

UA Soil & Evaluation for Onsite Wastewater Systems

This is a 2-day, **ADEQ-approved** course covering soil and site evaluation for onsite wastewater treatment systems. Successful completion of the course completion exam will result in your name being listed as a Registered Soil & Site Evaluator for ADEQ. The course will be conducted both in the classroom and in the field. Topics to be covered include: water movement and acceptance; soil treatment; soil evaluation including description of texture, color, structure, and consistence; and site evaluation procedures.

Prerequisite: You must have participated in a NAWT Inspection Training class to attend this course. *Attending this class qualifies for 8 CEU hours towards maintaining your NAWT certificate of completion.*

When: October 18-19, 2018

Where: City of Cottonwood Riverfront Water Reclamation Facility; 1083 E Riverfront Drive, Cottonwood, AZ 86326

Meeting Time: 8:00 a.m.-5:00 p.m. both days.

Instructors: David Gustafson, P.E. and Dan Wheeler

Cost: \$300 for early registration (until October 1) and \$350 for late registration (October 2 – October 12).

Registration will be confirmed upon receipt of fees. Cancellations within one week of workshop will result in half refund of payment. Registration includes class instruction and materials, breaks, and lunch on both days.

Policies: Preregistration and prepayment is required. No onsite registrations accepted.

Certification: This workshop qualifies for 16 Professional Development Hours (PDHs), 14.4 hours of contact for AZ Registered Sanitarians, and 8 CEU hours for NAWT (**\$75 credentialing fee applies separately**).

Hotel Information: For a list of hotels in the area, please contact Aaron Tevik at atevik@email.arizona.edu.
