator for ADEQ. The course will be conducted both in the classroom and in the field. Topics to be covered include: water movement and acceptance; soil treatment; soil evaluation including description of texture, color, structure, and consistence; and site evaluation procedures. Prerequisite: You must have participated in a NAWT Inspection Training & Certification workshop to attend this course. Other Certification: This workshop qualifies for 24 professional development hours and for 21.6 hours of contact hours for Arizona Registered Sanitarians.
