There will be a Round Robin Event following the showmanship classes. The 1st place winner in each division for each species will compete in the Round Robin event. If a participant wins 1st place in more than 1 species, they will need to declare which species they will show. The 2nd place individual will step in for the species that was vacated by the 1st place winner.

The Maricopa County Small Stock Advisory Committee will not have extra animals to borrow. You must make prior arrangements with kids in your club or sister clubs to borrow an animal to enter an event that you don’t own an animal for. Please note: It is not mandatory to show all species.

All participants must be an active member of an organized club or FFA Chapter. Participants must wear appropriate dress for their club or chapter. If you have questions on official dress, please see your leader.

All judges’ decisions are final. Please note that all the workers for this show are volunteering their time and expertise to ensure that we have a successful event. If you have an issue or comment, please speak with someone on our show committee.
