The Crop Rotator

Novel Crop Biologic Alfalfa Field Trial Participants

Adaptive Symbiotic Technologies (AST) is offering a **NO COST** trial program of BiolQ® (*up to 10 acres per farm*) for its 2021 demonstration program. Specifically, they are looking for alfalfa growers located in Pinal, Pima, and Maricopa counties to participate, as they continue to build their data packages for Arizona.

To learn more, attend their free webinar on **February 4, 2021 at 11am PST**. They will be sharing their latest round of data, and you will be able to enroll in the **NO COST** field trial program there too.

First come, first served!
