General Rules and Regulations

Exhibitor Qualifications (Member in Good Standing):

All members who are enrolled and in good standing in the current 4-H or FFA year, and are currently enrolled in a 4-H club OR Agricultural Education class or state approved Middle School "Discovery" Program and are under the supervision and instruction of a 4-H leader or Agri-Ed Instructor, and meet the following requirements, are eligible to participate in the Yavapai County 4-H/FFA EXPO. Club Leader/Advisor signature on Entry Form(s) shall signify that the 4-H/FFA member is in good standing with his/her affiliated organization within Yavapai County. Member and parent signature on Entry Form(s) shall signify that the member and parent agreed with all conditions, rules, and stipulations outlined within all sections and department areas of the Yavapai County 4-H/FFA EXPO Premium Book.

Exhibitor Divisions:

- **Junior members** are those who have reached their 9th, but not their 14th birthday prior to January 1, 2019.
- **Senior members** are those who have reached their 14th, but not their 19th birthday prior to January 1, 2019.
- **Novice exhibitors** are either Junior or Senior members that have not previously shown any small or large livestock.
- **FFA Members** may exhibit at the Yavapai County 4-H/FFA EXPO Show and Sale through their senior year of high school.

Youth for the Quality Care of Animals:

All 4-H and FFA members entering Market Livestock (Beef, Dairy, Goats, Sheep, and Swine) and Market Small Stock (Rabbits, Poultry, Waterfowl, and Eggs) at the Yavapai County 4-H/FFA EXPO Show and Sale MUST have completed Youth for the Quality Care of Animals and Food Safety Training conducted by certified personnel or online annually. A $12 registration fee is paid at the link below. To sign up, log in at the link https://ygca.learngrow.io/Account/Login to register for the class. Log in using your 4honline user name and password. Do not set up a new account.

Special Accommodations:

Persons with a disability may request reasonable accommodation by contacting the Cooperative Extension Office. Requests should be made as early as possible to allow time to arrange for the accommodation.

Exhibitor Dress:

Showmanship & Conformation (Large & Small Livestock, Dog)

- **4-H** members must wear appropriate clothing: a long-sleeved white or Kelly green (4-H green) shirt with collar and full-front button-up with shirttails tucked in; clean, neat (not faded), black or blue jeans/slacks/gauchos; ties or scarves (some type of neckwear, green or white - the opposite color of the shirt), no hats may be worn; closed-toed shoes that stress safety are required.
- **FFA** members must wear appropriate official dress, as defined by the official FFA Manual. Closed-toed shoes that stress safety are required.
• **Dairy** exhibitors both 4-H and FFA are expected to wear “show whites” (white button-up long-sleeved shirt, white pants, and a green 4-H tie.) Closed-toed shoes that stress safety are required.

**Auction:**

• 4-H Exhibitors are expected to wear appropriate clothing: a long-sleeved shirt with collar and full-front button-up with shirttails tucked in. Clean, neat (not faded), black or blue jeans/slacks/gauchos. Belts, ties or scarves, official 4-H vests, official 4-H hats and cowboy hats may be worn, but are optional. FFA Exhibitors must wear appropriate official dress, as defined by the official FFA Manual. Closed-toed shoes that stress safety are required.

• **No decorating animals in any way!**

**NOTE:**

A superintendent may dismiss or restrict an exhibitor from the class or sale for inappropriate attire including, but not limited to any wording promoting drugs, alcohol, & profanity. Check with your superintendent in advance if you have any questions regarding your attire.

**Entry Requirements:**

Entries must represent the project work of the 4-H or FFA member for which they are enrolled, and not have been previously exhibited at EXPO (except breeding stock). Exhibitors may enter only in the class that corresponds to the projects currently enrolled. Exhibitors may not show another exhibitor’s animal unless the Superintendent designates otherwise.

