

# Inventory

Record here items that were used to complete your project(s). This includes items you already had as well as items you purchased this year. Animal projects should include animals, feed, daily equipment, show supplies, etc. Non-animal projects should include materials like a computer, specific art supplies, costumes, ingredients, etc. Place the quantity of each item in the box(es) that apply to that item. You may check more than one box.

Item	Had this item at the beginning of project	Used all the item or sold it during the project	Had this item at the end of the project	Estimated Value
