Dear 4-H Families,

To help ensure your first time enrollment, or your re-enrollment, is as easy as possible, this publication has been developed to lead you through the process. Please read and contact your county Extension Office if you have any questions prior to beginning the enrollment process.

4HONLINE IS . . .

- The OFFICIAL Arizona 4-H Youth Development Program database for ENROLLED 4-H members and volunteers.
- NOT a database for counties/clubs/families to enter family members (i.e. siblings, grandparents, etc.) that are not directly involved as a 4-H member or volunteer.
- A partnership between the 4-H family and the county Extension Office. We encourage all 4-H families to become familiar with 4HOnline in order to prevent “meltdowns” at crucial times of enrollment, animal validation or registration! Please work with your county Extension Office for any questions or problems you may be experiencing with the system.
- Based on “zero-based enrollment.” This means that each year at the start of the enrollment cycle membership in Arizona 4-H goes to zero and everyone must re-enroll. This process is based on federal accounting policies.
- A secured database that is in compliance with the PCI Security Standards Council. The Arizona 4-H Youth Development Program and the 4HOnline company work closely to monitor and ensure the highest level of protection for information stored on the system. Arizona 4-H, nor 4HOnline, does not share or sell any personal information to third party vendors without your knowledge or permission.

REMINDERS

- All youth members must pay a program development fee. Depending on your club and county, this fee will be sent to the county office or paid to your club.
- All membership (youth and adult) must be entered into the 4HOnline system and be in active status to be considered enrolled.
- A 4-H member will not be allowed to register for any event in 4HOnline until membership is in an ACTIVE status.
- County Extension Offices will have the option to determine the payment options (credit card or county/club check) for program development fees and event registrations. Please check with your local county Extension Office to find out if they have restricted certain payment types in your county.

FOR NEW 4-H MEMBERS

- You will be required to set up a family profile on 4HOnline, the on-line Arizona 4-H Enrollment and Event registration program. The website can be found at https://az.4honline.com/.
- Once a family profile is setup, you will then add individual youth and adult profiles (members) in your family profiles. You must have either a youth or family profile entered for your registration to be reviewed and accepted.
- ONLY SET UP ONE (1) FAMILY PROFILE PER HOUSEHOLD!
- At any time if you lose your e-mail or password, contact your County Extension Office for assistance - DO NOT SET UP ANOTHER FAMILY and/or MEMBER PROFILE!
- Please write down and place in a secure location your email address and password.
- An active membership status WILL NOT be granted until program development fees have been paid.

FOR RETURNING 4-H MEMBERS

- DO NOT establish another family or member profile on 4HOnline if you already have one in the system.
- When you access your profile to re-enroll REVIEW YOUR PROFILE VERY CAREFULLY. Incorrect information can create problems for you, your family, and the Extension Office when communicating, accessing appropriate fees, etc.
- IF YOUR ENROLLMENT IS NOT IN 4HONLINE YOU ARE NOT AN ARIZONA 4-H MEMBER!!!!
- An active membership status WILL NOT be granted until program development fees have been paid.
- If you lose your email address, contact your county Extension Office. If you do not know your password, select “I forgot my password.” A new password will be sent to your family email account. Creation of a new profile may result in charging of additional participation fees.
ENROLLMENT PROCESS

1. Access the 4HOnline on-line system at: https://az.4honline.com/

2. **New Members:** Create family profile by selecting the “I need to setup a profile” button. **Returning Members:** Use your e-mail and password and access your established profile. If you have forgotten your e-mail contact your county Extension Office. If you do not know your password, select “I forgot my password.” DO NOT CREATE A NEW PROFILE!!!!

3. **New Members:** Add youth and/or adult profiles under your family profile. As you enter information please make sure that all information is correct. **Returning Members:** Click on the “Edit” button on the right side of the inactive member’s profile listing. Review and update all information pertaining to this profile. DO NOT JUST CLICK AND MOVE ON - CHECK IT ALL!!!! Incorrect information will affect your ability to register for events, communication, etc.

4. Once all profile information is current and correct under the Personal Information, Additional Information, Health Form, and Participation areas of enrollment continue to the Invoice page.

5. When you arrive at the invoice/payment screen, please disregard the balance due (we do not use this section of the program).

6. Payment Method: Please select the method of payment to be with personal check. You will be sent to the Confirm page.

7. Confirm your participation fee by clicking the “Confirm Order.” Your pending enrollment will then be sent to the county office for review and acceptance.

8. When the Maricopa County Extension Office receives confirmation of your participation from your club organizational leader, your membership status will be made ACTIVE. Confirmation of member participation for initial and re-enrollment is October 15th. Your approval and ACTIVE status can take up to one (1) week after confirmation has been received.

9. Enrollments that occur after October 15th will be verified with your club organizational leader before being made ACTIVE. Again, ACTIVE status can take up to one (1) week after confirmation has been received.

• You are NOT a member of Arizona 4-H UNTIL you have enrolled in 4HOnline and have a status of ACTIVE for the current enrollment period.
