Project Inventory

Note: This inventory list is designed to be a tool to help you identify resources used in your project. This is only an estimate of the value of all items listed in the inventory. You do not need to consider depreciation. Record here food, fabric, materials, equipment, supplies, animals, plants, feed, fertilizer, etc., on hand at the beginning and close of the project. All materials, food, fabric, plants, animals and equipment bought after project begins should be listed under Expenses. If you sell something from your inventory, be sure to list it under Income.

Will you take this project next year? Why?

If you answered "Yes," What would you like to learn next year?

Thinking back on your year in this 4-H project...

At the end of your 4-H year, use this form to see what you might learned along the way. For example, as a result of your work in this project this year, did you learn how to use your time better? If so, you would indicate this in answer to question #3 below.

Follow the instructions below to complete this section.

Think back on your past year in this 4-H project. Below are listed some skills that you may have developed as a result of your 4-H involvement. Over in the columns to the right, rate yourself on these skills at the beginning of the 4-H year, and then now at the end of the year.
