I KNOW HOW TO BE A FRIEND

MEETING ACTIVITY #1 - Refer to Page 7

About Me...My Friend

- Have each child draw a picture of one of his/her friends.
- Then tell them to write (or have an adult write) the friend's name and some things they like about their friend on the sheet.

TALK ABOUTS

Read the book, *"How to be a Friend"* by Marc Brown

- What is a friend?
- Who can be a friend?
- Why do people want to have a friend?
- How can people show each other that they are friendly?

Friendship Collage

- Tell the children they're going to make pictures of their friends.
- Have them glue paper circles onto the construction paper.
- They can use them as friends' faces and then gather collage materials for features and hair.
- Children can either write their friends' names or have an adult write for them.

Water Balloon Toss Game

- Have the children choose a partner to be their friend.
- Have each set of partners take turns tossing their balloons to each other.
- After each successful toss, each "friend" takes one step back.
- Beforehand, let the children decide as a group what will happen if the balloon drops and breaks.

TRIPS or WALKS

- Visit a senior citizen center and present handmade friendship cards to the residents.
- Organize a mutual exchange project with another 4-H group. Exchange artwork, a cooperative snack, a skit, a favorite story or a puppet show.
