PIMA COUNTY 4-H & FFA

GENERAL ANIMAL SCIENCE RULES & REGULATIONS

APPLICABLE TO ALL LARGE AND SMALL STOCK PROJECTS

I. EXHIBITOR REQUIREMENTS:

- A. The 4-H/FFA member must be enrolled in the Pima County 4-H Youth Development Program or a Pima County FFA Chapter no later than **Monday, December 16th, 2019** of the current program year. Enrollments of member received or postmarked after this date will result in the member not being able to exhibit in the current year's Pima County Fair. This is not reviewable by the Ethics Review Board.
- B. Exhibitor must comply with all membership requirements. The exhibitor must be enrolled at the Pima County Extension Office or with their FFA chapter Advisor no later than **Monday, December 16th, 2019**. Enrollments received or postmarked after this date may not exhibit in the 4-H/FFA Division of the current year's Pima County Fair. Submitting an animal for tagging, testing, etc. or providing ownership papers to the project Coordinator will be accepted as evidence of intent to enroll in the project. Late paper work to the Project Coordinator will not be considered intent to enroll. This is not reviewable by the Ethics Review Board.
- C. 4-H/FFA members must be in good standing with their local FFA Chapter or 4-H club. Members not in such standing show at the discretion of their Community Club Volunteer or Chapter Advisor. Any decision made by the FFA Chapter or 4-H Club is not reviewable by the Ethics Review Board.
- D. 4-H/FFA members wishing to participate in breeding or market: beef, sheep, swine, breeding boer goats, meat goats, or dairy goats, dairy cattle, rabbit single fryer or meat pen, poultry fryer or roaster pen or squab pen must have participated in a Youth for the Quality Care of Animals (YQCA) Class prior to tagging or ownership dates. The member must provide proof of certification and it must be valid through the current year's Pima County Fair. Individuals who have not met this requirement will not be allowed to bring animals to the Pima County Fair. This is not reviewable by the Ethics Review Board.
- E. An exhibitor may change their membership affiliation from either 4-H or FFA to the other with written approval from both the 4-H Agent and FFA Advisor involved. Such changes made after November 1st, of each year will not affect the current year's exhibits.
- F. Exhibitors must be present when ear-tagging their animal(s) in for a Pima County Fair Market Large Livestock Project. This is not reviewable by the Ethics Review Committee**
- G. Exhibitors must be present when weighing-in or checking their animal(s) in at the Pima County Fair. This is not reviewable by the Ethics Review Board.
- H. All animals must be checked in by the latest time allowed by that species, but in any event, not later than 8:00 p.m. on check in day. No animals will be allowed to check in late.
- I. Exhibitor must show his/her own animals(s) except in unusual circumstances such as sickness, family emergency, medical emergency, conflict in fair schedule or multiple animals in class. Other activities will not be considered an exception. The member is responsible to obtain permission from the Project Coordinator for a substitute. Only Pima County 4-H/FFA members currently enrolled in that project may act as a substitute. Violation of this rule will result in the

exhibitor being barred from participating for one (1) year in future Pima County Fair in 4-H/FFA Divisions.

- J. It is the exhibitor's responsibilities to be aware of show schedules. No scheduling will be changed to accommodate exhibitors entered in conflicting classes.
- K. Special Needs are defined as a diagnosed condition experienced by exhibitors with mental/physical disabilities, which limit the exhibitor's ability to show their project(s) by normal means. Members/Parents should notify the specific project coordinator and 4-H Agent with information on the condition as well as suggestions for reasonable accommodations prior to the Pima County Fair. Accommodations will be handled by either the 4-H Agent or FFA Advisor in cooperation with project coordinators and 4-H/FFA members on an individual basis. Please give 4-H and FFA ample notice to prepare accommodations.
- L. Repeated display of poor sportsmanship on the part of the exhibitor, parents, leader, or any abuse of an animal can result in dismissal from the Pima County Fair at the discretion of either the Project Coordinator, the show Superintendent, the 4-H Agent or the FFA Advisor in charge of the program.
- M. Exhibitors who receive Pima County Fair sanctions that result in arrest, a citation or expulsion from the fairgrounds are subject to further disciplinary action by the Pima County 4-H Youth Development Program. Consequences that are a result of this sanction are not open to appeal through the Ethics Review Board.

II. EXHIBITOR DRESS:

- A. 4-H members are expected to wear the following attire when exhibiting or performing at a fair function within the show-rings (exception would be 4-H Olympics, skill-a-thons, and quiz bowls.): Dark solid colored pants or long skirt; collared or sleeved shirt or blouse and tie combination in 4-H colors. Club vests are optional. This dress code is required for all Showmanship/Market/Breed Show Class.
- B. FFA: Girls- Dark Pants, white blouse with FFA scarf and official jacket or vest. Boys- Dark pants, white shirt, blue FFA tie, and official jacket or vest. -Or approved FFA Chapter Attire that has been approved by FFA Advisors.
- C. **EXCEPTIONS are as follows:** Dairy Projects have specific dress requirements
- D. **CLOSED TOED AND HEELED LEATHER SHOES ARE REQUIRED FOR SAFETY IN ALL PROJECTS.**

III. ANIMAL OWNERSHIP REQUIREMENTS:

- A. All animals to be shown must be owned by the exhibitor. The exhibitor must provide proof of ownership as per the Arizona State Livestock Board requirements. Ownership and registration papers must be in the exhibitor's name or proof of possession of same documents at the time of ear-tagging, tattooing, or registration. Exception: school programs where ownership is held by the instructor prior to weigh-in.
- B. All requirements of the Arizona State Livestock Board must be met at the time of ear tagging, tattooing, or registration with the Project Coordinator. In all projects, **NO SWITCHING FROM ONE CLASS TO ANOTHER WILL BE ALLOWED AFTER THE ENTRY FORM IS ACCEPTED.**
EXCEPTION: Dairy Goats having freshened; market animals to carcass animals (Sheep, Steer &

Swine).

- C. All animals must be owned and in the possession of the 4-H/FFA member by their respective project ownership date, but no later than January 15th of the current 4-H year. **EXCEPTION:** Rabbit meat pen (Mother of Meat Pen must be owned by January 15th of the Current 4-H year), Rabbit single fryer (Mother of fryer must be owned by January 15th of the Current 4-H year), Poultry fryer pen, Poultry broiler pen, and squab meat pen.
- D. All animals being shown at the Pima County Fair that are required by the State of Arizona Department of Agriculture to have a Seasonal Pass must be in the possession of the exhibitor at the time of check-in at Pima County Fair.

IV. ANIMAL LIABILITY

- A. Each exhibitor is responsible for proper security of his/her animals. Each section may have rules regarding security and safety. It is the exhibitor's responsibility to know these rules and to follow them.
- B. Every effort will be made to protect and care for entries, but in no case will the Project Coordinator, Show Superintendent, or any Fair Official accept responsibility for damage, sickness or loss, which may occur.

V. ANIMAL HEALTH AND CARE REQUIREMENTS

- A. All exhibits are to display good health. Any animal showing evidence of disease, parasites, infestation, or deformation may be excused from the grounds immediately by either the Barn Superintendent, or the appropriate Project Coordinator, or the Show Superintendent, or the 4-H Agent or the FFA Advisor, jointly with a Veterinarian. Additionally, any exhibit that in the opinion of the above show officials is or is a hazard to spectators, members or volunteers will be removed from the fairgrounds immediately. This decision is not appealable.
- B. Exhibitors are expected to do daily chores both prior to and during the Pima County Fair. If an exhibitor does not take DAILY care of his/her animal(s), in the feeding, watering, or cleaning grooming or pen/stall cleaning, he/she will be required to remove the animal after the first written warning has been given to the exhibitor, leader, or advisor, and the exhibitor will be barred from participating in the 2020 Pima County Fair. Major cleaning of pens must be done by 10:00 a.m. each day.
- C. All Exhibitors must provide their own water and feed cups.
- D. Animal grooming/exercise: Each animal must be groomed and exercised in its own designated area as defined by the Project Coordinator or Show Superintendent.
- E. The Southwest Fair Commission requires a release slip from Project Coordinator or Show Superintendent, OR Show Management before any exhibit may be removed from the Fairgrounds. The Fair Commission requires all exhibits to be on display until 6:00 p.m. on the last Sunday of the fair, and may not be released unless otherwise notified.
- F. Any exhibitor removing animals without proper permission will be barred from participating for one year in the 4-H/FFA division of the Pima County Fair. **EXCEPTION:** Animals returned for Round Robin, Breeding Animals which are to be removed after the contest

VI. CONSEQUENCES AND PENALTIES:

The consequences and penalties for violating these rules are stated in the Show Code of Ethics.

VII. INTERPRETATION AND APPEAL:

- A. The interpretation of these general rules is the responsibility of the show management. Show Code of Ethics, C.
- B. Anyone wishing to file an appeal of the enforcement or interpretation of a specific rule may do so by filing an appeal according to the Show Code of Ethics, C.

VIII. MISCELLANEOUS:

- A. Dogs are not permitted in the Livestock Barn or Ramada, with the exception of 4-H project animals for the express purpose of exhibiting on that day and service dogs (Guide Dogs, Seeing Eye or Hearing Dogs, etc.)
- B. Only licensed drivers are permitted to operate motorized vehicles on the Pima County Fairgrounds. Only Southwest Fair Commission employees and Department of Public Safety Officers may operate All-Terrain Vehicles, UTVs, Golf Carts, or motorcycles on the Pima County Fairgrounds.
- C. No Bikes, Skates, Skateboards, Roller blades, Scooters, Electric Scooters, Segway, or any other battery or foot powered moving device allowed in the livestock.

PIMA COUNTY 4-H & FFA

LARGE LIVESTOCK RULES AND REGULATIONS

BEEF, BREEDING DOES, DAIRY CATTLE, DAIRY GOATS, MARKET GOATS, SHEEP AND SWINE

4-H/FFA members exhibiting the above species must follow
both the General Animal Science Rules and these Large
Animal Rules

- I. EXHIBITOR AGE: (can be calculated as the age an exhibitor is on Dec. 31st, 2019 at 11:59 PM)**
 - A.** Junior members 8 years but not 12 years old before January 1 of the current 4-H year (Oct. 1-Sept 31.)
 - B.** Intermediate members 12 years but not 15 years old before January 1 of the current 4-H year (Oct. 1-Sept. 31.)
 - C.** Senior members 15 years but not 18 years old before January 1 of the current 4-H year (Oct. 1- Sept. 31.) FFA members obtaining their American Degree and are still 18 years of age as of Dec. 31st at 11:59 PM are eligible after high school graduation upon FFA Advisor Discretion.
 - D.** If it is an exhibitor's first year in that project, he/she may show as a novice in either junior or senior showmanship depending upon age. Any second year or more experienced member will show as a junior or a senior in showmanship depending upon age class.
- II. ENTRY DEADLINES: SEE INDIVIDUAL DEPARTMENTS**
 - A.** All entries should be made at www.FairEntry.com by March 15th, 2020 at 11:59 PM.
- III. ANIMAL IDENTIFICATION**
 - A.** All exhibits must have been either ear-tagged or tattooed or microchipped and recorded with Project Coordinator and correspond to an entry form. No substitutions will be allowed.
 - B.** If an animal loses its ear-tag, the owner must contact the Project Coordinator or County 4-H Agent via email or telephone within ten days of loss of the tag. If the Project Coordinator is not made aware of the loss of a tag within ten days of loss, the exhibitor will not be allowed to exhibit the animal in question at the current year Pima County Fair.
 - C.** Exhibitors will be required to display a stall card as directed by the Project Coordinator or Show Superintendent. The card is to show the animal's ear-tag number. Cards must be up by 10:00 a.m., the first Saturday of the Pima County Fair for Breeding and Carcass Swine, Breeding Sheep, Boer Does and Carcass Sheep, and by 10:00 a.m., the first Tuesday of the Pima County Fair for all others.
- IV. ANIMAL LIABILITY**
 - A.** Each exhibitor is responsible for proper security of his/her animals. All beef and dairy cattle

must be tied with a neck rope or chain IN ADDITION to a cattle type halter—to be on animal by 8:00 p.m. on weigh-in day at the Fair. Any animal not properly bound by this time may be refused participation in the Fair and may be dismissed by either the Project Coordinator, Show Superintendent, or other fair official. All goats including kids are required to wear a neck collar or chain AT ALL TIMES but need not be tied.

