500 Miles

If you miss the train I'm on, You will know that I am gone. You can hear the whistle blow, A 100 miles.

A hundred miles, 100 miles, 100 miles, 100 miles

You can hear the whistle Blow a hundred miles.

Lord I'm one; Lord I'm two Lord I'm three; Lord I'm four Lord I'm five hundred

Miles away from home.

Not a shirt on my back; Not a penny to my name; Lord, I can't go back home This a way.

This a way, this a way This a way, this a way Lord, I can't go back home This a way.

America

Let us be lovers, we'll marry our fortunes together
I've got some real estate here in my bag
So we bought a pack of cigarettes and Mrs. Wagner's pies

And we walked off to look for America
Cathy, I said as we boarded a Greyhound in Pittsburgh

Michigan seems like a dream to me now
It took me four days to hitchhike from Saginaw
I've gone to look for America
Laughing on the bus, playing games with the faces
She said the man in the gabardine suit was a spy
I said, be careful, his bowtie is really a camera
Toss me a cigarette, I think there's one in my raincoat

We smoked the last one an hour ago
So I looked at the scenery; She read her magazine
And the moon rose over an open field
Cathy, I'm lost, I said though I knew she was sleeping
And I'm empty and aching and I don't know why
Counting the cars on the New Jersey Turnpike
They've all come to look for America
All come to look for America
All come to look for America

America, America

America, America

Shall we tell you how we feel? You have given us your riches, We love you so.

America, The Beautiful

Oh beautiful for spacious skies, For amber waves of grain.

For Purple mountains majesties, Above the fruited plains.

America, America,

God shed his grace on thee.

And crown thy good with brotherhood. From sea to shining sea.

Oh beautiful for patriot dream, That sees, beyond the years. Thine alabaster cities gleam, Undimmed by human tears,

America God shed his grace on thee. And crown thy good with brotherhood. From sea to shining sea.,
America,

America (My Country Tis of the)

My country, 'tis of thee, Sweet land of liberty, Of thee I sing!

Land where my fathers died! Land of the Pilgrims Pride!

From every mountain side, let freedom sing!

My native country, thee Land of the noble, free, Thy name I love!

I love thy rocks and rills.

Thy woods and Templed hills.

My heart with rapture thrills like that above!

Our fathers' god, to thee, Author of liberty, To thee we sing!

Long may our land be bright, With freedoms holy light.

Protect us by thy might, great go our king!

Battle Hymn Of The Republic

Mine eyes have seen the glory of the coming of the
Lord;
He is trampling out the vintage where the grapes of
wrath are stored;
He hath loosed the fateful lightning of His terrible
swift sword;
His truth is marching on. Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! Glory! Glory! Hallelujah! His
truth is marching on.

I have seen Him in the watch fires of a hundred
circling camps
They have builded Him an altar in the evening dews
and damps;
I can read His righteous sentence by the dim and
flaring lamps;
His day is marching on. Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! Glory! Glory! Hallelujah! His
day is marching on.

I have read a fiery Gospel writ in burnished rows of
steel;
“As ye deal with My contemners, so with you My
grace shall deal”; Let the Hero, born of woman,
crush the serpent with His heel, Since God is
marching on.
Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! Since God is marching on.

He has sounded forth the trumpet that shall never
call retreat;
He is sifting out the hearts
of men before His judgment seat;
Oh, be swift, my soul, to answer Him! be jubilant, my
feet; Our God is marching on.
Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! Our God is marching on.

In the beauty of the lilies Christ was born across the
sea,
With a glory in His bosom that transfigures you and
me:
As He died to make men holy, let us live to make
men free; While God is marching on.
Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! While God is marching on.

He is coming like the glory of the morning on the
wave, He is wisdom to the mighty, He is honor to the
brave;
So the world shall be His footstool, and the soul of
wrong His slave, Our God is marching on.
Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! Our God is marching on.

Born Free

Born free, as free as the wind blows

As free as the grass grows, Born free to follow your heart.

Live free, and beauty surrounds you. The world still astounds you, each time you look at a star.

Stay free, where no walls divide you

You're free as the roaring tide, So there's no need to hide.

Born free, and life is worth living. But only worth living, Cause you're born free.

Be Kind To Our Web-Footed Friends

Be kind to our web-footed friends.

For a duck maybe somebody's mother. Be kind to our friends in the swamp, Where the weather is cool and damp Now you may think that this is the end Well it is!

The Bear Song

The other day I met a bear

Out in the woods Oh way out there.

He said to me, Why don't you run? Cause I can see, You got no gun.

And so I ran, Away from there. But right behind, Me was that bear.

Ahead of me, There was a tree. I'd have to jump, And trust my luck.

And so I jumped, Into the air.

But I missed that branch, Oh way up there.

Now don't you fret, And don't you frown.

Cause I caught that branch, On my way back down.

Now that's the end, There ain't no more. Unless I meet,

That bear once more.

And so I met, That bear once more. Now he's a rug, On my floor.

BINGO

There was a farmer had a dog, And bingo was his name-o,

B-I-N-G-O, B-I-N-G-O,

B-I-N-G-O, And bingo was his name-o.

After first verse, replace each B with clap, until all letters of bingo are claps.

The Birdie Song

It's going to be a long springtime

And what will the birdie do then, the poor thing He'll fly to the trees just to sit in the breeze

And tuck his head under his wing, the poor thing

It's going to be a long summer.

And what will the birdie do then, the poor thing. He'll fly to the pool, just to keep himself cool.

And tuck his head under his wing, the poor thing.

It's going to be a long fall,

And what will the birdie do then, the poor thing.
He'll fly to the barn, just to keep himself warm. And
tuck his head under his wing, the poor thing.

It's going to be a long winter,

And what will the birdie do then, the poor thing.
He'll fly to the south with a worm in his mouth. And
tuck his head under his wing, the poor thing.

Bridge Over Troubled Water

When your weary, feeling small; When tears are in
your eyes, I'll dry them all. I'm on your side, Oh
when times get rough
And friends just can't be found,
Like a bridge over troubled water, I will lay me down.
Like a bridge over troubled water, I will lay me down.

When you're down and out, When you're on the
street. When evening falls so hard,
I will comfort you. I'll take your part, Oh, when
darkness comes.

And pain is all around,

Like a bridge over troubled water I will lay me down
Like a bridge over troubled water I will lay me down.

Chorus:

Sail on silver bird, sail on by. Your time has come to
shine. All your dreams are on their way See how
they shine,

Oh, if you need a friend I'm sailing right behind,
Like a bridge over troubled water. I will ease your
mind.

tail.

Brown Squirrel, Brown Squirrel Shake your bushy
tail.

Put a nut between your toes
Then shove it up your nose. Brown Squirrel, Brown
Squirrel Shake your bushy tail.

Camp Food

Camp food, camp food
The food that makes rats afraid I'll bet tramp's food
Would taste more like mom's homemade.
The hot dogs are boiled for hours The milk's so old
its sour.

The butters hard, The bread is hard,
And the kitchens dirty too!
Someday, someday Someone will hear my plea.

Serving camp food
Should be a felony.
I'll give you my testimony, And bring the camp's
baloney As evidence of negligence,
On the part of the camp cook's crew!

Camp Granada

Take me home, oh mudda, fadda, Take me home, I
hate Granada!
Don't leave me in the forest where, I might get eaten
by a bear.

Take me home, I promise I will not make noise Or
mess the house with the other boys.
Oh, please don't make me stay I've been here one
whole day.

Canyon Camp Song

I'm a camper, not a damper.
Oh, my ears are made of leather, And they flop in
the windy weather. Gosh. Oh hemlock
I'm as tough as a pine knot.
I'm from canyon camp you see.

Chester

Late last night when we were all in bed,
Old Mother O'leary left a lantern in the shed, And
when the cow kicked it over,
She winked her eye and said:
"There'll be a hot time in the old town tonight."
FIRE! FIRE! FIRE!

Chocolate Ice Cream Cone

My mama said if I'd be good She'd send me to the store.

She said she'd bake some ginger bread If I would sweep the floor.

She said if I'd be very good And watch the telephone, She would send me out to get A chocolate ice cream cone!

Well, coming home, I Stubbed my toe Upon a big old stone.

And I need to tell you that I dropped My chocolate ice cream cone.

A little doggie came along

And took a great big lick. (Slurp!)

And then I hit that mean old dog with just a little stick.

And then he bit me Where I sit down!

And then he chased me All over town!

And now I'm lost,

Can't find my home. (Sadly) All because of That chocolate ice cream cone!

There's a fountain flowing deep and wide

Down In The Valley

Down in the valley, the valley so low. Hang your
head over, hear the wind blow.

Hear the wind blow dear, hear the wind blow. Hang
your head over, hear the wind blow.

Roses love sunshine, the violets love dew. Angels in
heaven, know I love you.

Know I love you dear, know I love you. Angels in
heaven, know I love you.

Write me a letter, containing three lines. Answer my
question, will you be mine? Will you be mine dear,
will you be mine? Answer my question, will you be
mine?

Build me a castle, forty feet high. So I can see him as
he rides by. As he rides by dear, as he rides by. So I
can see him as he rides by.

Do Your Ears Hang Low?

Tune: Turkey in the Straw

Do your ears hang low? Do they wobble to and fro?
Can you tie 'em in a knot? Can you tie 'em in a bow?
Can you throw 'em over your shoulder Like a
continental soldier?
Do your ears hang low?

Do your ears stand high?

Do they reach up to the sky?

Do they droop when they're wet? Do they stiffen
when they're dry? Can you semaphore your
neighbor, With a minimum of labor?

Do your ears stand high?

Do your ears hang wide?

Do they flop from side to side? Do they wave in the
breeze, From the slightest little sneeze? Can you
soar above the nation With a feeling of elevation?

Do your ears hang wide?

Do your ears flip flop?

Can you use 'em for a mop? Are they stringy at the
bottom, Are they curly at the top?

Can you use 'em for a swatter, Can you use 'em for a
blotter? Do your ears Flip Flop?

Do your ears fall off?

When you give a great big cough? Do they lay there
on the ground, Or bounce at every sound?

Can you stick 'em in your pocket, Just like Davey
Crocket?

Do your ears fall off?

East Side West Side

East side, West side, All around the town,
The kids sang "Ring a rosie," "London bridge is falling
down" Boy's and girls together,
Me and Mamie O'Roukie Tripped the light fantastic
On the sidewalks of New York.

El Condor Pass

I'd rather be a sparrow than a snail, Yes I would, if I
could, I surely would. I'd rather be a hammer than a
nail.

Yes I would, if I only could, I surely would Away, I'd
rather sail away.

Like a swan, that's here and gone. A man gets tied up to the ground.

He gives the world, it's saddest sound, It's saddest sound

I'd rather be a forest than a street. Yes I would, if I could, I surely would.

I'd rather feel the earth beneath my feet. Yes I would, if I only could, I surely would.

Everything Is Beautiful

Jesus loves the little children, All the children of the world.

Red and yellow, black and white, They are precious in his sight.

Jesus loves the little children of the world.

Everything is beautiful in its own way, Like a starry summer night,

Or a snow-covered winter's day. Everybody's beautiful in their own way,

Under god's heaven, the world's gonna find a way.

There is none so blind, as he who will not see. We must not close our minds;

We must let our thoughts be free. For every hour that passes by, you know the world gets a little bit older. It's time to realize, that beauty lies In the eyes of the beholder.

Friends Helping Friends

Chorus:

Friends helping friend along the way Getting each other through the hard times Helping each other say

Oh, I will stand by you day by day

So be my friend til' the end

And nothing will take that away.

Friend is a person who's there when you need them
Someone you can talk to, someone you can trust
Someone who will help you through good times and bad

And will never turn their back on you When you are feeling sad.

Chorus

Life can be so empty when nobody's there
Life can be so lonely when nobody cares
That's what a friend is for to help you on your way
To help lift up your spirits and to help you every day
Chorus

Oh, friends helping friends along the way
Getting each other through the hard time
Helping each other say

And nothing will take that away

God Bless America

God bless America, land that I love. Stand beside her, and guide her.
Thru the night, with a light from above. From the mountains, to the prairies.
To the oceans, white with foam.
God bless America, my home sweet home.

God Bless the U.S.A.

If tomorrow all the things were gone
I worked for all my life
And I had to start again
With just my children and my wife
I thank my lucky stars
To be living here today
'Cause the flag still stands for freedom
And they can't take that away
Chorus:
I'm proud to be an American
Where at least I know I'm free
And I won't forget the men who died
Who gave that right to me
And I'd gladly stand up next to you
And defend Her still today

*'Cause there ain't no doubt
I love this land*

God Bless the U.S.A.

