

**MERITORIOUS YOUTH NOMINATION FORM**

Date: \_\_\_\_\_

One meritorious youth may be chosen from each community club. This is the highest honor award in Greenlee County. If no member is truly meritorious a club may pass and have no nominations for that year. This award will only be given to a youth once in a lifetime.

This will be a youth that consistently exemplifies what 4H is really all about. They take initiative and rise above his/herself and look out for others. Maybe they reach out to help others feel belonging in the club or lend a hand to help someone else in mastery. Maybe they show independence in bringing fresh ideas to the club, or generosity by giving of themselves without looking for credit. Somehow this youth will be helping others in the club to make the BEST BETTER. Maybe they have made their level best better. So tell us about it. If you lead multiple groups you may nominate from each group separately.

I nominate \_\_\_\_\_ (youth name).

Please explain briefly why you think this youth should receive this award. Any specific examples will help the awards committee better understand the reasons for this nomination.