**Seasonal Passes / Premise I.D.’s:**

All exhibitors are required to be in full compliance with the Arizona Department of Agriculture (AZDA) regulations regarding Seasonal Passes. The requirements and instruction on how to obtain a Seasonal Pass are available with the Arizona Department of Agriculture. Seasonal Passes are required to transport your animal to ear tagging and all other EXPO events. Please note that all sheep, goats, and swine must have official identification (which requires that the seller/breeder have a premises identification number or a flock identification number). See the website [https://agriculture.az.gov/animals/animal-services-inspections/livestock-inspections/seasonal-passes](https://agriculture.az.gov/animals/animal-services-inspections/livestock-inspections/seasonal-passes)

**Photo of Exhibitors:**

One photo (4”x6” maximum size) of EACH animal must be included with the entry form. Photo must include the face of the exhibitor as well the full body of the animal, including hooves.

**Code of Conduct:**

1. All participants will adhere to and sign the Yavapai County 4-H/FFA EXPO Code of Conduct form, a copy of which will be kept on file at the Cooperative Extension office. 4-H/FFA members, leaders, or parents who fail to abide by all listed stipulations will be asked to leave the grounds and will forfeit all awards, premiums, or auction proceeds and will be barred from participating in the following Yavapai County 4-H/FFA EXPO.

2. The Yavapai County 4-H/FFA EXPO Committee (hereafter COMMITTEE) reserves the right to interpret these rules, settle and determine all matters and/or questions that may arise in regard to any situation connected with or incidental to EXPO and not in conflict with University of Arizona Policy.

3. Exhibitors are cautioned to keep equipment stored where it will not be lost or stolen. The COMMITTEE is not responsible for lost, stolen or damaged items or equipment.

4. No exhibitor is allowed to stay overnight at the Rodeo Grounds without direct adult supervision.
Only exhibitors who are staying overnight under the supervision of Parents, Guardians, FFA Advisors or Certified 4-H Leaders will be allowed. Anyone found in violation of this rule will be subject to expulsion from the show.

5. For the safety of the animals and the exhibitors, NO dogs, bikes, rollerblades, skateboards, razors, etc. in barns, tents or main livestock show arena – including the bleachers. Please respect this rule for the safety of all. Seeing-eye dogs for the sight impaired are an exception to this rule.

6. The use and operation of motorized equipment, i.e. forklift, ATVs, etc. will be restricted to individuals approved through the EXPO facilities committee.

**Superintendents**

1. It is the responsibility of the superintendent(s) of each department to inform the judge(s) of specific departmental rules and regulations concerning the issuing of awards.

2. It is the responsibility of the superintendent(s) of each department to see that all awards are properly entered and distributed.

3. Under authority from the COMMITTEE, each superintendent will have the final right of determination as to the disposal of exhibits not claimed by the exhibitor. (INDOOR EXHIBITS)

4. A superintendent may, under the direction of EXPO Executive Board, reserve the right to reject or dismiss any entry he or she feels is unworthy of competition, or poses a health or safety threat to any persons, property, or livestock. Under direction of executive board.

5. **All** superintendents are to be afforded the respect to which they are entitled. Any superintendent, WHETHER OR NOT THEY ARE DIRECTLY AFFILIATED WITH A PARTICULAR DEPARTMENT, has authority to enforce **all** rules when they see fit.

**Judges & Judging:**

- Judges are responsible for reading and understanding all general and special rules within each department, division, or class in which they are to serve.

- All evaluations are initially made based on the Danish System of judging. As EXPO is a learning event, at no time will a judge fail to bestow an award. All comments to exhibitors should be made in a constructive manner as possible.

- Judges shall report to the superintendent any exhibitor, leader, parent, or other person who in any way interferes or shows disrespect toward them during or after adjudication of a class. The superintendent will have the option of demanding a formal apology from the offender directly to the judge and/or excluding the exhibitor or offending person from further participation in EXPO.

