

Would you like to...

- learn more about plant science, pest management, and gardening?
- solve complex garden problems?
- meet others with similar gardening interests?
- share your knowledge with others in your community?
- continue learning new gardening techniques?

...if so, then the

Master Gardener Volunteer Program

could be for you!

This fun and informative course is taught by University of Arizona faculty and specialists. Through this course, you will become a valuable member of the Yavapai County Master Gardener Volunteer Team. I hope to see you there!
