"Thank you! I learned so much more on understanding AI and bovine anatomy."

"Hands-on stations were very very helpful. With the small class and having teachers nearby for questions was excellent"

Issued in furtherance of Cooperative Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture, Jeffrey C. Silvertooth, Associate Dean & Director, Extension & Economic Development, Division of Agriculture, Life and Veterinary Sciences, and Cooperative Extension, The University of Arizona.