- The decision of the judge shall be final except in the event of fraud or misrepresentation, not discovered at the time of award. In cases of fraud or misrepresentation, the offending exhibit will be removed from competition and all lower placements will advance one award if the award was based on the American System of judging. Additional implications are noted in **Code of Conduct**.

- Grand and Reserve Champion and Yavapai Bred & Fed awards will only be awarded if the exhibitor and/or animal have received a BLUE ribbon. Additionally, the following guidelines will apply:
  - All entries will be judged on the Danish System of awards. Entries may be placed in blue, red, or white ribbon categories.
  - The Grand and Reserve Champion awards for conformation (market and breeding) and showmanship will be given (at the established prize levels) when there are 3 or more entries in a class. If there are 2 or fewer entries in a class, the Grand and Reserve Champion awards will be given, however they will be at a reduced prize level. Note: this applies to both large livestock and small stock.
• The showmanship contest will be judged on the exhibitor’s ability to show his/her animal to its advantage and his/her knowledge in handling, fitting and selecting animals for production and show. The judge may also ask questions pertaining to the project. Separate classes will be held for judging novice, junior, and senior showmanship.

All exhibitors, parents, leaders, advisors and agents will abide by the International Association of Fairs and Expositions National Code of Show Ring Ethics as well as the 4-H State and County policies and procedures.

Exhibitor Rules:

1. Exhibitors of livestock must keep their area of the barn (including small stock that remain for the duration of EXPO), neat and clean. All litter is to be disposed of in appropriate areas designated for that purpose.
2. Every effort will be made to protect and care for entries, but in no case will the EXPO Committee, including the officers, superintendents and other volunteers be responsible for any damage or loss that may occur. Each exhibitor must furnish his or her own food and water equipment. All exhibits will be cared for during the hours of EXPO. If extra care is needed contact the appropriate Superintendent.
3. Exhibitors must FIT and SHOW their own animals with help from other members from Yavapai County, junior leaders and teen leaders only. IMPORTANT! Parents and leaders are reminded that all work pertaining to cleanliness of stall/pen and grooming/washing areas and the educational exhibits must be done by the club members. The educational value of such activities is lost if members are not allowed to be responsible for their part in the activities. Exhibitors may be disqualified from a showmanship event if this rule is violated, excluding situations that are deemed unsafe.
4. Exhibitors may only use appliances (clippers, blowers, heaters, fans, etc.), which are properly grounded and meet UL specifications.
5. In order to keep the show moving on time and for the safety of all exhibitors and their animals, we will be enforcing a clean aisle policy 15 minutes prior to the start of a respective show animal’s show hours until the end of the show. All items found in the aisles will be gathered up and placed in the designated “Lost and Found” area of the barn/tent.
6. It is the responsibility of the exhibitor to ensure that their animal(s) are properly fed and watered each day.
7. All exhibitors are required to thoroughly clean their stall/pen area before being permitted to checkout. This includes market animals sold at auction.

Exhibits:

1. Market division entries may not be leased, however it is acceptable to lease breeding division entries. All exhibits must be the bona fide property of the exhibitor or under an approved lease agreement.
2. Exhibitors of breeding and/or small stock may be asked to show proof of ownership.
3. Large market livestock exhibitors will be permitted to tag up to four animals per species, but may exhibit only two.
4. Exhibitors wishing to sell in the auction must participate in BOTH the conformation and showmanship class for that species.
5. Exhibitors must use his/her market animal for showmanship. If the exhibitor does not have a market animal entered in that species, he/she may use a prospect or breeding animal that is entered in EXPO. Showmanship animals may not be a mature male breeding animal or a sow/gilt over 8 months old.
6. Yavapai County 4-H/FFA EXPO tags will be the official tags for the show and will correspond with the exhibitor numbers. Notify a department superintendent immediately if an animal loses its tag or it becomes unreadable.
7. Animals must be kept in pens provided or in their tie stalls. In extenuating circumstances, speak to the superintendent if any exceptions need to be made.
8. Exhibitors are required to provide their own bedding.
9. Release information: All remaining livestock will be released Saturday immediately following the auction. The exhibitor must check out with the appropriate superintendent before removing any animals from EXPO grounds.

**Weigh-in:**

Each market animal and/or meat pen will be weighed-in from 9:00 a.m. – 4:00 p.m. on designated day. See EXPO Dates and Deadlines. Animals will be placed in classes after weighing in on the official scale at check-in.

1. Large livestock market entries that do not make minimum weight as specified in their market division will be automatically entered in the prospect/feeder class for that species. **Though ineligible for auction, prospect/feeder animals are eligible for showmanship classes.**

2. In disputed cases, exhibitors may request a re-weigh, provided the animal has not left the scale area (defined as the area under tent). **There will be no forced watering or feeding allowed.** No wet animals, unshorn lambs, or blankets of any kind will be allowed on animals as they are weighed.

3. Members are responsible for calculating shrinkage on their market animals.

**Vet Check:**

1. It is the exhibitor’s responsibility to disclose all concerns.

2. After check-in, all health concerns are to be addressed by the show veterinarian and superintendent (grounds for dismissal).

**Health Rules:**

1. All animals must be in good health and condition to be entered into EXPO. Visibly sick animals or those showing signs of active internal or external parasites or fungal infections **WILL NOT BE ALLOWED TO ENTER THE SHOW GROUNDS.** Market animals that, in the opinion of the superintendent, show evidence of poor physical condition **WILL NOT BE PERMITTED TO SELL, BUT MAY BE ALLOWED TO COMPETE IN SHOWMANSHIP CLASSES.**

2. The USDA Wholesome Meat Act applies to all animals sold for slaughter. The Act and COMMITTEE rules require the following:

   - Drug label directions must be followed - including withdrawal periods.
   - By signing the **Entry Form(s)**, the exhibitor attests that their animal(s) will be drug free at weigh-in and will remain so until it is released for slaughter.
   - If it shall become necessary to administer medication to an animal while on EXPO grounds, it must be done by a licensed veterinarian and reported immediately to the superintendent(s) in charge. If withdrawal period exceeds projected slaughter date, exhibitor must take animal home and care for it until it is safe and legal to slaughter for human consumption.

   **All market animals are PROHIBITED from being dipped.**

   - Exhibitors whose exhibition animal is slaughtered and the carcass is condemned for drug or chemical residues, will forfeit all class, sale, and premium monies and/or awards, and may be subject to criminal investigation and/or charges. In addition, exhibitors found guilty of violating this rule will be prohibited from participation at any future EXPO and/or any other livestock exhibition.
**Classification:**
1. Registration papers will not be a requirement to exhibit breeding livestock at EXPO.
2. Exhibitors should check with their project leader/advisor or other knowledgeable person as to the correct breed classification to which their entry belongs.
3. If members or leaders need help, call the Cooperative Extension Office 928-445-6590 ext. 229.

**Protests & Appeals:**
1. No protest or appeal based on charges of incompetency of the judge will be considered,
2. Protests regarding incidents directly related to EXPO or actions of one or more members of the Committee may be formally submitted in writing within 5 hours after the incident/decision, provided such protest is accompanied by a $50.00 fee if the protest is lodged by a 4-H or FFA member. A $100.00 fee will be charged if any non-member lodges the protest.
3. Protest must state plainly the cause of the complaint or appeal, with specific charges and recital of the facts relied upon or the rule violated, naming witnesses and their addresses by whom proofs are to be made. No protests of weights will be allowed.
4. If the protest thus lodged is found to be valid by a majority of the Executive Committee (or in the case of a complaint lodged against the Executive Committee, a majority of the Committee members present), the fee/deposit shall be returned to the person or persons lodging the protest. If the protest thus lodged is found to be invalid, the person or persons shall forfeit said fee.

