THE UNIVERSITY OF ARIZONA
Cooperative Extension

ROBOTICS PROJECT SPRING 2022

February 4th - April 8th 2022

**Open to Arizona Teachers, Educators, 4-H
Volunteers and 6th-12th Grade Students**

Participants will work as a team to build and program a robot using Color Sensor, Touch Sensor, Ultrasonic Sensor, and Gyro Sensor. Teams will showcase what was learned with other teams across the state.