V. ANIMAL HEALTH AND CARE REQUIREMENTS:

- A.** See General Animal Science Rules and Regulations

VI. ANIMAL MEDICATION:

- A.** It is the exhibitor's responsibility to submit a Market Animal with:
- 1) Residue tolerances within guidelines established by USDA/FDA
 - 2) Free of the presence of any substance not approved by the USDA/FDA for residues in animals intended for human consumption. Exhibitors and their families should exercise special care when administering any products to or on their animals
 - 3) DO NOT use over the counter products made for human consumption or use.
 - 4) Use only products labeled as acceptable for species-specific market animal use. Other products may produce a residue in the meat and render the carcass unacceptable by the USDA/FDA.
- B.** The exhibitor or his/her immediate family must submit an AZ Youth Livestock Animal Care and Management Statement (drugs, medicated feeds, feed or water additive, growth stimulants, etc.) to the Project Coordinator before unloading any animal at the Pima County Fair. The process record will include the designated withdrawal date for each product. Animals without complete process records will be sent home. The Project Coordinator will notify PCJLSI regarding any withdrawal dates falling within or beyond the Pima County Fair dates.
- C.** If it is necessary to administer any USDA/FDA approved drug/medication approved for species specific market animal (drug/medication, or feed water additive) during the time 4-H/FFA projects are housed at the Pima County Fair, Project Coordinator must be notified in writing prior to any administrations. If situations warrant, such as medical emergency, that a Project Coordinator cannot be notified prior to administration of drug, medication, or feed or water additive, either the exhibitor or his/ her immediate family must notify the Project Coordinator within ten (10) hours of administration of drug/medication, or feed/water additive except in cases immediately prior to the auction, **when notification must take place prior to the animal entering the sale ring.**
- D.** If an animal has received or tests positive for the presence of drugs, medication, or feed or water additive(s) not approved by the USDA, FDA; or if the animal tests positive for residue levels above the USDA, FDA guideline or are not in compliance with the USDA Wholesome Meat Act, that animal will be disqualified.
- E.** If an animal is disqualified no changes will be made in the placing of other animals.
- F.** If substances or residues, including drugs, medications, or feed or water additives are found in the tissue or carcass of animals sold through the PCJLSI sale, Pima County 4-H, Cooperative ⁹

Extension, and the University of Arizona will in no way be responsible for condition of carcass or sale price of animal.

VII. CLASSES AND JUDGING:

- A. **Animals can be shown as market or breeding, but they cannot be shown as both.**
- B. Breeding Boer Goats, Breeding Sheep, Dairy Goats, Dairy Cattle and Meat Goats may be entered in the 4-H/FFA Division and Open Division.
- C. **Each exhibitor will be allowed to show a total of four (4) market animals**, but no more than 2 of any species, i.e. 2 lambs, 1 hog and 1 market goat OR 1 hog, 1 lamb, 1 market goat and 1 steer, OR 1 market goat, 2 hogs and 1 steer, etc.. **Any market animals shown in excess of the limit of four will be disqualified and any placing of that animal will be null and void. The fifth or later market animal shown by the same exhibitor will automatically be disqualified. This is not open to an appeal to the Ethics Review Board decision.** THOSE EXHIBITORS BRINGING IN TWO HOGS OR TWO LAMBS MAY PEN THEIR ANIMALS IN THE SAME PEN.
- D. Each project animal must be groomed and exercised in its own designated area as defined by the Project Coordinator.
- E. Each project animal on the fairgrounds will have their preliminary fitting prior to check-in at Fairgrounds. **ALL GROOMING AT FAIR MUST BE DONE BY A CURRENT YEAR PIMA COUNTY 4-H/FFA MEMBER ONLY.** Adults may assist exhibitor in holding, moving and penning animals. Failure to abide by this rule will result in disqualification by either the Project Coordinator or Show Superintendent of that project.
- F. In classes requiring breed determination, the breed will be determined by predominant breed characteristics of the animal. Animals do not have to be registered. Each breed will be judged separately. **Exception: Goats-See Special Rules-Dairy Goats.**
- G. All market animals will be weighed on scales at the Pima County Fairgrounds. These scales are certified by the state. This weight will be used to determine exhibit class.
- H. Upon arrival at Fairgrounds, market animals must be unloaded at designated area for immediate weighing. Unloading at any other area without permission of either the Project Coordinator or the Show Superintendent may be cause for disqualification. Weight lots not previously determined will be set by the Project Coordinator and Show Superintendent jointly after all animals are weighed. Each animal will be weighed only once.
- I. A member may keep an underweight or overweight animal or lambs that have lost their milk teeth, on the fairgrounds until the last Friday of Fair to exhibit in their respective Showmanship Class, if that member has no other animal eligible for showmanship. **Animals being shown in showmanship but not going through the sale must be removed from the fairgrounds on the last Friday of Fair between 7 a.m. and 9 a.m. and 4 p.m. and 6 p.m. Those animals not being shown in a Showmanship class, that are underweight or overweight, or lambs or market goats that have lost their milk teeth must be removed immediately.**

- J. In all classes, the judge's decision shall be final. In cases of fraud, misrepresentation, error, or collusion discovered after awards have been given, the animal will be disqualified and no changes will be made in the final placement of other animals.
- K. Where there is no competition, judges may award one ribbon or no ribbon according to merit. Danish system ribbons will be awarded, BLUE, RED, and WHITE. Numerical ribbons will be awarded first, second, third, etc.
 - BEEF** - MARKET, CARCASS, BREEDING AND FEEDER-Danish **SHEEP** - MARKET, CARCASS AND BREEDING- Danish **SWINE** - MARKET, CARCASS AND BREEDING- Danish **DAIRY CATTLE** - Danish **DAIRY GOATS** - Numerical-Participation ribbons will be awarded to all exhibitors not receiving numerical awards.
 - UDDERS** - Will be judged in each individual class by numerical system, to the first three places only.
 - MEAT GOATS** – Market and Breeding – Danish
 - BOER GOATS** – Danish
- L. **"FOR SALE" signs**, PROVIDED BY PROJECT COORDINATOR OR SHOW SUPERINTENDENT, may be posted on breeding animals after their judging. No "FOR SALE" signs will be posted on market animals. EXCEPTION: "FOR SALE" signs provided by Dairy Superintendent, may be posted on dairy breeding animals for duration of show. Animals sold will not be released before check-out on Sunday at 6:00 p.m.

VIII. SHOWMANSHIP:

- A. There will be showmanship in the following departments: Alpaca, Beef, Sheep, Swine, Dairy Cattle, Dairy Goat and Meat Goat. The Danish system of judging will be used.
- B. Each showmanship division will select a Champion and Reserve Champion Showman.
- C. Novice means not previously enrolled in 4-H or FFA in a particular project area (i.e. a member has been enrolled in 4-H in the swine project for three years, but this is his/her first year enrolled in beef...the member is a novice in the beef project only). **An exhibitor that meets the criteria for novice may compete in junior or senior division rather than novice if he/she so chooses.**
- D. **Exhibitors who wish to participate in showmanship must register for the contest on the entry form submitted prior to the Fair-Beef, Market Goat, Sheep, and Swine at the time of ear-tagging. Dairy Cattle, Dairy Goats, and Alpacas on the entry form by March, 15th of the current program year.**
- E. If the exhibitor is showing in Showmanship, the exhibitor must use his/her own market animal unless the exhibitor has only breeding animals at the Fair.
- F. Exhibitors will be judged on the appearance of animal and exhibitor. Appearance of the animal will include condition of feet, hair, and hide. The animal should be groomed according to approved breed standards. Exhibitors will be judged on ability to move or stand animal as directed by the judge. The judge may also ask questions pertaining to the project.

IX. HERDSMANSHIP CONTEST:

A. Herdsmanship awards will be awarded to each 4-H Club or FFA Chapter having at least one member exhibiting at the Fair. The awards will be presented at the Exhibitors Meeting on the last Sunday of the fair. Herdsmanship will be judged daily from Tuesday morning through the last Sunday morning.

B. Herdsmanship will be judged on the following:

- ~Appearance of pens, stalls and general, 50 pts per day (See new score sheet)
- ~Promotional and educational exhibits, 100 pts (Will be judged once, on Tuesday.)
- ~Exhibitors cooperation and behavior, 100 pts (Determined by the Project Coordinator. Based on participation in project booth)
- ~Workday participation, 100 pts. (as a % of total club project)

C. Educational Displays:

The following rules shall apply to promotional educational displays.

- display will be suspended above pens, stalls, or on walls allotted to this exhibitor or club
- display must be made by exhibitors and clearly exhibit club name

X. ROUND ROBIN SHOWMANSHIP- LIVESTOCK:

A. Winners of the Junior, Intermediate, and Senior Showmanship contests for Beef, Sheep, Swine, Dairy Cattle, Dairy Goats, Market Goats, and Horse are required to participate in Round Robin Showmanship.

B. The Round Robin Contest is open to the Champions of their Respective Showmanship in Beef, Sheep, Swine, Dairy Cattle, Dairy Goat, Market Goat and Horse.

1. As soon as possible after each show, the Champion Showman (Jr., Int., Sr.) must notify the Project Coordinator whether he/she will be able to participate in the Round Robin Contest
2. Only Champion or the Reserve Champion (if Champion declines) showmanship winners are eligible. If the Champion is unable to participate due to various reasons, the Reserve Champion will represent the project in the Round Robin contest and receive points along with any awards.
3. In the event that one exhibitor is the winner of a showmanship contest in more than one species, that showman must select the project they want to represent in the Round Robin Showmanship Contest within 30 minutes of the last division won. The Reserve Champion of the remaining species will represent those areas in the Round Robin Showmanship contest. If both showmen cannot participate in the Round Robin contest that species respective age group (Jr. or Sr.) will not be represented.
4. The Project Coordinator must notify the Reserve Showman of his/her eligibility and sign the 4 H/FFA member up for the Round Robin contest.

C. ANIMAL SELECTION AND ROUND ROBIN CONTEST SETUP ARE UNDER DETERMINATION. SPECIFIC RULES WILL BE ANNOUNCED BY JANUARY 1, 2020. QUESTIONS CAN BE SENT TO PROJECT COORDINATOR.

D. Rule Variations

- a. In the rare instance during the Pima County fair, if any variation or exceptions to the rules stated above needs to occur due to a special circumstance, the Round Robin Committee Chair will be the one to address the situation.
- b. All other changes to the Round Robin contest during non-fair days will be addressed by the Round Robin committee.

E. Contestants

- a. Each exhibitor will wear his or her assigned Round Robin show number visibly for identification.
- b. The respective Showmanship Dress Code will apply.
- c. It is the responsibility of the contestant to use the informational notebook provided and to seek out the expertise of their 4-H peers in how to properly handle and show animals.
- d. All Round Robin contestants must be present with an animal of their species **on the last Friday morning of Fair at 9am**. Participants will be allowed to practice with each species and ask questions.

F. Project Coordinator/ Project Superintendent is responsible for:

- a. Notify the Champion or Reserve Showman of his/her eligibility and sign the 4-H/FFA member up for the class.
- b. Selection of animals for the Round Robin contest.
- c. Notifying the Round Robin Committee Chair of the animals selected.
- d. Notifying the animals' owner that their animal will be used in the Round Robin contest.
- e. Making sure animals are prepared for the Round Robin contest.
- f. Providing 6 animal handlers (preferably the youth that own the animal) to bring the animals and any necessary show equipment into the assigned ring.
 1. Animal handlers will turn the handling of the animal and equipment over to the Junior or Senior contestant that draws the animal's number.
 2. After the Judge has finished with the class the contestant will turn the handling of the animal and equipment back over to the same animal handler.
 3. After both Juniors and Seniors have shown the class, animal handlers will take the animals out of the ring.

I. The exhibitor must be present to take their own steer across the scale at Ear Tagging.

J. The exhibitor must provide proof of ownership as per the Arizona State Livestock Board requirements.

K. Ownership and registration papers must be in the exhibitor's name or proof of possession of the same documents at the time of ear-tagging, tattooing, or ownership.

L. All exhibitors in the Market Steer Project must have shown at one jackpot show prior to the Pima County Fair in order to be eligible to exhibit at the Fair. (Attendance at two county organized/approved steer clinics can be substituted for one jackpot show.) Eligibility can be presented to the Beef Project Coordinator.

M. Special grooming rule, heads and tails must be clipped prior to arrival at the fairgrounds. If not, they will not be accepted for exhibition.

- N. Steers may not be tied in livestock barn or ramada prior to weigh-in at the Pima County Fair. Do not unload your animals until you have checked in and completed all required paperwork.
- O. All exhibitors must be present to take their steers across the scale for weigh-in at Fair. Any exceptions must be discussed with the Project Coordinator prior to weigh-in otherwise the steer will not be allowed across the scale.
- P. All exhibitors must have a barrier at least 20" in height behind their steers. This may be of rope, chain or straw bales.
- Q. All Beef animals must be double tied, with a halter and neck rope at all times, both in the barn and outside.
- R. No horns over one inch long on market steers.
- S. All clipping must be done in a designated area, and final fitting and blocking must be done by a current year Pima County 4-H/ FFA Member. **4-H/FFA Members from outside of Pima County will NOT be allowed to assist with clipping/fitting/blocking beyond verbal coaching.**
- T. Approval may be obtained from the Beef Project Coordinator and Beef Superintendent for a current year Pima County 4-H/FFA Leader to assist NOVICE members with final touch up and fitting. Animal's exhibitor must be in attendance and be an active participant in preparing the animals. 4-H/FFA Leaders should be used primarily as coaches with minimal physical activity being done.
- U. The Beef Project Coordinator reserves the right to make any changes or split any class or classes deemed necessary.
- V. Weight classes will be determined by breaking the Market Steer Classes and Prospect Beef Classes into approximately equal numbers as deemed appropriate by the Project Coordinator.
- W. Market Steer Class order will be posted by 10:00 AM on Wednesday, April 22nd, 2020.
- X. Average Daily Gain will be calculated on all steers and an award will be given to the steer having the highest average daily gain from date of ear-tagging to weigh-in at the Pima County Fair.
 - a. This information will be available to the judge upon request.
 - b. The results will be posted.

- Y.** If the Grand and/or Reserve Champion Steers are not an Arizona Bred, Born and Fed steer, there will be an extra class. The top two (AZ Bred, Born and Fed) steers from each class must be available to enter the show ring after the Grand and Reserve Champion Class.
- Z.** Any steer that leaves the Fairgrounds is not eligible to return to be placed on the packer's trucks provided by the Pima County Jr. Livestock Sales Committee.
- AA.** No horseplay or rough housing will be allowed in the barn. Individuals doing this will be asked to leave the barn area.

DAIRY CATTLE DIVISION

OWNERSHIP REQUIREMENTS to be met by: January 15, 2020.

1. In order to exhibit in fair classes, the exhibitor must provide proof of ownership of the steer, heifer, cow, or bull calf on or before the ownership deadline to the project coordinator. The exhibitor must provide proof of ownership as per the Arizona State Livestock Board requirements for Seasonal Pass Self Inspection Certificate. Ownership and registration papers must be in the exhibitor's name or family herd name. Seasonal pass must have the member's name.
2. Lease Option: First year, novice exhibitors to the Dairy Cattle Project may lease a maximum of one project animal for exhibition and may show this project animal and its eligible offspring of the current 4H project year. If leasing a project animal, signed lease papers, approved by the Pima County 4H office, must also be filed with the project coordinator no later than the ownership deadline, along with other required documents stated in #1. Note that registration papers, (if applicable), should be in the name of the owner (the lessor). The Seasonal Pass must be in the exhibitor's (the lessee's) name and must be provided at the time of fair check in.

3. Grade (non-registered) animals must have at least one of the following: ear tags, tattoos, or photo identification of all four sides of the animal and any distinguishing marks noted.
4. Copies of registration papers and livestock inspection papers and at least one of the listed identifications must accompany ownership (or lease) forms submitted by club project or community leaders.
5. Calves born after the January 15, 2020 but before April 1, 2020, from cows owned by the exhibitor (and with ownership paperwork on file), can be shown by the exhibitor at fair. Exhibitor needs to turn in documentation by midnight April 1st on newborn calves and all animals showing at fair. Check schedule of classes for age requirements of animals eligible to be entered in the Pima County Fair. Exceptions may be made for calves born after April 1st, with proper identification and majority consensus from the barn superintendent, project coordinator, and 4-H Extension agent with input from the 4-H veterinarian.
6. Provide a certificate showing proof of participation in “AZ Youth for the Quality Care of Animals.” YQCA can be accessed at www.yqca.org

CHECK-IN AND DISPLAY REQUIREMENTS:

1. All Animals must be inspected by Coordinator prior to tying in the barn.
2. All seasonal pass self-inspection certificates and supporting documents must be provided to coordinator to verify animals’ identification upon inspection. Arizona State Livestock Seasonal Passes and ownership (or lease) paperwork must be verified as well as animal inspections will be documented upon check-in at fair by Project Coordinator.
3. All clubs will be entered into herdsmanship automatically and are strongly encouraged to display educational posters and information related to the fair theme.
4. Individual club areas will be assigned by the project coordinator. Club leaders must verify club location prior to setting any displays or barriers.
5. Herdsmanship will be judged daily beginning Tuesday April 21, 2020 and ending Sunday April 26, 2020 after the morning judging. Judging will occur between 8:00-9:00 am and 6:00-7:00 pm. Herdsmanship is judged on several categories including participation, interaction with others, care of project animals, cleanliness of stalls and barn aisles, display appearances and educational value. Each club will let the project coordinator or superintendent know when they’re ready to be judged during the judging windows each day.
6. Members with milking animals will be required to provide their own milking equipment but may choose to share cattle stands.

7. All exhibitors must have a barrier at least 36" in height surrounding their animals. This may be fencing or corral panels with straw bales or other form of barrier preventing spectators from injury; however, fencing is preferred for safety reasons.
8. All animals must be double tied, with a halter and neck rope, except calves less than four months old which can be penned in secure fencing provided by the club. If a calf is unruly, for safety reasons, the coordinator or barn manager may require it to be tied. No enclosed stalls will be available for 4-H dairy animals, only tack and feed can be kept in stalls unless barn superintendent and project coordinator agree the use of a stall is warranted. Animals must be exercised outside of the barn at least twice a day by exhibitors.
9. To prevent over-bagging of udder, milking cows must be milked out between 5:00 p.m. and 8:00 p.m. on Tuesday, April 21, 2020, milk out inspection by project coordinator is mandatory to be eligible to show.

SHOW INFORMATION AND REQUIREMENTS:

Order of show will be determined by project coordinator and number of entries in each division. The Pima County 4-H and FFA Dairy Cattle Division is subject to all rules of the 4-H/FFA Livestock Division and the following special rules specifically for the Dairy Cattle Project.

SPECIAL RULES (based on The Purebred Dairy Cattle Association (PDCA) Show Ring Code of Ethics): Dairy cattle exhibitions are conducted under standards for evaluating conformation established by the PDCA Unified Score Card, with specific breed characteristics taken into consideration by the show judge. The Purebred Dairy Cattle Association, Inc. is a federation of the national dairy breed registry associations serving breeders and owners of Ayrshire, Brown Swiss, Guernsey, Holsteins, Jersey, Milking Shorthorn and Red and White dairy cattle. Miniature Dairy Breeds are also included in our county 4-H show and will follow the same rules as standard breeds. PDCA and its member organizations promote the added value and profitability registered dairy cattle offer all dairy business owners.

In this project, animals will be groomed and prepared for the judge's evaluation in order to display the animal's natural contour, conformation, performance and mobility.

Specifically:

1. **All Dairy Cattle (including steer projects) must have complete body clipping prior to arrival at Fairgrounds.** Note: The maximum allowable length of naturally growing hair anywhere on the topline is not to exceed 1" if a "topline clip" is being done; you may also choose to blend belly hair. everywhere else is to be completely clipped. Once animals are inspected by the project coordinator and tied in the barn at check in, no further clipping of body hair is allowed. Exempt from this rule is close clipping of the udder for lactating cows. Members may also do small touch-ups to the topline. Only small clippers or scissors may be used for these tasks.

2. Changing the natural color of the animal is prohibited. However, external applications of cosmetics that affect only appearance may be used, including by way of example hoof polishes and false switches.
3. Addition of foreign objects, including but not limited to hair or hair substitutes, cloth or fiber, to change the natural contour or appearance of the animal's body is forbidden.
4. No horns or scurs over 1 inch long.
5. All Dairy Cattle must be of Dairy Breeding and show dairy breed characteristics. No beef cross breeds allowed. Registered animals and grade animals will be shown together according to breed representation and age. Crossbred Dairy Breeds are allowed and will show with the most prominent breed characteristics.
6. Heifers must calve prior to reaching 30 months of age in order to be exhibited in any class.
7. All bull calves must be born after October 15, 2019 to be shown in the 4-H/FFA Division, proper documentation of birth date must be provided to coordinator (self-inspection papers from purchase or birth place, ear tag, etc.) Any bulls with behavioral issues, must wear a permanent nose ring at any 4-H function.
8. Dairy cattle exhibitors will wear white shirts, white pants, and a green 4-H tie in the show ring. (Black pants may be worn under special circumstances, with Coordinator's permission) Club vests are optional and must not have club or member names visible.

EXHIBITOR RESPONSIBILITIES:

1. The 4-H owner/exhibitor will take responsibility for the wellness and care of that animal(s) for the duration of the fair.
2. Parental assistance is limited to heavy lifting of equipment or supplies and intervention for safety of the animals, exhibitors, and the public. In cases where the 4-H member is not able to lift, properly handle equipment, or complete caretaking in a safe manner, an adult is allowed to assist if there are no other 4-H members available to help. For example, members with milking animals may need assistance with making sure the cow is properly milked out and equipment is handled properly. However, the child should be able to complete the task on their own with supervision of a parent or leader. Safety always comes first for members, the public, and animals.
3. Preparations for show need to be completed entirely by the exhibitor, parents may hold towels or brushes, even the animal if there is not a safe place to tie or secure them, but the member shall complete all the grooming on their own. In instances where a child may have other obligations, events or illness that prevent them from taking care of their animals themselves, another 4-H member must be asked to assist in feeding, water and cleaning stalls these tasks are not to be done by a parent or leader. On dairy cattle show day parents may pick up manure from aisles, stalls, and

arena side while their child is preparing for show which is acceptable but not on a regular basis throughout the fair nor in volume that requires wheelbarrow assistance to dispose of.

4. At all times, exhibition livestock shall be treated in a humane manner and in accordance with dairy quality assurance practices so as to protect the health, safety and welfare of the livestock and the consuming public. No person shall present for exhibition or exhibit an animal which he or she knows, or has reason to suspect, is affected with or has been exposed to a dangerously contagious or infectious disease, or illegal or non-approved use of drugs, medication and/or prohibited substance nor animals showing signs of malnutrition. The position of the PDCA and 4-H is that all animals presented for exhibition shall be in their natural conformation and structure, free of any alteration or modification by injection or internal or external administration of any substance or by any involvement in unethical fitting.

DAIRY STEER PROJECT:

All members participating in a dairy steer project must adhere to all general, livestock and dairy cattle project rules that apply with the addition of the following project requirements:

1. Steer must be properly castrated as a calf by some form of banding device or by a veterinarian.
2. All steer must be of recognizable dairy breed with **no** beef crosses being allowed, mixed dairy breeds are acceptable.
3. Steer must not reach an age over 2 years at fair weigh-in (verifiable by checking teeth eruptions). Steer must be an appropriate weight for their age and breed (dairy calves should weigh approximately 425 pounds at six months of age)
4. Steer must be either ear tagged or tattooed with their date of birth in the right ear and left ear with their self-inspection ID number and be photographed from both sides with at least one photo having a face shot, photos must be turned into the dairy cattle coordinator with ownership paperwork and quality assurance certification on or before January 15th of the project year.
5. Weigh in of steers will take place by Tuesday, April 21, 2020 at 10:00 a.m. (or at the discretion of the project coordinator and/or extension agent.)
6. Steers classes will be determined based on the weight range of the project animals at fair.
7. Members who own more than one dairy animal whether a cow, heifer, or steer shall declare at ownership deadline which animal will be selected for use in their age appropriate showmanship class. Bull calves will not be allowed in showmanship, unless the member only has ownership of a bull calf.

DAIRY CLASS INFORMATION:

Classes will be divided according to breed (Holstein, Jersey, Milking Shorthorn, Guernsey, Ayrshire, Miniature Jersey, and Crossbred Dairy Breeds), age, gender, and number of entries. All animals must be eligible to be shown in breed classes in order to be shown in Showmanship. Exhibitors must show their own animal in Showmanship in order to participate. The Dairy Cattle Project Coordinator reserves the right to make any changes or split any class or classes as is deemed necessary.