**Hardship Clause:**
In the event that a 4-H or FFA member’s project animal dies or is severely injured prior to or during EXPO that member may borrow an animal already ID’d and entered for showmanship purposes only. This opportunity is experiential only and the 4-H or FFA member may only be eligible for Danish in showmanship.

**Deceased Market Animals**

On occasion, members’ livestock die after the ear tagging and/or market livestock registration process is completed. As they have been active in their project areas and learning throughout the project, this ruling is meant to apply to those situations where a member in good standing who has previously completed the registration process for the current year EXPO has an animal die can still enter a market entry. The following conditions must be met:

- A death certificate or statement signed by the Project Leader and the member’s parent(s) certifying the death must accompany the request to enter a new animal in the place of the original animal.
- In order to have sufficient time invested in their replacement livestock, the new animal must be purchased 90 days prior to the current EXPO dates.
- All paperwork required for a market livestock entry must be submitted. A new registration fee is also required: and a new seasonal pass will be required for species requiring a seasonal pass.
- The replacement animal is examined by the EXPO Superintendent in charge of that division to ensure that it is in good health and to apply and an EXPO ear tag at that time.
- NO replacement animal will be eligible for Yavapai Bred & Fed or Best Rate of Gain awards.
Auction Rules

1. Exhibitors may sell one large livestock, one small stock, and/or one indoor exhibit during the live auction. Market and/or breeding animals may be sold.

2. Large market livestock entries must have an I.D. Form on file at the Cooperative Extension office.

3. Exhibitors must participate in both conformation and showmanship for that species in order to sell through the auction.

4. All ribbon awards: blue, red, and white, will be permitted to sell. No private treaty or barn sales are permitted during the EXPO auction. All private treaty sales must be conducted off the EXPO grounds after the EXPO Auction.

5. Single Sale Rule: The Yavapai County 4-H/FFA EXPO is conducted in accordance with policies and guidelines established by the University of Arizona. For the 4-H year 2018/2019 the single sale rule has been eliminated. The rules for expo will remain the same as in the past. Exhibitors may sell one large livestock, one small stock, and/or one indoor exhibit during the live auction. Market and/or breeding animals may be sold. The change that is being done is that an exhibitor may also sell at another auction in Yavapai county during the 4-H year. Exhibitors are required to sell all Grand or Reserve Champion market beef, lamb, swine, or market goats. If an exhibitor wins Grand and/or Reserve Champion in more than one species, then the Single Sale Rule for that auction does not apply.

6. Each exhibitor’s highest placing blue, red, or white ribbon animal will be listed in the sale catalog unless a Withdrawal Request has been submitted no later than 5:00 pm Friday of EXPO. Exhibitors may substitute a lower placing entry at the same time the Withdrawal Request is submitted, provided all other sale rule provisions have been met.

7. Under no circumstances will an exhibitor whose sole sale prospect dies or becomes sick or injured to the point of being unable to show or has been otherwise termed as unfit, be allowed to sell in the Yavapai County 4-H/FFA EXPO Livestock Auction.

8. Market animals that are deemed ineligible for sale at the EXPO Livestock Auction MAY BE REMOVED FROM THE EXPO GROUNDS UPON OBTAINING A RELEASE FROM THE APPROPRIATE SUPERINTENDENT.

9. The Yavapai County 4-H/FFA EXPO Committee does not guarantee the sale of any animal. Every effort will be made to market each animal while in the auction ring.

10. Animals are NOT to be costumed or decorated in any way. Only approved animal show products may be used. Any animal that is determined to not be in a clean condition will be refused entry until it has been properly cleaned. Upon being properly cleaned, every attempt will be made to market the animal at the next opening after having been re-presented to the ring gate keeper. If the last animal has been marketed prior to your returning with your livestock being in a clean condition, you will have forfeited your opportunity to have your animal sold at auction.

