

Plant Selection and Planting Techniques Workshop

Saturday, October 24th
9:00 am till noon

Masks required, Social distancing guidelines will be observed

At Greenlee County Cooperative Extension
1684 Fairgrounds Road, Duncan Az, 85534

**Fall is the best time to plant most trees and shrubs here
in Greenlee County!**

Join us for this hands-on workshop and learn:

- How to properly plant and care for the trees and shrubs.
 - What will grow best in a particular location.
 - How to select the best plants for best results.
- How to properly plant and care for the trees and shrubs.

The cost of this workshop is \$10.00 to the general public and is included in the tuition paid by those enrolled in the Greenlee County Master Gardener program.

For further information on this & future garden workshops, as well as the Master Gardener program contact
