RESOURCES & ACTIVITIES

2022 Tractor Supply Paper Clover Campaign

Spring: April 27th – May 8th, 2022
Fall: October 5th – October 16th, 2022

Since 2010, Tractor Supply Company (TSC) has partnered with 4-H to raise more than \$17 million dollars through the Paper Clover campaign. The success of these campaigns has impacted over 81,500 youth with opportunities to attend 4-H camp or leadership events.

The Paper Clover campaign collects customer donations at the register to benefit local 4-H programs. Beginning in the Fall of 2021, customers also had the option to donate directly through the credit/debit card machine in addition to being asked by cashiers.

How do I get involved?

TSC stores love to partner with local 4-H programs! Because each store has a different footprint and availability you should get in touch with your local store manager to determine the best activities for your location.

There is always an increase in the amount of funds raised when 4-H'ers participate in-store. There are also lots of other ways you can work with your local TSC outside of the Paper Clover campaigns and developing a relationship with your local store manager is the best first step.

Where do I find promotional resources?

<https://4-h.org/professionals/marketing-resources/paper-clover-toolkit/>

To access the resources you need to complete a free

How should the funds be used?

90% of the funds raised through the 4-H Paper Clover campaign go back to the state they are raised in. The funds must be used to support scholarships to 4-H camp and leadership events. States have the freedom to distribute the funds in a way that works for them using these guidelines. Contact your state 4-H office for more information about how the funds are used in your state.

Credit Card Match and Online Donations

For 2022 when customers use their TSC credit card the amount they donate is matched by Citibank.

Customers can donate online when they make a purchase. The donated funds are then credited to the state the order ships to.

Do I need to report what we used the funds on?

YES! Following each campaign, states receive a link to a very short, simple form for them to share their plans for the funds. We ask that this be filled out 8-10 weeks following each campaign.

We know that oftentimes funds raised may not be used until the next summer so sharing a projection is fine. At the minimum we need the number of youth in your state that will benefit from these funds.

We also love pictures and stories about how the funds are used. Please send to shutches@4-h.org.

What data is provided to support the campaign?

At the end of the campaign National 4-H Council provides each state with a spreadsheet that lists the amount of funds each store raised.

Unfortunately we are not able to tie credit card match or online funds back to a store, only to the state.

A preliminary spreadsheet is usually available within 1-3 days of the end of a campaign. 2-3 weeks later a final spreadsheet is provided.

10 reasons to attend 4-H Camp G.R.I.T.

1. Meet new friends!
2. Step out of your comfort zone in a safe place!
3. Meet some new teens who will serve as your AMAZING counselors!
4. Get in touch with nature!
5. Disconnect from social media
6. Develop independence!
7. Explore new interests!
8. Create life-long memories!
9. It's just awesome fun!
10. You get a break from reality!

What is G.R.I.T.?

*G stands for GROWING
R stands for REACHING
I stands for IMPACTING
T stands for TOMORROW*

We strive for all our campers to learn how to better their environment, to grow, and to make an impact on the world around them.

**Need something to
do this summer??**

**Come to
4-H
Camp
G.R.I.T.**

What is 4-H Camp G.R.I.T.?

Held at James 4-H Camp from June 20-24, 2022, you'll have a moment to escape from your reality and get a chance to explore a new adventure.

The goal of 4-H Camp G.R.I.T. is simple: to create lasting memories for years to come. This camp will offer unique experiences, give you the chance to meet new friends, and will teach you a wide variety of new skills and concepts!

At 4-H Camp G.R.I.T. you will have the chance to learn how to lead, explore the wilderness, and enjoy amazing activities you might otherwise not have a chance to do!

How much does 4-H Camp G.R.I.T. cost?

Camper

Before May 23rd - \$450.00

After May 23rd - \$550.00

Family Rates

Regular rate for the first camper and then \$50 off for each additional camper

What is a Campitivity?

A Campitivity is what we call the fun activities you, the camper, get to experience at camp!

Potential Campivities:

4-H Camp G.R.I.T. will be offering several different activities and opportunities. The following are only a few things you might be able to do!

- Arts and Crafts (Dreamweaver's, Survival Bracelets, Tie-Dye and more!)
- Mountain-based activities like hiking and GPS scavenger hunts.
- Shooting Sports (Archery and Rifery)
- Basic First Aide
- Canoeing and Swimming
- Cooking
- Photography
- Field Sports (Kickball, Volleyball, Gaga Ball and more!)

SEE YOU AT 4-H CAMP G.R.I.T.!

Have more questions about 4-H Camp G.R.I.T.?

Please contact the Maricopa County 4-H program with any questions.

RESOURCES & ACTIVITIES

ARIZONA 4-H SUMMIT

Credit: The University of Arizona Mel & Enid Zuckerman College of Public Health

Theme: One Health

When: June 4 - 8, 2022

Who: 4-H youth ages 14-18

Where: The University of Arizona | Tucson, AZ

Cost: \$150 per person (includes meals, lodging, and program fees)

Summit is an experience for Arizona 4-H teens to build problem-solving skills, practice putting innovative ideas into action, and an opportunity to explore future careers. It offers a creative space for teen leaders ages 14-18 to ignite and grow their unique spark.