- B. All dogs brought to the Fairgrounds must be licensed with Pima County Animal Control and be current on their annual vaccinations.
- C. Aggressive dogs are not permitted in the 4-H Dog Competitions. Dogs that have shown some signs of aggression but have been worked can be shown, permitted they have the following:

1. Three (3) leaders have signed off on the Dog attesting to having witnessed a change in the Dog's behavior and have tested the Dog and found that the behavior is no longer aggressive
- D.** Under no circumstances is anyone allowed to approach a Dog Show Judge or Ring Steward with a dispute or problem during the show. The official Judge's decisions will be considered final for that day. All grievances should be taken to the Dog Project Coordinator or Superintendent. Any grievances will be discussed at the next regularly scheduled Dog Project Leaders' Meeting.
- E.** Exhibitors are responsible to be ready at ringside when their class is called, or they will miss the class. If an exhibitor is exhibiting in another project or class which conflict with the dog show, members should notify the Project Coordinator for all of the projects involved including the Dog Project Coordinator to work out flexibility in both show schedules.
- F.** In Obedience, dogs that receive a qualifying score of 170 or above must move up to the next show level. Dogs are not allowed to move down levels. Please refer to class descriptions.
- G.** DOGS THAT HAVE NOT BEEN ENTERED IN THE 4-H/FFA DOG SHOW MAY NOT BE ON THE FAIRGROUNDS PROPERTY NOR THE DOG SHOW AREA.
- H.** The following pertain to Ownership, Show & Training:
1. Dogs must be trained and shown exclusively in obedience and showmanship by the 4-H member during the project year beginning October 1, 2019 and ending September 30, 2020. Dogs must be 1 year old by the Pima County Fair. For the Agility Classes Levels 2 and 3, the dog must be at least 18 months old.
 2. Dogs must be owned by youth or immediate family members. Other situations will be reviewed on a case by case basis.
 3. A 4-H member may show as many dogs as wished in Obedience classes, however, all 4-H members are limited to one regular Obedience class per dog and one dog per class.
 4. A 4-H member must show one dog in the appropriate Novice or Open showmanship class. Other situations will be reviewed on a case by case basis.
 5. Classes may be combined in an effort to expedite the show providing that it maintains the 12-dog limit for long sits and downs. Changes will be announced, and members will be given a five-minute (5) warning. Classes will be scored separately.
 6. All classes will be judged by the Pima County Obedience Guidelines and Judging Guidelines.
 7. All Pre-Novice members will hold their leashes in their hands.
 8. TEAM: At least two (2) of the four (4) dogs must be trained no higher than the level at which the team is entered and no dog may be entered in a class more than 1 step below what they are being shown at. All teams will be a minimum of three members.

I. The following pertain to Elimination Guidelines:

1. Female dogs in season must be reported to the member's Project Leader and to the Dog Project Coordinator. Females in or coming into season are not allowed on the show grounds. Pregnant, within four (4) weeks of the due date, or bitches with a litter eight (8) weeks of age or older but still lactating (producing milk) must have veterinarian approval before being shown. A letter of approval from a Veterinarian must be submitted at the time of check-in.
2. For the protection of the other project dogs, the Project Coordinator or County 4-H Extension Staff, jointly with a veterinarian, if available, have the right to reject any exhibit showing evidence of disease or parasites and to include lameness or malnourished and improperly cared for dogs.
3. For the protection of the 4-H members, their dogs and spectators, aggressive behavior by the dog will be disqualify the dog from further competition at the current Pima County Fair. This decision will be made by the Project Coordinator or County 4-H Extension Staff. Aggressive behavior will be considered as a dog that continues to show aggression when removed or isolated from other dogs.
4. Any display of poor sportsmanship on the part of the handlers will eliminate the handler from further competition at the current Pima County Fair Dog Show. This decision will be made by the Project Coordinator.
5. Dogs must be on leash, crated, and attended at all times when not in the show ring. Any loose dog or one which is tied and left unattended may be excused from any further competition that day. This decision will be made by the Project Coordinator. For all shows, an area away from the immediate show area or barn will be designated as a warmup and exercise area where dogs may be outside of their crate. Dogs may also be out of crate for regular bathroom breaks, grooming sessions, exercise breaks, and warmups as long as they are away from the immediate show vicinity and practice proper spacing around other dogs.
6. The Pima County Fair, Pima County Cooperative Extension and Pima County 4-H and their representative will not be responsible for loss of, damage by, or accidents to dogs, exhibitors, or spectators.
7. Exhibitors may not accept coaching or training while in the show ring. Acceptance will result in disqualification from that class. This decision will be made by the judge, Project Coordinator and County 4-H Extension Staff.

J. The following pertain to Equipment and Care:

1. All care, handling, and grooming the day of the show must be done by a 4-H member.

2. Pronged or spiked collars will NOT BE ALLOWED on the Pima County Fairgrounds on show days.
3. Dogs must be shown only on a flat buckle collar, a chain, or a martingale collar, with a 6-foot leash or a show lead. Nothing except the leash may be attached to the collar in the ring. Dog licenses should be removed prior to entering the show ring. All equipment including collars must be quality approved and signed off on by your project leaders at the show check-in prior to any show. Only leader approved collars and chains will be allowed to enter the show.
4. Exhibitors are responsible for bringing their own shade, water, crate and feed for their dogs. Additionally, exhibitors are responsible for allowing adequate time for their dogs to relieve themselves prior to entering the ring. ALL MEMBERS MUST CLEAN UP AFTER THEIR DOGS.

4-H/ FFA use of 4HOnline, Google Form, and FairEntry for Project Management

All members will utilize online management systems to enter for the Pima County Fair for all projects. Additionally, all members will keep online ownership of their project animals.

- Prior to the ownership deadline, all 4-H Members will add their project animal to their 4HOnline Profile with all pertinent information and a profile photo of their animal and exhibitor.
- Prior to the ownership deadline, all FFA Members will add their project animal to a Google Form that will be provided by their FFA Advisor with all pertinent information and a profile photo of their animal and exhibitor.
- **All 4-H and FFA Animals Must Be Entered Online by January 15th, 2020 at 11:59 PM.**

By March 15th, 2020, all 4-H and FFA Members will enter their projects to the Pima County Fair on FairEntry.com. Instructions on how to register will be sent out prior to the deadline.

- A. Each exhibitor is limited to 30 birds. Exhibitors are encouraged to show only their best exhibits as space at the Fair is limited. We will double-stack cages if space becomes limited.
- B. See general small stock requirements.
- C. Any exhibitor having more than one entry in a class or lot called to the show tables may have assistance from other 4-H/FFA members in proper show dress/attire only.

- D. Provide your own plastic food and water cups. The Project Superintendent will tag cages without water or food. If your cage is tagged please contact the Project Superintendent.
- E. All breeds accepted by the National Pigeon Association (NPA), as stated in the Standard of Perfection, may be exhibited by 4-H/FFA Small Stock exhibitors. Any breed not listed in the NPA standard will be placed in an appropriate class, but is only eligible for Best of Variety and Best of Breed (not Champion of Show).
- F. "Squeakers", squabs, or chicks under 30 days and not yet weaned/flying, may be brought with mothers only as part of an educational display with prior approval of Project Superintendent.
- G. Exhibits/birds must have numbered leg bands or wing tag, and must correspond/match the entry form submitted. Birds with the wrong band/wing numbers will not be allowed to be entered. This rule will be strictly enforced. Only exhibits to be judged may be brought to the Fair unless prior arrangements have been made with the Project Superintendent.
- H. Exhibits may also be entered in Open Division; however, Open Exhibits must be removed from the barn until check-in time. Exhibits not removed from Open will be disqualified from exhibiting in the current Small Stock 4-H/FFA Division.
- I. Under no circumstances will eggs be removed from exhibitor's cage by anyone, **except those authorized by the Project Superintendent.**
- J. No racing or homing pigeons are to be released at the Fairgrounds for homing. Please crate and transport them home.
- K. The following rules pertain to Pigeon Meat Pens:
 - a. Exhibitors in Meat Pen classes are limited to two entries of meat pens.
 - b. Meat pens should show the 4-H/FFA member's ability to produce high quality meat for the table. The time required varies with each project.
 - c. Entries must be leg-banded, even if they are non-permanent bands.
 - d. Pigeon Meat Pens:
 - Squab: 2 young birds/nest mates 30 - 60 days old just feathered out NOT flying.
 - Squeakers: 2 young birds that have left nest between 30 – 60 days and are flyers.
 - Mature Adult: 2 birds/nest mates that are older than squabs/squeakers and are ideally between 2 to 4 months old (60-120 days old) and/or considered flyers.
 - i. SQUABS: Pair (2) of live "squabs/squeakers" approximately 30-60 days old.
Crossbred birds will be accepted for Meat Pens.
 - ii. MATURE: Pair (2) of mature meat birds; any birds that are 60-120 days of age.
Birds in this class are judged by weight, overall condition, and meat structure.
Crossbred birds will be accepted for Meat Pens.
- L. The following pertain to showmanship:
 - a. There will be showmanship in the following departments: **Pigeon:** When a class is broken into two or more sections, special blue awards will be given to outstanding showman and asked to come back for the championship round (callback). Callbacks

are at the judge's discretion.

- b. Showmanship winners from previous years are eligible to compete.
- c. Exhibitors must use their own exhibit in the showmanship competition. Showmanship exhibits must also be entered in the breed show, or in another judged lot. If a showmanship animal dies, the exhibitor must obtain special permission from the Superintendents/Coordinators/Directors whom may make a group decision.
- d. Exhibitors who wish to participate in Showmanship must register for the contest on the Fair entry system on separate line. Note: those who wish to participate in the Small Stock Auction must participate in Showmanship.
- e. Showmanship will be judged on the exhibitor's ability to show own animal (no exceptions) to its advantage and their knowledge in handling, fitting and selecting animals for production and show. The judge may also ask questions based on his/her experience as a judge pertaining to the project
- f. All showmanship birds must be owned by January 15, 2020 to be eligible for use at the fair.
- g. If there is only one exhibitor in a showmanship class, then the exhibitor will either be moved up or down a class at discretion of Superintendent with consultation of the Project Coordinator and /or the exhibitor's leader. Experience and/or knowledge of exhibitor within project may be considered a factor.
- h. For all judged shows, 4-H/FFA members must be in show dress as defined in the General Animal Science Rules & Regulations under Exhibitor Dress.

M. The following pertain to Judging, the Show, and Awards:

- a. The judge(s) of the fair will not be released prior to the show.
- b. Each breed will be judged separately. Where there is no competition, judges may award one ribbon or no ribbon according to merit. Danish system ribbons of blue/red/white will be awarded if exhibit merits such award. The judge may disqualify birds at his/her discretion
- c. **"OLD"** pigeons are birds hatched **BEFORE** January 1 of previous year and **"Young"** pigeons are birds hatched **AFTER** January 1 of previous year.

- ***Friday, May 1st, 2020, 5:00 PM***- Completed Record Books must be submitted to the Pima County 4-H Office/ FFA Advisor by this date. Failure to submit a complete record book will delay payment of your fair auction proceeds until a record book is submitted. 4-H Record books submitted after May 1, will not be eligible for awards.

4-H/ FFA use of 4HOnline, Google Form, and FairEntry for Project Management

All members will utilize online management systems to enter for the Pima County Fair for all projects. Additionally, all members will keep online ownership of their project animals.

- Prior to the ownership deadline, all 4-H Members will add their project animal to their 4HOnline Profile with all pertinent information and a profile photo of their animal and exhibitor.
- Prior to the ownership deadline, all FFA Members will add their project animal to a Google Form that will be provided by their FFA Advisor with all pertinent information and a profile photo of their animal and exhibitor.
- **All 4-H and FFA Animals Must Be Entered Online by January 15th, 2020 at 11:59 PM.**

By March 15th, 2020, all 4-H and FFA Members will enter their projects to the Pima County Fair on FairEntry.com. Instructions on how to register will be sent out prior to the deadline.

