Dear 4-H Parents:

Welcome to the 4-H family! 4-H is a family program and you play an important role in helping 4-H learning take place. You are encouraged to share your talents and interests so the best possible program can be developed for your child.

Leaders are always very busy with program arrangements, meetings, and activity planning. Parents have many skills, which can help. You may not be able to help on a full-time basis; however, the contribution that you can make is valuable and needed. To help discover ways you may give assistance, please answer the following questions as completely as possible.

1. What are your hobbies? \_\_\_\_\_
2. Is there something about your job, business, or profession that would be of interest to 4-H participants?  
\_\_\_\_\_
3. Would you be willing to assist as ( ) assistant club leader, ( ) project leader (teaching a specific skill to a small group)?
4. What experience in 4-H do you have? \_\_\_\_\_  
\_\_\_\_\_
5. Please check the categories you would be willing to assist with:
