Division No. 309 – Standard: Meat Pen

Poultry meat pens will consist of three (3) chickens 6 to 10 weeks old. Fryers must weigh 3 ½ to 5 lbs. each, broilers 5 to 8 lbs. each, and roasters 8 to 10 lbs. each. Birds within the pen must weigh no less or more than the amount specified. If any bird is under or over minimum and maximum weights the pen will be disqualified. The heaviest bird determines the class. Birds are judged on uniformity of weight, conformation and meat producing qualities. Meat pen entries will be adjusted by superintendents upon check in.