RESOURCES & ACTIVITIES

MoYava 2022 Summer Camp

Camp will soon be here! Dates this year are Sunday, July 3rd through Thursday, July 7th, 2022. Camp is held in the cool, tall pines of Mingus Mountain near Prescott. 4-H Camp is open to all 4-H members, 8-18 from Mohave and Yavapai Counties. The Camp Committee is planning the program which will include a variety of activities: swimming, canoeing, arts & crafts, archery, nature hikes, campfires, camp skills, sing-a-longs, and MORE!!!

We anticipate filling all 80 camper slots very quickly. For this reason, camp applications will be for 4-H members only unless space permits. Registrations will be accepted on a first-come basis.

*Please note, that this event is contingent on ongoing public health recommendations and the University of Arizona Cooperative Extension Phased Operational Plan.

Check out this great [Camp Video](#)

Registration

MoYava (Mohave - Yavapai) 4-H Summer Camp is July 3 – 7, 2022

Campers arrive at 2:00 p.m. on the 3rd and depart at 10:00 a.m. on the 7th

*****Required Forms:** To be turned in with your application. The application will not be accepted if all forms are not turned in together.

RESOURCES & ACTIVITIES

From the YQCA Executive Board of Directors... We're happy to share – yqcaprogram.org is LIVE!

Please bookmark this site as it will be your go-to site to learn about YQCA, access help documents, and earn your annual YQCA certification!

On the More Info/Parents & Youth page, you'll find help documents detailing the steps to getting your YQCA web-based training certification, and test-out certification. You'll notice a major change to the account structure – the opportunity to create a parent account and add children, essentially creating one family account for all your YQCA needs.

Parents/youth, if you have a current and valid YQCA certification that you downloaded and saved, please follow [these steps](#) to get yourself set up on the new site. YQCA will be manually verifying these current and valid certifications, so please have patience; we will get your certification verified as quickly as possible.

Customer support will be provided M-F 10 AM – 6 PM CST. There is a chat feature and help button available. When using the help button, select a support request category that best suits your support requests and then hit "Compose". A window in your email program or browser will open with the "To" address prepopulated as help@yqcaprogram.org and the subject as the selected support request category. You'll need to allow pop-ups in order for this window to open. If the pop-up doesn't work on your machine, use your email program to reach out directly to help@yqcaprogram.org and make the subject line a title from the support request category dropdown list.

Thank you again for your continued support and commitment to the YQCA program! This is an exciting new chapter for YQCA and its customers, YOU!

Jennifer Hawkins
YQCA Program Manager

4-H Learning Lab Kits Available for Check-out!

Do you know...?

The 4-H office has educational Learning Lab Kits that are your answer for species-specific, hands-on, durable learning materials. They can be used for teaching and evaluating knowledge of livestock and companion animals. These are perfect for 4-H project meetings and can be checked out for up to 30 days at a time!

Kits available:

- Beef
- Dairy Cow
- Dog
- Goat
- Horse
- Poultry
- Rabbit
- Sheep
- Swine

Contact us to find out more!

The Magic of COLOR!

Goals of this lesson:

Youth will:

- Understand primary/secondary/ colors.

What You Need to Know:

- Begin by reading *Mouse Paint* by Ellen Stoll Walsh
- Engage the children in a discussion about the book and the 3 primary colors. What happens when 2 primary colors are mixed?
- Wonder aloud the question: "I wonder how many different colors we could create using the 3 primary colors?" Tell the children they are becoming "color scientists" for the day. A color scientist is someone who invents new colors or studies how colors are used. A color scientist might work at the Crayola Company or a paint company.

Materials Needed:

- Color mixing trays
- Pipettes
- Color-mixing tablets or food coloring
- Water
- Clear plastic cups or tubs for water
- Paper towel
- Tablecloth
- Color wheel handout
- Crayons

Extension is a Division of the Institute of Agriculture and Natural Resources at the University of Nebraska–Lincoln cooperating with the Counties and the United States Department of Agriculture.

University of Nebraska–Lincoln Extension educational programs abide with the nondiscrimination policies of the University of Nebraska–Lincoln and the United States Department of Agriculture.

CLOVERBUD ACTIVITIES

Learning Activity:

1. Create a new color in each of the 24 little containers by mixing only red, yellow, and blue colored water. Use the plastic pipettes to measure out drops of water to create the new color.
2. Have the children make a color wheel to show what colors can be created by using the three primary colors.
3. Ask them some questions to help them think about what they have learned.
 - What were you able to create?
 - How many different colors do you think you could create?
 - Have you ever created new colors with paint?
 - What happens if you mix a whole bunch of different paint colors together?
 - Did anyone create black?
 - If you wanted someone else to be able to make the exact same color you did, what would you need to do?
 - What happens if you add white paint to another color?
 - What happens if you add black paint to another color?

Activity Resources: Mixing trays, pipettes and color tablets are available from: Steve Spangler Science catalogue (www.stevenspanglerscience.com) OR 1-800-223-9080, or other science supply companies.

Read a book. Read a book about colors together and talk about what they learned. Some book suggestions include:

Mouse Paint by Ellen Stoll Walsh

White Rabbit's Color Book by Alan Baker

Little Blue and Little Yellow by Leo Lionni

How Do Dinosaurs Learn Their Colors by Jane Yolen

Color Farm by Lois Ehlert
