Arizona High Country Livestock Care Webinar Series

for the small scale farmer or rancher, homesteader or hobby farmer

Cattle – Tuesday January 18th, 2022  5 to 7 pm

Panel:  Dr. Joslyn Beard (University of Arizona Cooperative State Livestock Extension Specialist) and Nate Brawley (University of Arizona Assistant in Extension for Livestock Production Systems)

- How much feed or supplementation do my cows need?
- I want a dairy cow - do they need special food or have special needs?
- I want to raise cattle on my property, how may acres do I need?
- What is the Arizona Beef Quality Assurance program?
- What vaccination programs do my cows need and are they required?
- And much more information
- Bring your questions!
