

THE UNIVERSITY OF ARIZONA  
**Cooperative Extension**  
Pinal County

# Lego Robotics

Youth will work as a team to build and learn how to code a LEGO EV3 MINDSTORMS robot using Color Sensor, Touch Sensor, Ultrasonic Sensor, and Gyro Sensor. They will develop engineering, technology, and problem solving skills.

**Every Saturday, May 13 to June 10, 2023 at 10:30 AM.** Must RSVP, event is free.

Open to all 4-H and National Guard members 8-14 years old.

Limited to 12 participants. To RSVP or for more information, contact Esther Turner, 4-H Associate Agent, at: (520) 836-5221, x 211, or email at: [eturner@cals.arizona.edu](mailto:eturner@cals.arizona.edu)

Event will take place at: 820 East Cottonwood Lane, Suite #C, Casa Grande, AZ 85122

The University of Arizona is an equal opportunity, affirmative action institution. The University does not discriminate on the basis of race, color, religion, sex, national origin, age, disability, veteran status, sexual orientation, gender identity, or genetic information in its programs and activities.

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Pinal County Cooperative Extension, 820 East Cottonwood Lane, #C, Casa Grande, AZ or 520.836.5221. Requests should be made as early as possible to allow time to arrange the accommodation