11. Only awards allowed in the auction ring are those earned for conformation and/or showmanship by that animal at the current year’s 4-H/FFA EXPO.

12. An 8% commission will be deducted from the total proceeds, including add-ons, of each animal.

13. **Premiums from the sale of livestock at county fairs:** Livestock shows and sales are a historic part of the 4-H experience. Young people who have raised animals through their 4-H projects often sell these animals at public auctions. The money the youth receive from such sales is often in excess of fair market value because members of the community typically wish to reward and recognize the efforts of young people who raise these animals within an educational setting. In return, the public expects to receive a wholesome product and recognition for their purchase.

   - **Individuals who purchase** an animal are responsible to consult their tax advisor to determine if they may deduct the amount paid in excess of the market sale value.

   - **4-H & FFA members** who benefit from extra income (often called a premium) from the sale of livestock at public auctions are responsible for reporting this extra income to the IRS. You will receive a 1099 for the amount of the auction. An exhibitor’s social security number is required for tax purposes.
14. It is your responsibility to thank your buyer for purchasing your animal. The annual support of the buyers makes the EXPO a success. Taking the time to thank your buyer is an important part of the process. The ways of thanking them are as varied as the exhibitors. Some suggestions of ways to show your gratitude include: a gift given at the EXPO; a hand-written thank you note; personally thanking your buyer at the auction or their place of business; a luncheon. Choose whatever way you feel most comfortable with and best express your personality – but, choose a way. The EXPO Committee expects 4-H leaders and FFA advisors to ensure that their exhibitors have thanked their buyers prior to issuing them their check. Every effort will be made to have checks available for distribution within 45 days of the auction. However, checks will only be distributed once adequate funds have been collected from the buyers.

15. ALL exhibitors must show their own animal during the auction. Any exceptions must be approved by Executive Committee. Anyone in violation of this policy will be banned from the sale ring and forfeit their right to sell at the auction.

16. Any medication given for the health of the animal to treat a disease or infection within 30 days prior to being received at the fair must be declared to the Extension Office within 10 days of the first dose of medication. An animal must be healthy upon arrival and weigh-in at EXPO and be accompanied by a clean bill of health by a licensed veterinarian.

17. Treated animals may be shown and sold through the auction but sale of the animal does not become final until all medication withdrawal periods have been met. The member will continue to care for and own the animal at their expense until sale is final and is properly delivered to the buyer. Failure to care for animal will cancel sale and forfeit all sale monies, the owner will stay pay designated auction fee. Full disclosure of the medication and the withdrawal period will be announced at the auction and buyer will sign a disclosure statement stating they understand the condition of the sale.

18. Any violation of these rules may result in disqualification from EXPO and/or suspension of 4-H membership (to be determined by Leader’s Council), and/or forfeiture of EXPO scholarships, sponsorships, awards, and premium (auction sale price less market value) received for a project at auction.

EXPO ‘Resale’ Terms & Conditions

1. The Yavapai County 4-H/FFA EXPO Committee will be responsible for all large market livestock resales. Small Stock are not eligible for resale. Note: Small Stock sellers should be prepared to take their animal home in the event their buyer does not wish to take possession of the animal.

2. All animals designated for resale by the original buyer are subject to purchase on a “first-come, first-served basis.” Resale orders will be taken beginning at 9:00 am on the Saturday of the auction.

3. A $100.00 handling fee per animal is required for any group or individual wishing to purchase one or more resale animals. The entire purchase price will consist of the $100.00 handling fee, plus current market price.

4. All handling fees are due at time of registration. Full amount (current market price x weight of animal) is due by 5:00pm, on the Saturday of the auction.

5. If animals are unavailable, all handling fees paid will be promptly refunded.

6. At no time may EXPO officials, Committee members, Extension personnel, 4-H or FFA leaders or members ‘trade out’ or switch animals whose disposition has been lawfully designated by the original buyer.