- A. Each exhibitor is limited to 20 animals (a pen of 3 is considered 1 animal) unless there is a shortage of space/cages: exhibitors will be notified in advance of check-in if there is a shortage of cages.
- B. Exhibitors are encouraged to show only their best exhibits. All animals exhibited must be in good health. Each animal will be visually inspected by the Project Coordinator or designee prior to cage assignment. Any animal showing evidence of disease, parasites (i.e. lice, nits), infestation, or deformation may be excused from the grounds at the discretion of the Project Coordinator/Superintendent.
- C. Any exhibitor having more than one entry in a class or lot called to the show tables may have assistance from other 4-H/FFA members (in show dress) only, but the member **MUST** be present at the breed show to be able to sell in the Small Stock Auction. Conflicts with other 4-H/FFA Classes and Shows will be considered but should be communicated with the Project Coordinator.
- D. For all judged shows, 4-H/FFA members must be present and in show dress as defined in the *General Animal Science Rules & Regulations* under *Exhibitor Dress*.
- E. All breeds accepted by the American Poultry Association, and the American Bantam Association, as stated in the Standard of Perfection, may be exhibited by 4-H/FFA Small Stock exhibitors.
- F. Chicks may be brought with mothers only as part of an educational display with prior approval of Project Coordinator.
- G. Exhibits (including all meat pen and ornamental animals) must have been banded and correspond band numbers to entry form. Only exhibits to be judged may be brought to the Fair unless prior arrangements have been made with the Project Coordinator. NOTE: Bands must include a number, colored bands (i.e. bands without numbers) are not acceptable.
- H. Exhibits may also be entered in Open Division Show; however, Open exhibits must be removed from the barn until check-in time the following day. Exhibits not removed from the

Open Division show will be disqualified from exhibiting in the current Small Stock 4-H/FFA Division.

- I. Under no circumstances will eggs be removed from exhibitors cage by anyone, **except those authorized by the Project Coordinator.**
- J. **NO GAME COCKS WILL BE ALLOWED ON THE FAIRGROUNDS.** This does not include Old English Bantams and American Game Bantams.
- K. The following rules apply to all Meat Pen classes:
 - a. Exhibitors in Meat Pen classes are limited to four entries of chickens. One (1) entry in broiler, one (1) entry in fryer, and two (2) in heritage pens.
 - b. Meat Pens should show the 4-H/FFA member's ability to produce high quality meat for the table. The time required varies with each project.
 - c. Poultry Meat Pens: Raise three (3) live chicks from day-old chicks to 6 to 8 weeks old (for fryer or broiler) or 18 to 22 weeks for heritage pens (age will depend on variety.) Cornish Rock Cross Meat Pen birds should be uniform in appearance and size. Entries must be banded and band number(s) must correspond to the entry form. Fryers must weigh 3 ½ to 5 pounds each. Broilers must weight over 5 pounds each. Heritage pens must be uniform in size, but since the heritage project does not consist of one breed, weights are not limited. Heritage pens will have a recorded weight and the judge will base his/her choice on uniformity and overall production quality.
 - d. All meat pens must have their band numbers assigned and be listed on the Poultry Show Entry Form at entry form deadline, March 15, 2020.
 - e. See general small stock requirements.
- L. The following rules apply to the Laying Hen class:
 - a. Only one entry (pen of 3 birds) per exhibitor is allowed. Exhibitors do not need to specify the breed or variety of the hen on their entry form.
 - b. Hens will be judged on their current production characteristics only without regard to breed or beauty.
 - c. Laying hen class will be judged in their pens by the judge.
- M. The following rules apply to the Commercial Turkey Class:
 - a. Commercial Turkey entries should show the 4-H/FFA member's ability to produce high quality meat for the table.
 - b. Exhibitors will raise three (3) live day-old chicks to maturity, approximately 20-24 weeks old.
 - c. Exhibitors will select their best bird and bring one (1) to be judged.
 - d. Each bird must be banded. Band numbers must be assigned and listed on the Poultry Show Entry Portal as of March 15, 2020.
 - e. One entry of a Commercial Turkey is allowed in addition to Meat Pen Entries.
- N. The following rules apply to the Egg class:
 - a. One-half dozen (6) eggs will constitute an entry. **Entries with fewer or**

more than six eggs will be disqualified.

- b. Only one (1) entry per exhibitor per lot allowed: white, cream, brown, blue or green chicken, duck or any other eggs. Use different line for each egg entry.
 - c. **Eggs must be clean and entered in egg cartons only.**
 - d. All eggs in an entry must be of a single size group (small, medium or large).
 - e. Eggs will be judged for internal and external quality.
 - f. Eggs must be entered in egg cartons only.
- O. The following rules apply to Showmanship classes:**
- a. Poultry showmanship will be divided into chicken, waterfowl and turkey showmanship. When a class is broken into two or more sections, special blue awards will be given to outstanding showmen and asked to come back for the championship round. Callbacks are at the judge's discretion.
 - b. Showmanship winners from previous years are eligible to compete.
 - c. **Exhibitors must use their own exhibit in the showmanship competition. Showmanship exhibits must also be entered in the breed show, or in another judged lot.** If a showmanship animal dies, the exhibitor must obtain special permission from the Coordinators/Directors to make as a group. Note: the replacement bird must be owned by the exhibitor and entered as an exhibit in the current Pima County Fair.
 - d. Exhibitors must register to participate in Showmanship must register for the contest in the Fair Entry system on a separate line if they wish to enter exhibits in the poultry project. Exhibitors who do not register for Showmanship, will not be allotted cages space for birds at the fair.
Note: those who wish to participate in the Small Stock Auction must participate in Showmanship.
 - e. Showmanship will be judged on the exhibitor's ability to show their **own** animal (**no exceptions**) to its advantage and their knowledge in handling, fitting and selecting animals for production and show. The judge may also ask questions based on his/her experience as a judge pertaining to the project.
- P. The following rules apply to Judging, Show, and Awards:**
- a. Each breed will be judged separately. EXCEPTION: Laying hens of various breeds will be judged as one class. Where there is no competition, judges may award one ribbon or no ribbon, according to merit. Danish system ribbons of blue/red/white will be awarded if exhibit merits such award. The judge may disqualify birds at his/her discretion.
 - b. **"OLD"** Fowl are birds hatched **BEFORE** January 1 of previous year and **"Young"** Fowl are birds hatched **AFTER** January 1 of previous year.

- a. Exhibitors in the Commercial Laying Hen class are limited to one entry of three chickens, which constitutes one lot.
- b. Birds should show the 4-H/FFA member's ability to produce high quality laying stock. The time required for this project is variable.
- c. Commercial Laying Hen Pens: Raise a minimum of three (3) live chicks from day-old chicks to 21+ weeks old. Stock must be ordered from a commercial hatchery; only White Leghorns, large fowl (no bantams) may be entered. The Commercial Laying Hen Pen exhibitors choose to enter should be uniform in size and appearance and need to be producing eggs by the time of arrival at the fairgrounds. Entries must be banded and numbers must correspond to the Fair Entry System.
- d. The judge will base his/her decision on the following qualities: uniformity, overall vigor/health of the birds, , vent shape/size, body width, leg pigment, egg quality (shape/size) and overall production quality. The judge may also choose to judge the Commercial Laying Hen birds based on qualities not listed here, but which are within their purview of their expertise.
- e. All Commercial Laying Hens must have their band numbers assigned and be listed in the Fair Entry System at entry form deadline, March 15, 2020.

- a. For registered does, the original NPGA "Certificate of Registry" must be available (no photocopies accepted).

- b.** For registered wethers, the original NPGA "Certificate of Recorded Ancestry" will be used.
 - c.** For unregistered goats, a dated Bill of Sale that contains the seller's name, address, phone number, tattoo/microchip, and birth date of goat can be used.
 - d.** For unregistered goats less than 2 months old shown in the Prospect Class, the NPGA Breeding Memorandum shall be used to verify ownership.
 - e.** All papers must be in the name of the exhibitor. Paperwork must also be available at the Breed Show.
- F.** Either a Microchip or Tattoo is required for all goats two (2) months and older **(prior to check-in.)** If microchipped, the microchip number must be printed on the original NPGA registration certificate or certificate of recorded ancestry; it cannot be hand-written, or a sticker affixed. If a microchip is registered on a certificate, but is not readable, the tattoo will be used. If the microchip or tattoo are not readable at check-in, the animal will be removed from the fairgrounds. If the judge cannot read the microchip or tattoo to get a positive identification, the animal will not record the win.
- G.** No horned goats will be permitted. Scurs are allowed if less than one (1) inch. Longer scurs may be permitted if they are curled back or shaped in such a manner that they do not pose a hazard in the opinion of the Project Coordinator.
- H.** No bucks two (2) months of age or older will be shown: only those under TWO months of April 26, 2020 will be allowed to be penned and/or shown.
- I.** All pygmy goats should be current on the CDT vaccination within six (6) months, plus other precautions as recommended by the Project Coordinator or Fair Veterinarian.
- J.** Any goat with skin ailments and/or parasites at check-in will be removed from the fairgrounds immediately.
- K.** All goats including kids are required to wear a neck collar AT ALL TIMES. Collars (for shows) should be gray, tan, brown or black with matching leads for the show.
- L.** Goats must be washed at the designated racks only.
- M.** All grooming and Herdsmanship duties at the fair must be done by current year Pima County 4-H/FFA exhibitors only. An adult may assist in holding animals only. Failure to abide by the rule may result in disqualification by the Project Coordinator.
- N.** All pregnant does must be 138 days pregnant or less on the day of check-in (04/20/2020). No does 138 days or more pregnant may be housed or exhibited at the Pima County Fair.
- O.** Club pens will be assigned based on the number of pens assigned by the Barn Superintendent, the animal entries received by Fair Entry Deadline (3/15/2020). No extra pens will be allotted for additional animals.

- P. Barn Duty** by exhibitor's parents or leaders is **mandatory** per schedule of the Project Coordinator, with each club taking hours commensurate with the number of youth and goats in the project. It is imperative an adult is present in the Pygmy Goat area during all hours the barn is open to the public. **Herdsmanship judging** is conducted in the morning between 7:00 & 9:00 AM and in the afternoon between 5:00 & 7:00 PM, and the adult on barn duty must inspect the areas and sign off on the Herdsmanship forms for the Exhibitors.
- Q. Herdsmanship/Animal Care:** exhibitors must take care of their animals and area (feeding/watering, aisles raked, trash picked up, etc.), which is a major part of each club's herdsman score under the Small Stock General Rules. Exhibitors and clubs can work together to help each other but must plan and adhere to their own schedules.
- R. Education:** Club Educational Displays may be 8' x 4'. Individual educational displays are to be poster size. Clubs and individuals are encouraged to create educational displays that are not posters, i.e. diorama or papier mache items. Additionally, clubs will earn extra herdsman points by doing an Educational Presentation for the public.
- S. Showmanship:** Each exhibitor entering must enroll in showmanship on the Fair Entry Portal by March 15, 2020 using their own exhibit in the competition and the said exhibit must be entered in the breed judging. In order to participate in the Small Stock Auction, you must have participated in both Breed & Showmanship Judging.
- T.** Large showmanship classes may be divided per the judge's discretion.
- U.** Champion showmanship winners in the Junior, Intermediate, and Senior classes must participate in the Small Stock Round Robin.
- V.** Showmanship and all other classes will be judged according to the Danish system (blue/red/white). Awards if exhibits merit such, will be presented as follows:
 - a. Each Showmanship Division:
 - i. Junior Novice
 - ii. Junior
 - iii. Intermediate Novice
 - iv. Intermediate
 - v. Senior Novice
 - vi. Senior
 - b. Best/Reserve Champion Wether
 - c. Prospect Doeling/Prospect Buckling
 - d. Grand/Reserve Champion Junior Doe
 - e. Grand/Reserve Champion Senior Doe
 - f. Grand/Reserve Champion Doe
 - g. Each Class
- W.** Only blue-ribbon pygmy goats are eligible for sale at the Small Stock Auction. Exhibitors selling in the Auction MUST have proof of completing Quality Assurance valid through the

end of the fair. Exhibitors must also have submitted Auction Paperwork to the Project Coordinator by 5:00 PM on Wednesday, April 22nd, 2020.

