JUNIOR LIVESTOCK SALE

The Junior Livestock sale will be held **Friday September 9, 2022, beginning at 10:00AM** (Tentatively) at the Loren C. Lee Showring, Window Rock, AZ. Grand and Reserve Champion are both REQUIRED to sell, all other animals that qualify for sale have the option to remain in the sale or pull their animal. **Should the exhibitor decide to pull from the sale they have ONE HOUR following the conclusion of the show on Thursday September 8, 2022, to notify the Livestock Coordinator.** EXAMPLE: If the 2ndplace lamb exhibitor decides to pull from the sale, the 3rd place lamb of the class is eligible for sale in the livestock auction.

SALE ORDER: The sale order will be decided through a lottery draw, each animal participating in the sale will be drawn for sale order to complete the full sale listing.

LIMIT OF SALE ANIMALS PER EXHIBITOR IS TWO (2)

Example: One Grand Champion Steer & One Second Place Swine

LAMB DIVISION SALE: Only the top two (2) of each weight class including the Grand and Reserve Champion will be eligible for sale.

Pee-Wee Project Lamb Sale Slot: Youth with the Pee-Wee age range are not considered “competitive” ages (5 yrs-7/8yrs), therefore, there will not be a grand or reserve Pee-Wee project lamb. Depending on the number of heats for the Pee-Wee Lamb Project, will determine the number of sale slots. All lambs will sell as a lot within their respective heat. Funding generated from the sale slot will be divided evenly among the exhibitors in that heat.

Example: 10 Pee-Wee Project Lambs are separated into two heats. Heat One- 5 lambs, Heat Two- 5 lambs. This will generate 2 sale lots. The Heat One- 5 lambs will all be shown together in the sale and sold as a lot. Ex: Lot sells for \$5,000.00, each lamb sold will generate a purchase of \$1,000 that will go directly to the exhibitor. Sale amount is at the buyer’s discretion.

BEEF DIVISION SALE: Only the top placed steer in each class including the Grand and Reserve Champions will be eligible for sale. For a total of five (5) Market Beef being SOLD. Beef will be sold on a per pound basis with a maximum weight of 1250 pounds.

SWINE DIVISION SALE: Only the top two (2) from each weight class including the Grand and Reserve Champions will be eligible for sale. For a total of eight (8) Market Swine will be sold on a per pound basis with a maximum weight of 265 pounds.

GOAT DIVISION SALE: Only the top two (2) from each weight class including the Grand and Reserve Champions will be eligible for sale. For a total of four (4) will sell in the auction, sold on a per head basis with a minimum weight of 50 pounds.

The Livestock Committee and Extension staff have the right to amend the number of sale animals pending circumstances that may arise.

DONATED BACK: In some cases, the buyer decides to purchase the animal and donate back to the exhibitor. As there has been a change in ownership the animal is not eligible to show at another event. They cannot be entered into another livestock event essentially that animal's show year has ended. Any animal that has been identified as going through the 2022 Navajo Nation Resiliency Sale and is shown at another event, will result in the exhibitor being BANNED from the next Jr Livestock Show. Depending on the nature of the offense the exhibitor can be banned from the entire show or just from exhibiting the species that was involved in the offense.

All sold market animals will go directly to processor unless other arrangements have been made by the buyer. As the sale has the potential to attract various buyers from all over the country/state/county the decision of the animal's delivery will be considered on a case-by-case basis pending the buyer's wishes.

There may be a terminal market for all out-of-state livestock. The state laws of Arizona, New Mexico, Utah, Colorado and the Navajo Nation regulate out-of-state transportation of livestock into and out of Arizona and the Navajo Nation. Any market animal that has been sold in a previous event cannot be entered into the market class at the 2022 Navajo Nation Resiliency Jr Livestock Show & Sale. Should an animal place Grand or Reserve Champion in any class, they CANNOT be shown at any other concurrent show and must be sold during the sale.

CARE & HERDSMENSHP: The exhibitor is responsible for the care of the livestock until the animal has been turned out into the appropriate pen. Although the sale has been completed does not mean the exhibitor should abandon/neglect the care of the animal. The Livestock Committee or Superintendent will designate and provide direction as to where the SOLD animal will be penned, based on buyers wishes for packer location or other arrangements made.

SALE OF ANIMAL PRIOR TO SALE IS PROHIBITED: No sales should be done prior to the sale of animal participating in the event whether the animal has qualified for the sale during the auction or not. There should not be any arrangements with buyers to sale prior to sale event being concluded. Money from the packer will be submitted into the Junior Livestock account to support future sale & show. No animals that have not gone through the Jr. Livestock sale ring will be included in the sale in anyway, this included transportation to processing facilities and processing of payments between third parties. Should you sell outside the ring after the conclusion of the Jr Livestock Sale, it is considered a private sale, the Jr Livestock Committee, Livestock Superintendents, and Extension Agents will have no part in delivery/hauling, slaughter slots, and/ or any payment.

REMINDER BUYERS DISCRETION: The Junior Livestock Show & Sale do not determine the amount a buyer can bid on any animal regardless of placing. It is at the sole discretion of the buyer to bid as they wish and purchasing preferences. Any grievance or complaint regarding sale price, sale order, etc. will not be considered a valid cause for a grievance. Any type of harassment of buyers or other exhibitors will not be tolerated and will result in forfeiture of

monies should the occurrence be true. The Jr Livestock Committee will do their best to procure buyers for the sale, but the buyer/ sponsors. However, it is encouraged that the exhibitor solicits their own buyer and have them participate in the auction.

Contingency/ Support fund: We will be deducting a percentage from the sales amount to maintain the contingency fund for the Jr. Livestock Committee. The percentage deducted is as follows:

Market Lambs, Swine, Goats is 4%

Market steers at 3%

The amount will be shown once checks have been made out, to reflect the sale amount, contingency deduction, and any added-on monies within the Livestock Sales Receipt.

DISCLAIMER FOR LIVESTOCK SHOW & SALE

The 2022 Navajo Nation Resiliency Jr 4-H/FFA Livestock Show & Sale Committee Event Staff understand the hardship the Global Pandemic has placed on all participants. As well as the continuous monitoring of the COVID-19 Infection numbers can change the ability for events such as this. Therefore we ask for your cooperation in any changes that may be had in conjunction of the CDC Guidelines for the state of Arizona and the Navajo Nation.

We, understand in time the mask mandates, may become more intense or can even subside, but we do ask for full cooperation should we have to navigate the show in the direction of the CDC mandates at the time of the event.

Thank you for your consideration and understating, let's have a great show & sale.
