TWO UPCOMING CEU EVENTS

2022 VIRTUAL WINTER COTTON SYMPOSIUM

February 10th at 10am

The UA Cooperative Extension invites you to the February 10, 2022, Online Arizona Cotton Symposium. They will cover a wide range of topics including herbicide resistant weeds, fertility management, cotton heat stress as well as water, pest, and disease updates. There will be industry presentations from multiple companies on their seed and crop protection packages. It will be a day full of information to help you manage your cotton crop. Please see link to agenda below.

Dr. Randy Norton, Blase Evancho, Dr. Alex Hu, Dr. Peter Ellsworth, Dr. Jeff Silvertooth, Paul Orme, and Dr. Sharon Megdal

SOUTHWEST AG SUMMIT

February 22—24, 2022

The Southwest Ag Summit is the desert Southwest’s premier agriculture industry show. In partnership with the University of Arizona, Arizona Western College, and Yuma County Farm Bureau, Yuma Fresh Vegetable Association organizers ensure the summit provides current content that growers will directly apply to their present cultural and management practices. The target audience includes those in Arizona, New Mexico, Southern California, and Northern Mexico. In addition to continuing education opportunities, the Summit provides an opportunity to learn what others are doing in the industry and ways we can all work together.