- X.** Goats sold at the auction must be weaned, disbudded, and at least six (6) weeks old by Fair Check-In.
- Y.** See Small Stock Auction Rules for complete information and rules.
- Z.** The following rules apply to all pygmy goat breeding classes:
 - a. **All classes will be judged by the NPGA Standard** and the Judge's decision will be final. NPGA rules govern and take precedence of all others.
 - b. Unregistered Doe: open ONLY to does, of any age, sold as unregistered without papers and not eligible for registration at a later date. Does must meet pygmy goat standards and not be crossbreeds.
 - c. Prospect Doeling and Prospect Buckling Class: open ONLY to kids, under two (2) months not registered. This class is open to all baby does and bucks regardless of registration eligibility. SPECIAL Note: Entries for Registered Baby Doe Kids, (3 Mos. Or younger), and not yet registered prospect doeling and prospect buckling kids will be take on Fair Check-in Day. Entry Forms MUST be completed by 8:00 PM, April 23rd, 2019.
 - d. Exhibitors in registered JR. Doe & Sr. Doe classes must bring Original NPGA Registration Certificates. Wethers do not have a NPGA Certificate of Recorded Ancestry to be shown in the wether classes, but if they do not have the NPGA certificate, the judge cannot record the win of Best Wether under NPGA rules. Ownership papers for all goats, registered and unregistered, are required. To be eligible for Group Classes, animals must be shown in individual breed classes and may be borrowed from a Pima County 4-H/FFA Member to make Get of Sire or Produce of Dam or Breeder's Trio Classes only.

**PIMA COUNTY 4-H AND FFA
LARGE AND SMALL LIVESTOCK
SHOW CODE OF ETHICS AND FAIR REVIEW BOARD**

I. INTRODUCTION

The Pima County 4-H and FFA Livestock Show Code of Ethics was developed as a document to direct Pima County 4-H and FFA exhibitors in the raising, grooming, feeding, and exhibiting of their livestock projects. To accomplish this, a committee composed of one youth and one adult from each of the following areas: 4-H Beef Project, 4-H Swine Project, 4-H Sheep Project, Amphitheater FFA, and Marana FFA was formed. Additionally, a representative from the Pima County Fair as well as the UArizona Cooperative Extension 4-H Program was on the committee.

Since 1993, it has become increasingly evident that there is a nationwide need for fairs, shows, and exhibits to address and stop all forms of cheating and forms of animal abuse. In this vein, the following document drew heavily from the National Show Code of Ethics supported by the leaders of the National 4-H and FFA programs, who drew heavily from like documents from the American Livestock Show and Rodeo Managers Association, International Association of Fairs and Expositions, and the Purebred Dairy Cattle Association.

It is imperative that all individuals involved with 4-H and FFA understand and support the importance of the ethical treatment of animals and the adherence to principles of fair play. 4-H and FFA are first and foremost, youth development organizations. The exhibition of projects is only the final stage of a process that is designed to develop responsibility, goal setting, and leadership skills in the individual. It is the hope of the committee that this document serves to guide members in determining what is acceptable treatment of animals and what are acceptable practices in the feeding, grooming and showing of livestock project animals.

II. PREAMBLE

This code of ethics applies to anyone exhibiting animals at the Pima County Fair, any Pima County 4-H member exhibiting livestock as a 4-H member at any livestock show in the state of Arizona, any Pima County FFA member exhibiting livestock as a FFA member at any livestock show in which 4-H/FFA membership is required, and any 4-H/FFA

volunteer, parent, guardian, agent and advisor who may be involved with the 4-H/FFA program. All classes of livestock and small stock offered at the event are included. This code of ethics may be supplemented by other, additional rules imposed by local organizations conducting a particular show, but they may not be displaced by local show rules.

The following practices or procedures are unacceptable and are defined as deceptive, fraudulent, unethical, and inhumane in the care, fitting, preparation and showing of all classes of livestock. The use of any illegal drugs is prohibited. Legal or illegal substances used to phenotypically alter the appearance of an animal entered in livestock events are prohibited. Use of illegal drugs is considered an intentional act, and any instance will result in disciplinary action.

THIS IS A ONE STRIKE AND YOU ARE OUT POLICY!

Adults or exhibitors who violate the code of conduct demean the integrity of all livestock exhibitors and places the livestock industry and livestock and small animals in jeopardy. Additionally, violators may be banned from either the 4-H or FFA program, or both.

III. GUIDELINES FOR PARTICIPATION:

1. Livestock will not be exhibited if the drugs administered in accordance with federal, state, and local statutes, regulations, and rules affect the animal's performance or appearance at the event, except as provided by these guidelines. Animals entered in shows, which are intended to evaluate the animal for human consumption, shall meet FDA/USDA standards for drugs and drug residues. Animals not entered in an event which culminates with the animals entering the food chain will not be administered drugs other than in accordance with applicable federal, state, and local statutes, regulations, and rules.
2. Prior to fair check-in all exhibitors will advise Project Coordinator in writing of any drugs or medications administered to an animal including the name of the drug, its purpose, the person who administered the drug, time, and date of administration. All animals entered in livestock competition are subject to drug testing.
3. If the laboratory report of the chemical analysis of saliva, blood, or other samples taken from livestock indicates the presence of unapproved or unacceptable levels of drugs or medication, it will be prima-facie evidence such substance has been administered to the

animal either internally or externally. The burden to prove otherwise is upon the exhibitor.

4. Treating an animal internally or externally, with any irritant, counter-irritant, or other substance used to artificially change the conformation, function or appearance of an animal for show is considered unethical, inhumane, and is prohibited. This includes, but is not limited to the use of graphite, powders, hemp, artificial hair coloring and common products such as fly spray, ointment or liniment used to the point that they become irritating, (unless required to reduce edema at time of calving).
5. Any surgical procedure or injection of any substance or drug or the external application of any substance (irritant, counter-irritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance are prohibited, except as otherwise provided by these guidelines. Exceptions are external applications of substances to the hoofs or horns of animals which affect appearance only or surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal. Changing the original color of the hair, skin, etc. is prohibited. Adding false hair to hair-like material, fleece or skin at any point, spot or area of the animal's body is illegal using vegetable oil, silicon, or any other substance used to alter the shape of the animal. Any of these acts is also banned and will result in immediate disqualification. Acceptable practices of physical preparation, which are allowed, include clipping of hair, trimming of hooves, dehorning, or removal of ancillary teats. Animal diets shall consist of wholesome and nutritious food suitable for the species. The diet will not be manipulated to artificially enhance the desired characteristics of the animal and such practices are prohibited. For example, the use of alcoholic or carbonated beverages as a drench or filler, etc.
6. Drenching (with water, electrolytes, and supplements only) to protect the health of the animal will be allowed ONLY with the prior written consent and supervision of a Veterinarian, Project Coordinator, Project Superintendent, Barn Manager, or UArizona Extension 4-H Agent or FFA Advisor.
7. Any physical procedure, practice, device, handling or contact (such as striking) done to an animal, which is solely and primarily intended to improve the desired characteristics of the animal, is prohibited. The use of tranquilizers, sedatives, or depressants, which alter the physical or physiological state of the animal, is illegal. The use of calf calm, pig calm or other similar products is permitted with the prior written consent of a Veterinarian, Project Coordinator, Project Superintendent, Barn Manager, or UArizona Extension 4-H Agent or FFA Advisor. Any such drugs must be approved by the Food and Drug Administration for use in meat animals.
8. Direct argument, confrontation or interference with judges, show managers, other exhibitors, breed representatives, or show officials by exhibitors, parents, or fair goers

at any time is prohibited. To facilitate the performance of their official duties, all judges, fair and livestock show managers, or other show officials will be treated with courtesy, cooperation, and respect. Any violation of this guideline is subject to the same sanctions as provided herein.

9. No adult or exhibitor will conspire with another person or persons to intentionally violate this code of ethics and show rules or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics and show rules. Violation of this rule will subject such individual to disciplinary action as provided herein.

IV. CONSEQUENCES AND PENALTIES:

This show Code of Ethics and Show Rules, as well as any consequences apply to 4-H/FFA volunteers, leaders, parents, guardians, agents and advisors who may be involved with those programs. The term exhibitor as stated below is all encompassing of both youth and adults. By entering a livestock show or event, the exhibitor is verifying that he or she has read this document, agrees to be bound by its provisions and understands the consequences and penalties for violation herein.

1. The exhibitor further understands and agrees that he or she may be prohibited from future participation in organized fairs and livestock shows in this county, the State of Arizona, and in some cases, the United States.
2. Additionally, the exhibitor further understands and agrees that his or her future participation in 4-H or FFA or both may be limited, or prohibited. In addition, the exhibitor may be subject to criminal prosecution or civil penalties, or both.
3. Any animal which is determined to have been given any substance not approved by FDA or that exceeds FDA approved residue for any drug for that species will be disqualified from competition. Veterinarians may provide written script for drugs or medication, as per FDA/USDA Guidelines, but the exhibitor is responsible to meet the residue tolerance for such applications.
4. Exhibitors of animals that have been disqualified will forfeit any awards and recognition earned by the animal or exhibitor. No changes will be made in class or champion placements if an animal is disqualified from competition.
5. The Project Coordinator, the Barn Manager, UArizona Extension 4-H Agent or FFA Advisor has the right, responsibility, and authority to disqualify or discipline any exhibitor for violating any of the Guidelines for Participation.

V. ETHICS REVIEW BOARD:

1. The Ethics Review Board is established for the purpose of reviewing disqualifications, discipline done or imposed by the Project Coordinator, the Barn Manager, UArizona Extension 4-H Agent or FFA Advisor, or to review instances of non-action by show managers.
2. The Ethics Review Board shall act as the final arbitrator for an individual accused of violating these rules and guidelines. It shall serve as the appeal for the interpretation of rules and guidelines as applied by the show management.
3. The Ethics Review Board shall act as the final arbitrator in challenges regarding non-enforcement of these guidelines by show managers. The committee will request either The Project Coordinator, Barn Manager, UArizona Extension 4-H Agent or FFA Advisor to investigate the non-action and report findings to the committee.
4. In any situation, those members of the Ethics Review Board present shall constitute a quorum and all decisions must be rendered by a majority of those present. The Board shall consist of the following members: The Barn Manager, one (1) UArizona Extension 4-H Agent, One (1) FFA Advisor, and the Project Coordinator shall sit on the board, without a vote. The voting members will consist of:
 - Two (2) parent/volunteer shall be appointed by the Extension 4-H Agent.
 - One (1) parent/volunteer shall be appointed by the FFA Advisor.
 - There shall be one (1) FFA youth appointed by the FFA Advisor from each chapter.
 - There shall be one (1) 4-H youth appointed by each Livestock Project Coordinator and each Small Stock Project Coordinator.
5. Appointments to the committee will be made by 4-H Project Coordinators, UArizona Extension 4-H Agents and FFA Advisors prior to the County Fair each year. "Board members will serve for a two-year rotation in the following manner:
 Even years – swine, beef, poultry, rabbit, dairy cattle, FFA youth, 4-H adult;
 Odd years – sheep/meat goats, dairy goats, pigeon, cavy, pygmy goats, FFA youth, FFA adult, and a 4-H adult."
6. In the event the person accused of a violation is related in any degree to anyone on the board, an appropriate replacement will be named and shall sit on the board, for that issue only. The UArizona Extension 4-H Agent or FFA Advisor shall name the replacements

VI. APPEAL PROCESS:

1. The “Ethics Review Board” will review appeals from individuals who have been disqualified, disciplined by show managers, or who desire a review of non-action by show managers when the appeal is in writing and accompanied by a non-refundable \$50.00 fee, and received by the UArizona Extension 4-H Agent or FFA Advisor as soon as possible, but in no event more than three (3) business days after the action being appealed or after the incident has taken place. The fee will be returned if the Ethics Review Board finds in favor of the person appealing.
2. The board shall decide matters properly before it, as soon as possible, but in any event no later than three (3) business days after the receipt of matter.
3. The board will review facts and actions taken by the disciplining officer. Each side may present written arguments and evidence to the committee. The board may request an oral presentation from either side. The disciplining agent will submit records and evidence upon which disciplinary or disqualifying action or non-action was determined.

AUCTION RULES

Pima County Junior Livestock Sales, Inc.

Participation in this auction is a privilege, and not a right.

These rules give an overview of the auction and exhibitor requirements. An exhibitor's entry into the livestock or the small stock auction represents an explicit agreement by the exhibitor and the exhibitor's parent, or guardian if necessary, with all of the following rules and penalties. All animals intended for human consumption offered for sale in the auctions must 1) meet residue tolerances established by USDA/FDA and 2) be free of any substance not approved of by the USDA/FDA. Every exhibitor wishing to participate in the Pima County Junior Livestock Auctions (large and/or small) must submit a completed United States of America W-9 form at weigh-in/check-in at the Pima County Fair. Failure to complete a W-9 may result in exhibitor not receiving sale proceeds. Every exhibitor must be currently Quality Assurance Certified and a member in good standing with 4-H and/or FFA and complied with all 4-H and FFA rules and requirements at the time of the auction to be eligible to sell their project. Information and updates may be posted on www.pcjlsi.org from time to time.

