HORSEMASTER PROGRAM

ALL TESTING MUST BE COMPLETED BY THE FINAL HORSE EVENT. This program consists of:

1. **WRITTEN QUIZ** on general knowledge and tack identification. 70% correct is required to pass.
2. **JUDGING CLASSES** of horses. A member must earn one (1) blue ribbon or two (2) red ribbons in at least two (2) County contests at his/her specified judging level or participate at 75% of judging held to pass.
3. **HORSE HANDLING** testing will be given at the Club Level by Horse Leader. The evaluator will grade each member's performance as pass or fail (70%).
4. **SERVICE LEARNING**—A minimum of 5 (five) Volunteer hours per horse member is required to be recorded to qualify for Horse Master. This "volunteer" time may be served at Shows, Gymkhanas, or Roping and can be served by members or other family members. See Project Director for qualifying positions. Entries into Passports must be completed on the day of the event. Transfer of "time" to members is permitted.
5. To be eligible for year-end championship awards, a member must have satisfactorily completed the Horse Master Program for the current year.

HORSEMANSHIP QUIZ

Members may have two attempts at passing. The test will be available at each show.

JUDGING CONTESTS

Junior Judging Level—Members 8-13 years of age: After judging at least one full class of horses (4 horses), members testing at Junior level will present orally to a judge a comparison of two horses (top pair, middle pair, or bottom pair) from one designated class.

Senior Judging Level—Members 14-18 years of age: Members testing at Senior level will present orally to a judge a complete set of reasons on one or more full classes of horses.

NOTE: There will be two conformation judging's. See schedule. There may be judging's of English Equitation and Western Horsemanship as learning experiences, but only the conformation judging's will be computed for the trophies.

HORSE HANDLING TESTING

Contact your Horse Project Leader for information regarding horse handling. Horse Handling will be completed at Club level and must be submitted to Office prior to first Show or Gymkhana entry.

Horse Helmet Policy for Arizona 4-H

Approved August 13, 2014

Arizona 4-H places a high priority on providing for the health and safety of all our participants. Ensuring the safety of those in 4-H horse projects is a high priority. The potential for concussions or other traumatic brain injuries are very real possibilities in the horse program. In fact, the rate of serious injury per number of riding hours is estimated to be higher for horseback riders than for motorcyclists and automobile racers.

For many years, Arizona 4-H has required that helmets be worn in certain jumping events in English horsemanship. In addition, several county 4-H programs and 4-H horse clubs have been requiring that helmets be worn whenever a child is on a horse. The vast majority of state 4-H programs already require helmets to be worn during all horse events.

Beginning January 1, 2015, Arizona 4-H will require that an industry approved ASTM/SEI equestrian helmet be worn by all Arizona 4-H members when they are participating in an Arizona 4-H horse event/activity/project meeting. The harness must be secured and properly fitted. Any rider violating this rule at any time will be immediately prohibited from further riding until such headgear is properly in place.

It is the responsibility of the rider, or the parent or guardian of the youth exhibitor to see to it that the headgear worn complies with the appropriate safety standards for protective headgear intended for equestrian use, is properly fitted, and in good condition. Arizona 4-H, leaders, show committees, officials, and judges are not responsible for checking headgear worn for such compliance.

For safety purposes, Arizona 4-H strongly encourages helmets to be worn around horses at all times whether or not it is a 4-H event. In addition, 4-H horse leaders will be required to review and complete an equestrian safety training module in 4HOnline. We strongly encourage each family involved in the 4-H horse program to review the video, "Every Time, Every Ride" and learn about how the use of a helmet will help prevent serious brain injury. This video is available from your local county Extension office.
