

## ***SAVE THE DATES!!***

### **University of Arizona College of Agriculture & Life Sciences Co-sponsored 2020 Onsite Wastewater Education Program Classes:**

#### **NAWT Inspection Training**

**January 27-28**

Riverside Resort & Casino – Laughlin, NV

**August 27-28**

Holiday Inn – Casa Grande, AZ

#### **Intro to Design of Onsite Wastewater Treatment Systems**

~~April 8-9~~ TBD

Public Works Conference Room B – Prescott, AZ

#### **Advanced Design of Onsite Wastewater Treatment Systems**

~~April 10~~ TBD

Public Works Conference Room B – Prescott, AZ

#### **Soil & Site Evaluation for Onsite Wastewater Systems**

~~March 30-31, & April 1~~ Canceled

University of Arizona at Sierra Vista, Public Meeting Room – Sierra Vista, AZ

**October 21-23**

University of Arizona at Sierra Vista, Public Meeting Room – Sierra Vista, AZ

---

## NAWT Inspection Training

Did you know that you are now required to attend an ADEQ-approved course *before* initiating the real estate inspection? Your successful completion of the 2-day ADEQ-approved course and certification test will result in your name being listed as a certified inspector with both NAWT and ADEQ. This list is posted on the NAWT website ([www.nawt.org](http://www.nawt.org)) and visited by property owners and real estate agents engaged in the Arizona Transfer of Property Inspection Program under AAC R18-9-A316. *This course is a pre-requisite for all University of Arizona Onsite Wastewater Treatment courses.* **Other Certification:** This workshop qualifies for 16 professional development hours (PDHs) and 13.5 contact hours for Arizona Registered Sanitarians.

## Intro to Design of Onsite Wastewater Treatment Systems

This is a 2-day course on designing onsite wastewater treatment and dispersal systems using Arizona regulations primarily for gravity distribution and residential applications. A homework assignment will be used to provide practical application of material learned in the workshop. Please bring a calculator and writing implement. **Prerequisite:** All participants will need to have completed both the NAWT Inspection Training & Certification and Soils & Site Evaluation courses. **Other Certification:** This class qualifies for 16 CEU hours for maintaining NAWT certification, 16 Professional Development hours (PDHs), and 16 contact hours for Arizona Registered Sanitarians.

## Advanced Design of Onsite Wastewater Treatment Systems:

### Topics: ATU & Textile Filters & Evapotranspiration Beds

This one-day course in advanced design of onsite wastewater treatment systems will cover ATU & Textile Filters & Evapotranspiration Beds. **Prerequisite:** All participants will need to have completed both the NAWT Inspection Training and Soils & Site Evaluation courses. **Other Certification:** This class qualifies for 8 CEU hours for renewing your NAWT certificate.

## Soil & Site Evaluation for Onsite Wastewater Treatment Systems

This is a 3-day, **ADEQ-approved** course covering soil and site evaluation for onsite wastewater treatment systems. Successful completion of the course completion exam will result in your name being listed as a Registered Soil & Site Evaluator for ADEQ. The course will be conducted both in the classroom and in the field. Topics to be covered include: water movement and acceptance; soil treatment; soil evaluation including description of texture, color, structure, and consistence; and site evaluation procedures. **Prerequisite:** You must have participated in a NAWT Inspection Training & Certification workshop to attend this course. **Other Certification:** This workshop qualifies for 24 professional development hours and for 21.6 hours of contact hours for Arizona Registered Sanitarians.