I. GENERAL RULES:

These rules apply to both the Livestock (Beef, Sheep, Swine, Market Goat) Auction and the Small Stock (Rabbit, Cavy, Poultry, Pigeon, Pygmy Goat) Auction which are under the supervision of Pima County Junior Livestock Sales, Inc. (hereafter referred to as PCJLSI) in addition to the specific rules listed below for these Auctions. The Livestock Auction is limited to Steers, Lambs, Hogs, and Market Goats. PCJLSI has the sole authority in the interpretation and enforcement of the Auction rules.

PCJLSI is not part of 4H, FFA or the Southwestern Fair Commission. These rules and their enforcement are totally separate from 4-H and FFA. All concerns about the following auction and exhibitor requirements for the sales should be addressed to PCJLSI president.

A. NOTIFICATION:

1. PCJLSI reserves the right to test any animal officially entered in any division eligible to sell in either the Livestock Sale or the Small Stock Sale, for any substances including drugs/medications or feed additives.
2. For the 2020 Pima County Fair, at a minimum, the Grand and Reserve Champion livestock animals (Beef, Sheep, Swine, Market Goat) will be tested. Tissue, blood, and/or urine samples may be collected. **Blood and/or urine samples will be collected as soon as possible after the Grand and Reserve Champions are selected as required.** This will be a **terminal sale** for the Livestock Grand and Reserve Champion animals. Other animals entered in the market shows may be tested. Tissue, blood, and/or urine samples may be collected.

3. Coordinators will submit all livestock weight slips to PCJLSI within thirty minutes after the scales have closed. Only the livestock that have been weighed in a timely manner and had the form similarly submitted will be maintained in the PCJLSI files.
4. Animals are not the responsibility of PCJLSI. Each exhibitor is responsible for the care and feeding of all project animals until they are released by the Project Coordinator on Sunday, April 26, 2020, at 6:00 p.m. or sometime thereafter.
5. PCJLSI reserves the right to make deductions from any exhibitor's sale to cover outstanding balances that have been generated by other family or household members associated with the exhibitor.

B. NUMBER OF ANIMALS TO BE SOLD:

Exhibitors will be allowed to sell only one lot or animal in either the Livestock Auction or the Small Stock Auction, with the following exceptions:

1. If an exhibitor has a Grand and/or Reserve Champion Steer, Sheep, Swine or Market Goat, and a Grand and/or Reserve Champion Meat Pen, Fryer, or Commercial Laying Hens they will sell in ***both*** auctions.
2. If an exhibitor has a Grand and/or Reserve Champion Meat Pen, Fryer, or Commercial Laying Hens, and an animal eligible for the Livestock Auction, they may sell in ***both*** auctions.
3. If an exhibitor has a Grand and/or Reserve Champion Steer, Sheep, Swine or Market Goat and an animal eligible for the Small Stock Auction, they may sell in ***both*** auctions.
4. All Grand and Reserve Champion Steers, Sheep, Swine, Market Goats, Meat Pens, Fryers, and Commercial Laying Hens ***must*** sell *provided they have complied with all 4-H and FFA rules.*

C. EXHIBITOR DRESS CODE:

Exhibitor Dress Code for entry in the sale ring shall be as follows: Pants in a solid dark color, a shirt of green and/or white that is long or short sleeved with a collar, an optional green and/or white tie or scarf and vests in 4-H colors. FFA exhibitors are to dress as approved by FFA Chapter. No hats or caps etc. are to be worn. Exceptions for religious reasons will be considered. In the event of the inability to meet the dress code, an exhibitor may request assistance from PCJLS, Inc. at least 48 hours prior to sale. Animals and/or exhibitors may not be decorated (bows, glitter, graffiti, costumes, etc.). Failure to comply with the standard of presentation may result in a financial penalty being assessed up to the difference between the floor price and the sale price.

D. EXHIBITOR AUCTION RESPONSIBILITIES:

1. Exhibitors must take their own animal through the auction ring except in unusual circumstances, such as sickness or family emergency. Only currently Quality Assurance Certified enrolled members of Pima County 4-H or FFA in good standing, exhibiting at the current Pima County Fair, may substitute with the approval of the Project Coordinator and the executive board of PCJLSI. Any exhibitor violating this rule may receive floor price (less commissions and fees) only, as determined by PCJLSI.
2. Extra-curricular activities will not be considered an exception. Exhibitors are responsible for taking their own animal through the auction ring. Any exhibitor violating this rule may receive floor price (less commissions and fees) only, as determined by PCJLSI.
3. Special Needs: exhibitors with mental/physical disabilities, which limit the exhibitor's ability to take their own animal through the auction ring by normal means. Special needs will be handled by either the 4-H Agent or FFA Advisor and 4-H/FFA members on an individual basis in consultation with the executive board of PCJLSI at least ten (10) days prior to the auction.
4. Exhibitors who fail to be at the auction ring in the proper sequence will not be allowed to sell their animals through the auction and must remove their animals from the fairgrounds on Sunday, April 26, after 6:00 p.m.; or personally consign them to the packer through the PCJLSI. Commission will be charged for all animals consigned. Animals left on the fairgrounds after 10 p.m. on Sunday, April 26, 2020, may be forfeited to PCJLSI to be disposed of at the organization's discretion. The exhibitor will not be entitled to monetary compensation for the forfeited animal(s) and may be liable for costs incurred.
5. Exhibitors selling in the auction(s) must mail a Thank You letter to their buyer. The stamped and addressed envelope is to be verified by the project leader prior to distributing the auction check.

E. EXHIBITOR'S RESPONSIBILITIES: FOREIGN SUBSTANCE

1. It is the exhibitor's responsibility to submit a market animal intended for human consumption with 1) residue tolerances within guidelines established by USDA/FDA and 2) be free of any substance not approved of by the USDA/FDA. Exhibitors and their families should exercise special care when administering any products to or on their animals. DO NOT use over the counter products made for human consumption or use. Use only products labeled as acceptable for species-specific market animal use. Other products may produce a residue in the meat and render the carcass unacceptable by the USDA/FDA. PCJLSI reserves the right to require the exhibitor to submit the appropriate documentation proving that the animal is residue free or pay for the required testing.

2. The exhibitor and/or immediate family must notify Project Coordinator of ANY substance which was administered to the animal prior to arrival at the Pima County Fair and which has not met the required withdrawal period for that substance. These include, but are not limited to: growth stimulants, drugs/medication, and/or feed/water additives (i.e. antibiotics, wormers). Notification must be made in writing prior to check-in/weigh-in/penning of animal at the Pima County Fair. Project Coordinator will notify the President or Auction Chairman of PCJLSI of the declaration.
3. If it is necessary to administer any USDA/FDA approved species-specific market animal drug/medication, or feed/water additive during the time 4-H/FFA projects are housed at the Pima County Fair, the Project Coordinator must be notified in writing prior to any administrations. If situations warrant, such as a medical emergency, that a Project Coordinator cannot be notified prior to administration of drug/medication, or feed/water additive, the exhibitor and/or his/her immediate family must notify the Project Coordinator within ten (10) hours of administration of drug/medication, or feed/water additive except in cases immediately prior to the auction, when notification *must take place prior to the animal entering the sale ring*. Project Coordinator will notify the President or Auction Chairman of PCJLSI of the declaration.
4. If any animal is being treated with USDA/FDA approved species specific market animal drug/medication and a delayed market date is needed to ensure a residue free carcass, it is the exhibitor's responsibility to ensure that appropriate announcement of the *delayed market requirement* is submitted in writing with the prescribed requirement to PCJLSI prior to entering the sale ring. The exhibitor will then be responsible for maintaining the animal until it is residue free and then delivering the animal to the designated location (packer, buyer etc.). Grand and Reserve Grand Champion animals requiring a delayed slaughter date will be treated on an individual basis with special handling as required.
5. Sale money will be withheld until tests are complete.
6. Exhibit Sale Disposition: If it is proven that an animal has received or tests report the positive presence of drugs/medication, or feed/water additive(s) not approved by the USDA, FDA, or above the USDA guideline residue levels and/or not in compliance with the USDA Wholesome Meat Act, in any test or procedure, that animal will be disqualified and the exhibitor declared ineligible to receive sale proceeds or packer monies (if applicable). The carcass of a disqualified animal will be disposed of per instructions from USDA or FDA or the State of Arizona. The Buyer will be given the option to void the purchase or accept a replacement carcass of equal value. However, in either event, the exhibitor will not receive any of the proceeds.
7. If an entry is disqualified, the owner/exhibitor will not be eligible to sell in future Pima County Junior Livestock Sales (Livestock or Small Stock Sales). All disqualifications can be appealed to PCJLSI.

8. If substances or residues, including drugs/medications, or feed/water additives, as defined above, are found in the tissue of the carcasses of animals entered/sold through the PCJLSI sale, PCJLSI will in no way be held liable or responsible for condition of carcass or sale price of animal. Further, the exhibitor and his/her family will indemnify and hold harmless PCJLSI and all of its sponsors and assisting organizations, their employees and agents, against all legal or other proceedings in connection with said drug testing. The exhibitor and his/her family will indemnify and hold harmless the show and its sponsors and assisting organizations against all claims for injury to any person or property caused by any animal and/or its meat.
9. If the exhibitor's animal is condemned for anything other than illegal drug use, the Buyer has the option to refuse the product and void the purchase or accept a replacement carcass of equal value at the exhibitor's expense. If buyer voids the sale and refuses a replacement carcass, the exhibitor receives no compensation and may be liable for costs incurred.

F. EXHIBITOR'S PENALTIES:

If animals intended for human consumption are found with 1) residue tolerances not within guidelines established by USDA/FDA, 2) substances not approved of by the USDA/FDA and/or 3) if the substance is approved and the exhibitor fails to meet the requirements of withdrawal times and/or 4) fails to declare any medication and/or feed/water additives that have not met USDA/FDA withdrawal times at check in:

1. Exhibitor will be barred from consigning any/all animals to the PCJLSI Livestock and Small Stock sales FOREVER.
2. Exhibitor will forfeit all auction sale money associated with the contaminated animal and be subject to all disposal charges.
3. Anyone caught tampering per the above substance abuse violation with their own or another animal will be prohibited from the sale FOREVER and will be referred to the appropriate authorities.
4. Anyone caught altering, changing and/or misrepresenting animal(s) will be barred from consigning any/all animals to the PCJLSI Livestock and Small Stock sales FOREVER. This includes switching animal identification papers, tags, brands etc. or the substitution of a different animal for the one originally issued the identification. All parties involved in the activity will be reported the appropriate legal and national fair associations.
5. A written request for an appeal of the lifetime ban from the sale can be submitted to an executive member of PCJLSI.

II. LIVESTOCK AUCTION RULES:

All General Auction Rules will apply *in addition to the following rules, specific to Livestock*. All exhibitors must submit a Junior Animal Certification Form with the appropriate signatures to be eligible for the Livestock Auction. The text of this form will be incorporated into the Fair check-in weight slips. Failing to sign the form at weigh-in/check-in will result in the exhibitor's Livestock entry being purged from the Pima County Fair PCJLSI files. The following specific rules for Livestock also apply.

A. SALE PROCEDURE/RIBBON:

Market steers, lambs, hogs and meat goats will be sold at auction on Saturday, April 25, 2020. The Livestock Auction may be limited to 350 lots, at the discretion of PCJLSI.

BLUE award animals will sell individually.

RED award animals will sell individually or in group lots.

WHITE award animals will not sell through the auction. It is the exhibitor's responsibility to make the necessary arrangements for removal of these animals from the fairgrounds prior to 6 p.m. on Friday, April 24, 2020.

1. Exhibitors will be paid for the maximum sale weight of:
 - Swine: 280 pounds
 - Sheep: 150 pounds
 - Steers: 1250 pounds
 - Market Goats: 120 pounds
2. Auctioneers will be provided by PCJLSI.
3. Sale order will be determined by PCJLSI.
4. Donated animals will be consigned to the packer at market price or processed for donation to the charity of buyer's choice at buyer's expense.
5. All sales through the auctions are FINAL and will be processed by PCJLSI. No one should harass the buyer(s) with buy back requests.
6. Checks will be released to the project-club leader, community leader, or FFA advisor when adequate funds are available. Adequate funds are defined here as enough money collected to cover all exhibitors' checks and other liabilities incurred by the PCJLSI in administering the Livestock and Small Stock Sales.

