Home Irrigation Workshop
Saturday February 12th
10:00 am till 2:00 pm with lunch break
Bring a lunch and dress to be outdoors.

Greenlee County Cooperative Extension
1684 Fairgrounds Road, Duncan

Learn the basics of designing, installing, and operating your own home irrigation system.
- How to determine the volume and pressure of your water supply.
  - How to prevent excessive wear on domestic wells.
- Correct selection and application of compatible materials.
  - How to install and operate an automatic timer.
  - Maintenance of your irrigation system.
- Troubleshooting, repair and upgrade of existing systems.
- Watering for different soil types and weather conditions.

This is a hands on workshop.
The cost of this workshop is $10.00 to the general public and is included in tuition paid by those enrolled in the Greenlee County Master Gardener program.
For further information on this & future garden workshops, as well as the Master Gardener program contact