Mom, Wash My Underwear

Tune: "God Bless America"

Mom, wash my underwear, my only pair. We can
find them, and move them, From the heap by the
side of the chair. To the washer, to the clothes line,
To my backpack, to my rear.

Mom, wash my underwear, my only pair. Mom,
wash my underwear, my only pair.

Montana Song

My home's in Montana I wear a bandana,

My spurs are silver, My pony is gray

When riding the ranges, My luck never changes,

With foot in the stirrup

I gallop away

Where, oh where are you tonight? How can you
leave me here all alone? I searched the world over
and thought I found true love

Then you met another and Pzzz, you were gone.

My Grandfather's Clock

My grandfather's clock was too large for the shelf,
So it stood ninety years on the floor
It was taller by half than the old man himself
Though it weighed not a pennyweight more
It was bought on the morn of the day he was born

And it was always his treasure and pride
But it stopped, short never to go again, When the
old man died.
Ninety years without slumbering, Tick tock, tick tock
His life second numbering, tick tock, tick tock.
But it stopped, short, never to go again, When the
old man died.

Laid me a hard boiled egg.

On Top of Old Smokey

On top of Old Smokey - All covered with snow I lost
my true lover - from courtin' too slow.
For courtin's a pleasure - and partin' is grief. And a
false-hearted lover is worse than a thief. A thief will
just rob you, and take what you save,
But a false hearted lover will lead you to the grave.
And the grave will decay you -
And turn you to dust;
Not a boy in a hundred a poor girl can trust. They'll
hug you and kiss you -
And tell you more lies
Than cross-ties on a railroad or stars in the skies.
Come, all you young maidens - and listen to me.
Never place you affections on a green willow tree.
The leaves, they will wither - the roots they will die;
you'll be forsaken - and never know why.

On Top of Spaghetti

On top of spaghetti, all covered with cheese.
I lost my poor meatball, when somebody sneezed. It
rolled off the table, and onto the floor,
And then my poor meatball, rolled out of the door.

It rolled into the garden, and under a bush,

And then my poor meatball, it turned into mush. The
mush was so tasty, as tasty can be.
And early the next morning grew into a tree.

The tree was all covered with old Spanish moss. It
grew lovely meatballs and to-ma-to-sauce.
So if you eat spaghetti, all covered with cheese, hold
onto your meatball, if somebody sneezes.

Lived an old mother fishy and her little fishies two
"Swim!" said the mother, "We swm," said the two So
they swam and were glad where the stream runs so
blue

Over in the meadow in a hole in a tree
Lived an old mother blue-bird and her little birdies
three
"Chirp!" said the mother, "we chirp," said the three
So they chirped and were glad in a hole in a tree.

Sippin' Cider

The prettiest girl I ever saw
Was sippin' cider through a straw
The prettiest girl I ever saw,
was sippin' cider through a straw.

I asked her if she'd show me how
To sip some cider through a straw

so proudly we hailed,
At the twilights last gleaming.
Whose broad stripes and bright stars Thru the
perilous fight.
O'er the ramparts we watched Were so gallantly
streaming. And the rocket's red glare, The bombs
bursting in air,
Gave proof through the night that Our flag was still
there.
Oh, say does that star spangled banner yet wave,
O'er the land of the free,
And the home of the brave.

You're A Grand Old Flag

You're a grand old flag,
You're a high flying flag,
And forever in peace may you wave,
You're the emblem of the land I love.
The home of the free and the brave.
Every heart beats true to the red, white, and blue.
And there's never a boast of brag.
For should old acquaintance be forgot,
Keep your eye on the grand old flag!

You Are My Sunshine

You are my sunshine, my only sunshine.
You make me happy, when skies are grey.
You'll never know dear, how much I love you, Please
don't take my sunshine away.
The other night dear, when I lay sleeping, I dreamed
I held you in my arms
When I awoke dear, I was mistaken, And I held my
head and cried.
You are my sunshine, my only sunshine. You make
me happy, when skies are grey.
You'll never know dear, how much I love you, Please
don't take my sunshine away.
