Spice Companion: Using Spices in Home Cooking

Spices help create flavorful meals and play a significant role in culture, society, economy and health throughout the world. In this class, participants will learn simple techniques, tips and tricks to enhance flavors and how to develop new flavor combinations. This class includes cooking demonstrations and tastings of recipes utilizing featured spice blends. Participants will make their own spice blend to use at home.

Workshop requires advanced registration that includes a non-refundable $15.00 fee to cover class costs.
