YAVAPAI COUNTY MASTER GARDENER
VIRTUAL PRESENTATION

Tuesday, March 30, 2021 – 6:30pm

Presenters: Debbie is a Master Gardener Emeritus having been certified in 2007. Tomatoes are a favorite plant on her deck each summer. Debbie has coordinated and compiled the Yavapai County Tomato survey for the past 8 years. Tricia, a diehard vegie gardener, was certified as a Master Gardener in 2013. She grows vegetables inside her home as well as outside and loves sharing the joy of gardening through public speaking engagements throughout the county. Both Debbie and Tricia enjoy experimenting growing new and different varieties of tomatoes. This year both are coordinating a tomato growing event among some of the Master Gardeners to test different varieties of dwarf tomatoes.