7. EXPO officials, Committee members, Extension personnel, 4-H or FFA leaders, advisors, or members who attempt to convince or coerce buyers to amend their original bid or otherwise adjust the original disposition of their (the buyer’s animal), are guilty of unethical behavior. Such unethical behavior will be grounds for expulsion from EXPO, forfeiture of auction proceeds and/or awards and premium monies and shall be barred from participation in any future EXPO Event.
NATIONAL SHOW RING CODE OF ETHICS

1) All exhibitors must have viable proof of ownership available to prove length of time animals have been owned. The official ownership date is the date shown on the bill of sale, unless the animal was bred by the exhibitor, in which case calving or birth records must be shown. Registered breeding livestock must show the exhibitor as the sole owner of the animal on the breed association papers or certificates.

2) No exhibitor may show an animal that has been previously sold at an auction or sale as a market animal through another fair, livestock show, whether or not there has been an actual change of ownership. Any method used to misrepresent the age of an animal for a class in which it is shown is deceptive and considered illegal. Showing an animal for another individual by claiming ownership in order to show in a specific livestock class or event is prohibited. FALSE OWNERSHIP IS ILLEGAL.

3) Junior exhibitors are expected to care for and groom their animals while at the fair or livestock show. (Individual consideration will be given in extenuating circumstances.) Adults will not be allowed to physically assist in the preparation of the animal while at the show. Verbal instructions will be allowed, but no physical assistance is permitted. Physical assistance may be rendered by other junior aged members in good standing in the 4-H and FFA programs. Any violation will result in immediate disqualification from the show.

4) Treating of animals internally or externally, with any irritant, counter-irritant or other substance used to artificially change the conformation or appearance of an animal for show is considered unethical, inhumane, and is prohibited. This includes but is not limited to the use of graphite, powders, hemp, artificial hair coloring, common products such as fly spray, ointment or liniment, used to the point that it is irritating, (unless required to reduce edema at the time of calving) or similar products. The use of dyes, spray paint, or other artificial coloring which result in altering an animal’s true and natural appearance and/or color is prohibited. Adding false hair or hair-like material, fleece, or skin at any point, spot or area of the animal’s body is illegal and will result in immediate disqualification. Any liquid or substance not considered part of an accepted and normal diet for livestock is deemed illegal and inhumane. For example; the use of alcoholic or carbonated beverages as a drench, filler, etc.

5) The use of tranquilizers, sedatives, or depressants which alter the physical or physiological state of the animal is illegal. Exceptions to this rule would be a licensed, certified veterinarian’s treatment for a recognized disease or injury, or recommendation for tranquilizing breeding animals in heat that might compromise the safety of others. The drugs must be approved by the FDA for use in meat producing animals. All exhibitors shall advise show management of any drugs and/or medications administered to an animal that might be detected at the time of showing or at meat inspection. The name of the drug, its purpose, the person who administered the drug, time and date of administration, shall be presented to the show management prior to the showing and sale of the animal. Failure to report this information to the show management will result in severe penalty and/or disqualification. Any use of drugs or substances not approved by the FDA is strictly prohibited. All animals entered into livestock competition shall be subject to testing for foreign substances that exceed acceptable levels established by FDA, FSIS, USDA, or EPA.

6) Surgery, injection or insertion of foreign material under the skin and/or the flesh of an animal to change the natural contour, conformation, or appearance of an animal’s body is illegal. This includes vegetable oil, silicon, or any other substance used to alter the shape of the animal. Acceptable practices of physical preparation which are allowed include clipping of hair, trimming of hooves, dehorning, or removal of ancillary teats.

7) The balancing of the udder by abnormal means that includes the use of a mechanical contrivance or the injection of fluid or drugs, setting the teats and/or occluding (sealing the ends with a mechanical contrivance or with the use of a chemical preparation is illegal). Treating or massaging the udder or its attachments with an irritant or counter-irritant is illegal.

