Diagnosing and Identifying Plant Damage Workshop

Saturday, June 19th, 10:00 am till 2:00 pm
(with a short break for lunch and conversation)
Greenlee County Cooperative Extension Office

Learn to recognize and manage:
- Diseases - fungal, bacterial and viral
- Insects - “good bugs” vs “bad bugs”
  - Vertebrate pests
  - Nutrient imbalance
- Environmental conditions – water, wind etc.

The cost of this workshop is $10.00 to the general public and is no charge to those enrolled in the Greenlee County Master Gardener program.
For further information on this & future garden workshops, as well as the Master Gardener program contact