7. There will be a 5% commission charge on all animals that sell. Funds received from said commission shall be used by PCJLSI. In addition, a fee will be deducted from each exhibitor's check for any national beef/sheep/swine check-off program, livestock inspections (as required), and the purchase of picture(s) for the buyer(s). The photograph fee will be collected for each market animal shown. Unused photographs will be available for exhibitor pickup prior to the end of the fair from the photographer's staff. Every exhibitor wishing to participate in the Pima County Junior Livestock Auctions (large or small) must submit a completed United States of America W-9 form at weigh-in/check-in at the Pima County Fair. Failure to complete a W-9 may result in exhibitor not receiving sale proceeds. In the event that a sale check needs to be re-issued because it was lost, the exhibitor will be charged the stop payment fee for the original check.
8. Exhibitors with more than one market animal at the Fair must fill out a withdrawal slip for each animal not consigned to the sale, including white ribbons and second animals. Withdrawal slips must be turned in to the Auction Clerk, Pima County Junior Livestock Sales, Inc. by 2:30 p.m., Thursday, April 23, 2020. If the withdrawal slip(s) is/are not turned in by 2:30 p.m., the PCJLSI will decide which animal(s) will be withdrawn.
9. Exhibitors with market animals not qualifying for the auction, except those animals previously consigned to PCJLSI must remove them from the Fairgrounds on Friday, April 24, 2020, between 7:00 a.m. to 10:00 a.m. or 4:00 p.m. to 6:00 p.m. The required release slip must be obtained from the Project Coordinator and/or Project Superintendent before leaving the Fairgrounds. Exhibitors with beef and sheep must also obtain inspection papers prior to leaving. Non-sale animals (white ribbon animals, showmanship animals, under/over-weight animals, and second animals) left on the fairgrounds after 6 p.m. on Friday, April 24, 2020, will be forfeited to PCJLSI to be disposed of at the organization's discretion. The exhibitor will not be entitled to monetary compensation for the forfeited animal(s) and may be liable for costs incurred. **Exception: Round Robin Rule F.**

III. SMALL STOCK AUCTION RULES:

All General Auction Rules will apply *in addition to the following rules, specific to Small Stock*. The Junior Animal Certification submittal will be incorporated into the Small Stock entry. For the 2020 Pima County Fair, random blood, urine and tissue samples may be collected. The following specific rules for Small Stock also apply.

A. SALE PROCEDURES:

1. Animals in the Rabbit, Cavy, Poultry, Pigeon, and Pygmy Goat projects will be sold at auction on Sunday, April 26, 2020. **Blue ribbon breed animals,** blue ribbon meat pens, and blue ribbon fryers may sell provided the exhibitor complied with all 4-H and FFA rules and requirements. Pet class animals will not sell.
2. Auctioneers will be provided by PCJLSI.
3. Sale order will be determined by PCJLSI.
4. Donated animals will be consigned to the packer at market price or processed for donation to the charity of buyer's choice at buyer's expense.
5. All sales through the auctions are FINAL and will be processed by PCJLSI. No one should harass the buyer(s) with buy back requests.
6. Checks will be released to the project-club leader, community leader, or FFA advisor when adequate funds are available. Adequate funds are defined here as enough money collected to cover all exhibitors' checks and other liabilities incurred by the PCJLSI in administering the Livestock and Small Stock Sales.
7. There will be a 10% commission charge on all animals that sell. Funds received from this commission shall be used by PCJLSI. **If a photograph of the exhibitor is given to the buyer(s), a fee will be deducted from the exhibitor's check.** Every exhibitor wishing to participate in the Pima County Junior Small stock Auctions must submit a completed United States of America W-9 form at weigh in/check in at the Pima County Fair. Failure to complete a W-9 may result in exhibitor not receiving sale proceeds. In the event that a sale check needs to be re-issued because it was lost, the exhibitor will be charged the stop payment fee for the original check.

B. EXHIBITOR RESPONSIBILITIES:

1. Exhibitors may sign up for the auction following the close of Small Stock judging events. All sales agreements must be signed by the exhibitor's parent or guardian and turned in by 4:00 p.m. Wednesday, April 22, 2020. **THIS INCLUDES MUST SELL LOTS SUCH AS ANY/ALL MEAT PENS. IF THE DEADLINE HAS NOT BEEN MET, THEN THEY WILL BE SCRATCHED FROM THE SALE.** If a pedigree is available, it must be turned in with the sales agreement. At the time of sign-up exhibitors will receive a "For Sale at the Auction" sign to be placed on their animal's cage.
2. Exhibitors may withdraw an animal from the auction by having the Small Stock Chairperson void all copies of the sales agreement before 4:00 p.m. Wednesday April 22, 2020.
3. Any sick or injured animal will be withdrawn from the auction by the auction officials. Show officials may allow substitution of another blue ribbon animal, provided the animal meets exhibitor ownership requirements.

4. Any entry with missing, incorrect or illegible tattoos, ear tags, or leg bands must be withdrawn from the auction immediately. No exceptions and/or substitutions will be allowed in these cases.

IV. NEW PROJECTS:

To be accepted as a new project into the Pima County Small Stock Auction, the project must meet the following requirements:

1. Newly established projects must have been a recognized FFA or 4-H animal project in Pima County for three consecutive years, showing increased growth over the three years. The project may sell in the auction the fourth year of its existence if application is accepted.
2. Project Coordinators must submit completed applications for consideration to the PCJLSI no later than May 1 of the third year.
3. The animal must be judged at the Pima County Fair by an accredited judge and receive a blue ribbon.
4. The animal must be on exhibit during the 4-H week of the fair.
5. As part of the application, a market study must be submitted to verify a local market for the project. Pet type projects are not eligible for the sale.

GENERAL RULES

The Pima County 4-H Shooting Sports Education Coordinator has the option to hold competitions at the Pima County Fairgrounds, or other venues. All leaders and youth will be notified of the Date, Location, and time of the competitions. The Coordinator is the final authority for any questions arising during the competitions.

The Pima County 4-H Shooting Sports Event is designed to be as similar and as practical as the state and national 4-H Shooting Sports Events. Event for Juniors and Sub-Juniors are tailored to the capabilities of the age groups.

Competitors must be capable of safely and competently completing an event within the time allotted with minimal supervision or coaching. Competitors are responsible for providing their own equipment, safety items, arrows, pellets, and ammunition. Competitions will start promptly, late starts by competitors will not be allowed. Safe behavior is mandatory; infractions will be cause for penalty to be deducted from the competitions score up to immediate removal from the event.

The Project Coordinator and County 4-H Staff will dismiss any parent, youth, or spectator who creates an unsafe environment during any 4-H shooting sports event. Immaturity or continual exhibits of unsafe behavior will result in expulsion from the 4-H Shooting Sports Program.

REQUIREMENTS

REGISTRATION: Individual and team registration is due to the Pima County 4-H Extension Office no later than Wednesday, March 11th, 2020.

ENROLLMENT: All 4-H Members must be actively enrolled in the 4-H Shooting Sports Education Disciplines by Dec. 16th, 2020. All 4-H members must also have been under the direction of a Certified Level 1 Shooting Sports Instructor by the Fair Registration Deadline.

EXHIBITORS:

- 1- SUB-JUNIORS (8-11)-- must be 8 years old but not 12 years old by January 1 of the current 4-H Year.
- 2- JUNIORS (12-13)-- must be 12 years old but not 14 years old by January 1 of the current 4-H Year.
- 3- SENIORS (14-18)-- must be 14 years old but not 19 years old by January 1 of the current 4-H Year.

SCORING: The sum of the equalized event competition scores will determine the overall event score. Safety deductions will be applied to the competition scores.

TEAMS: Teams will consist of three or four members from one club. Sub-juniors and juniors may compete in their next older age classification to complete a team; however individual scores will be ranked within the actual age group. The top three event scores for a team will count for the team score; if there are four members on a team the lowest score is dropped. Clubs do not have to send complete teams to compete.

RECORD BOOKS: Member and Project Record books are required for all exhibitors. For the Shooting Sports Education Project, only the PROJECT RECORD BOOK is required for submission. Important record book related dates are as follows-

- ***Wednesday, March 11th, 2020 11:59 PM-*** Pre-Fair Record Book Check- All Project record books must be submitted to the Shooting Sports Coordinator order to participate in the 2020 Pima County 4-H Shooting Sports Event. A digital drop box will be sent out for you to submit a digital copy of your progress to the completion of the book prior to the deadline. Record books must be up-to-date and exhibit progress towards completion. Failure to submit a project record book will result in not being able to participate in the Pima County 4-H Shooting Sports Event.
- ***Friday, May 1st, 2020, 5:00 PM-*** Completed Record Books must be submitted to the Pima County 4-H Office by this date. 4-H Record books submitted after May 1, will not be eligible for awards.

AWARDS: For each event, team and individual awards will be given.

EVENTS: These following synopses are provided for information only. The individual events and competitions described herein are governed solely by the 2019-2020 Pima County Shooting Sports Rules and Contest Guidelines as described by the National 4-H Shooting Sports Committee for each discipline.

ARCHERY: Traditional and compound archery are different events with different teams, but will shoot the same competitions. Competitors must select only one archery event (traditional or compound archery). Target distances are comparable to the state and national events; the use

of sights is highly recommended. The archery event will consist of competitions in the 3-D (FITA Rules), Olympic (FITA), and Field (NFAA) disciplines.

AIR GUN: The air gun event will consist of competitions in the air rifle 3-position bullseye, air rifle silhouette, and air pistol bullseye disciplines.

SHOTGUN: The shotgun event will consist of competitions in the skeet and trap disciplines.

MUZZLELOADING: The muzzle loading event will consist of competitions using novelty and bullseye targets.

SMALLBOARE RIFLE: The smallbore (.22) rifle event will consist of selected stages from the Civilian Marksmanship Program (CMP) rimfire sporter match.

- E. Any infraction of Southwest Fair Commission or 4-H/FFA Rules will result in disqualification for exhibitor the following year in the Old Pueblo Building. This will be determined by the Old Pueblo Building Superintendent and Department Clerk. A letter concerning this infraction must be sent to Exhibitor, 4-H Board of Directors, and Executive Director of Pima County Fair.
- F. Unlicensed drivers are not permitted to operate any motorized vehicle (ATV's, Motorcycles, golf carts, etc.) on the Pima County Fairgrounds.

IV. JUDGING

- A. There are four different types of judging which may be done on any entries exhibited in Old Pueblo Hall:
 - a. Static judging is the judging of items made by 4-H members. Standard sheets are used to compare the item with the standard established by that project.

These sheets are usually returned to the 4-H member with the ribbon. Ribbons are awarded to all items according to the Danish system- blue, red, and white. Participation may also be awarded in special cases.

- b. Interview judging involves a discussion with the member about his or her project. This process requires the member to evaluate his/her project and to suggest ways in which the project could be improved.
 - i. Open Interview judging may take place when a judge reviews the work of a number of members at one time and has discussions and interviews with the member. This method gives members an opportunity to learn from each other and to ask questions about how they can improve their projects.
 - ii. Project review requires the 4-H member to come to an interview with a goal/record sheet complete. With a judge, he/she evaluates his/her project and his/her items for judging or a special project related activity. We encourage all youth in the Home Economics areas of the 4-H program to participate in this activity. Project goal/record sheets will be available to all clubs by December.

I. GENERAL RULES

- A. Old Pueblo Building Rules also apply to this division.
- B. All posters in all classes will be 22" X 28".
- C. An exhibit that had more than one-person work on it will be considered a club display. Club displays will receive one ribbon on the display.
- D. All articles must be completed and ready for use.
- E. The various skills, craftsmanship, and designs will be the basis for evaluation on judging; size of article will not be considered unless it is applicable.
- F. Judges will determine ribbons and rosettes. A panel of three individuals (determined by the department clerk and superintendent) will determine trophy winners from the rosette winners.
- G. Judging times will be announced as soon as they are available.
- H. Any item may be sold by the exhibitor with consent of the Engineering and Science Department Clerks or Superintendents.
- I. Work done and articles made in 4-H Must not be the same as the work and projects completed in vocational agriculture/home economics classes or other youth groups.
