Smartscape educates professionals on the fundamentals of designing, installing, irrigating, and maintaining beautiful, water-efficient landscapes.

Learn from industry experts Ursula Schuch, Judy Mielke, Jeff Lee, Bill Casenhiser, Rick Robinson, Shannon Scott, and Kirti Mathura in this course created for landscape industry professionals, including landscape architects and designers, installation and maintenance supervisors and crews, nursery employees, municipal employees, property managers, and HOA committee members.

CEUs have been applied for with the Western Chapter of the International Society of Arboriculture (ISA), the Association of Professional Landscape Designers (APLD), and the Arizona Chapter of the American Society of Landscape Architects (AzASLA).

This course is a prerequisite to enroll in Advanced Smartscape courses.
