

2022-2023 Annual 4-H Club Re-enrollment Packet

Dear Club Leaders,

Maricopa County 4-H, welcomes you back to another new 4-H year! This year each 4-H member is required to pay the \$ 25.00 membership fees thru [ZSuite](#) . Enrollment is not finished until all forms are completed, with waivers signed and fees paid. Club Leaders will not be required to collect the membership fees this year. Once the Member has paid the membership fees, we will activate their account and then they can start participating in 4-H events and activities. Each Club Leader can collect their own club dues, if applicable.

The 4-H years starts on October 1 and ends on September 30. Please complete and return this packet **as soon as possible**, but no later than **Monday, August 15th**.

4-H clubs, volunteers and youth will be able to re-enroll in 4-H's online registration tool, [ZingBooks](#), 1-2 business days after this packet has been turned into the office.

We encourage you to check out the [Maricopa County 4-H webpage](#) which we update regularly. We will also continue to send out our weekly e-newsletters.

4-H Meeting Calendar and Program Plan

It is mandatory for all clubs to provide a program plan and event calendar (this must include all club events) in order for us to ensure that educational opportunities are provided. In addition, this information is required to be on file to qualify for the annual accident insurance that is purchased by The University of Arizona to cover members, who are active in ZingBooks, while attending club meetings and events. Successful program planning includes goals/desired outcomes, a plan of action, and a general timeline. The following template is provided for your use; however, you may create your own club calendar and program plan, as long as it addresses the requested information below. It is important that if additional club events are added you email esthergeel@arizona.edu to ensure event coverage.
