GROWING WILDFLOWERS

- Why Plant Wildflowers
- How to Get Started
- Choosing a Site
- Plants or Seeds?
- Elements of Care

YAVAPAI COUNTY MASTER GARDENER
VIRTUAL PRESENTATION

‣ Tuesday, April 27, 2021 – 6:30m
‣ Presenter: Betty Loos had spent most of her life in the Midwest, first growing up on a farm in southern Illinois and then working in the Chicago area for 33 years as a high school counselor before retiring to Central Arizona with her husband. Her first impression of AZ was how much the desert offers in terms of vegetation, wildlife and color.

In 2008, Betty became a certified Master Gardener and has found the MG Program to be a continual learning experience. Her specific interests include landscape plants, pollinator plants and native vegetation especially wildflowers and the opportunity to create an environment friendly to birds and wildlife.