8) The use of inhumane fitting showing and/or handling practices or devices shall not be tolerated. For example, breaking of tails, striking of the animal to cause swelling or for bracing purposes, use of an electrical contrivance, or use of overly severe bits is not acceptable.
9) Direct criticism or interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited.

10) At the time an animal is sold at auction at the livestock show, the exhibitor shall be held directly responsible for animals that are rejected at a processing center due to the presence of foreign residues. The seller may be liable to the buyer for an amount equal to three (3) times the purchase price and may also be liable for attorney’s fees and civil penalties. **Show management may share acceptable intelligence and evidence information with FDA and USDA.** If for any reason, any part of a meat animal carcass must be removed by the FDA or USDA inspectors, the market price will be discounted.

11) Show management reserves the right to require animal health certificates. Health inspections and diagnostic tests may be made before or after animals are on the livestock show premises for exhibitor and animal safety, or in the inaugurate disease control procedures which may become necessary in emergencies as determined by animal health officials.

Any violation of “The National Show Ring Code of Ethics” or specific rules as designated by individual fairs and livestock shows will result in forfeiture of premiums and awards, disqualification, and may result in probationary status and/or loss of eligibility for future participation in organized livestock competition. Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic Act/or the animal mistreatment, neglect, and abandonment laws that apply on the local, state, and national levels.

Other cooperating shows will be notified of the action taken by show management, which may affect the eligibility of the individual, group or sponsoring organization for participation at other shows.
Small & Large Livestock Round Robin

Superintendent: Angela Teskey-Peterson 928-925-7472

All Junior and Senior Showmanship Division Grand Champions will qualify for and are expected to compete in the Junior and Senior Round Robin. If an individual qualifies in more than one species, they must choose one and allow the next placing individual to show in the other species.

In the Large Livestock Round Robin Contest, contestants will be required to show: Beef Cattle, Dairy Cattle, Market Goat, Dairy Goat, Sheep, Swine, and Dog (pending on what is shown at EXPO.) Exhibitors must show the same animal that they won their showmanship class with when competing in Round Robin, presenting their own animal and then rotating to show all the other exhibitors’ animals.

In the Small Livestock Round Robin Contest, contestants will be required to show: Rabbit, Cavy, Turkey, Pigeon, and Waterfowl (pending on what is shown at the show.) Exhibitors must show the same animal that they won showmanship class with when competing in Round Robin, presenting their own animal and then rotating to show all the other exhibitors’ animals.

Each contestant will show each species for a limited amount of time. At the end of the time limit, the contestant will move onto the next species. The competition will conclude when each contestant has shown each species.

1. Time Allowed: Contestants will be allowed 5 minutes for showmanship.

2. There will be a separate judge for each species, each judge will be provided with a score card and criteria for judging.

3. The scores from each species will be added and the contestant with the highest combined score will win.

In the event that two exhibitors have the same combined score, a tie will be broken in this order:
   a. Exhibitor with the highest score on the species that qualified him or her for Round Robin wins.
   b. Exhibitor with the most consistent set of scores wins.

4. Contestants will be dressed in the show clothes of the species they won showmanship with. These should be clean and neat. There will be no talking to other contestants or parents or friends. Any talking or outside coaching may result in disqualification.

**Judging criteria and scoring:**

Yavapai County EXPO’s sole purpose is to promote the development of Yavapai County 4-H youth. The Yavapai County EXPO’s goal is to provide funds to the youth of Yavapai county to enhance their 4-H experience. These funds are gained through fundraising, auction premiums, and donations. 4-H members in good standing have a chance to have tuition reimbursement for camps and college education, so long as the camps or education further the advancement of the members character, citizenship, and leadership. Scholarship amounts are determined by the availability of funds and the selection process is determined by the Yavapai County EXPO scholarship committee.
